A MEMORIALIZING PETITION SUPPORTING AN INCREASE IN STATE FUNDING FOR COMMUNITY COLLEGE BASE AID

SPONSORS: Messrs. Welsh, Paparella, Mandryck , Miller, Koenig, Idzi

---

WHEREAS, the Oneida County Board of Legislators recognizes the importance of community colleges to our communities; and

WHEREAS, Oneida County sponsors Mohawk Valley Community College (MVCC), which operates as a comprehensive community college under the standards of the State University of New York; and

WHEREAS, MVCC is approved by and registered with the New York State Department of Education and it authorized to award Certificates and Associate Degrees; and

WHEREAS, MVCC provides accessible, low-cost educational services that respond to the needs of residents of Oneida County and surrounding areas; and

WHEREAS, Chancellor Zimpher of the State University of New York has launched a statewide advocacy plan to "Stand Up for SUNY"; and

WHEREAS, recent base aid increases have not kept pace with ongoing increased costs of MVCC's basis operations in spite of substantial staff and other operational reductions in recent years; and

WHEREAS, community colleges in New York State are funded through a three-way partnership: the state, the student and the sponsor county, and traditionally, this was intended to be an equal partnership; and

WHEREAS, since the 1970's, this funding formula has shifted considerably and today's students fund 43% of community college operations while the state picks up less than 25% of those costs; and

WHEREAS, MVCC's current (2015-2016) base aid remains at $78 FTE lower than it was eight years ago and has not kept pace with mandated increases in health insurance and other contractual obligations such as an increase of 6.2% in employee benefits; and

WHEREAS, State support for community college operating budgets, currently as 27% percent for MVCC, is far below the 1/3 of the operating costs and even further below 40 percent for those with full opportunity access that all SUNY community colleges have embraced for decades; and

NOW THEREFORE BE IT HEREBY RESOLVED, that the Oneida County Board of Legislators recognizes our ability to continue to attract and grow business in our community is dependent on an educated and prepared workforce which is provided in large part by the services of MVCC; and

BE IT FURTHER RESOLVED, that the Oneida County Board of Legislators hereby urges the New York State Legislature and Governor Cuomo to support a $285/FTE base aid increase for SUNY's community colleges; and

BE IT FURTHER RESOLVED, that a copy of this Petition shall be forwarded by mail or email to the following:
New York State Governor Andrew Cuomo, New York State Senator Joseph A. Griffo, New York State Assembly Representative Anthony Brindisi, New York State Assembly Representative Claudia R. Tenney, New York State Assembly Representative Ken Blankenbush, New York State Assemblyman Marc Butler, New York State Senator David Valesky, New York State Assembly Representative William Magee, County Executive Anthony Picente, Jr., Dr. Randall J. Wagoner, Ph.D., Chancellor Zimpher of the State University of New York and all others deemed necessary and proper.

A MEMORIALIZING PETITION SUPPORTING NEW YORK STATE SENATE BILL NO.6553 / ASSEMBLY BILL NO. 9442, INCREASING PENALTIES FOR VIOLATORS OF THE DO NOT CALL LIST

FN 20 16-160

SPONSORS: Messrs. Paparella, Mandryck, Koenig, Idz, Clancy

READ & FILED

WHEREAS, the Oneida County Board of Legislators recognizes that unwanted calls are more than annoying–they're categorically criminal; and

WHEREAS, Senator Joseph Griffo's bill to increase the penalties for violators will help ensure that this annoying practice ceases once and for all; and

WHEREAS, in 2003 the Federal Trade Commissioner (FTC) created the Do Not Call Registry, but over the years, it has become apparent that telemarketers continue to call people who have registered with this database; and

WHEREAS, in 2013 alone, the FTC received 3.8 million complaints of violations with more than 100 legal cases having been brought against companies for violating the registry to date; and

WHEREAS, despite the fact that a business in New York State can be fined up to $11,000 per violation, some telemarketing companies are hedging their bets by attempting to earn more business violating the law than they will lose in fines from people reporting their misdeeds; and

WHEREAS, Senator Griffo's bill would increase the penalties from $11,000 to $20,000, nearly doubling the fine; and

NOW THEREFORE BE IT HEREBY RESOLVED, that the Oneida County Board of Legislators recognizes that this practice must be eliminated and its citizens should not be bothered; and

BE IT FURTHER RESOLVED, that the Oneida County Board of Legislators hereby offers their support for the passage of Senate Bill No. 6553/Assembly Bill No. 9442; and

BE IT FURTHER RESOLVED, that a copy of this Petition shall be forwarded by mail or email to the following:

A MEMORIALIZING PETITION OPPOSING GOVERNOR CUOMO'S PROPOSAL TO INCREMENTALLY INCREASE NEW YORK STATE MINIMUM WAGE TO $15 AN HOUR

READ & FILED

SPONSORS: Messrs. Mandryck, Flisnik, Koenig Jdz

WHEREAS, the current minimum wage in New York State for all employees is $9.00 per hour, with few exceptions; and

WHEREAS, Governor Cuomo used his authority to direct the state labor commissioner to convene a three-person panel to study the wages for fast food workers and the panel voted unanimously to increase the wages for fast this sector; and

WHEREAS, based on this information, Governor Cuomo used an executive order to incrementally increase fast food workers' pay to $15 an hour; completely bypassing the Legislature; and

WHEREAS, on November 10, 2015, through use of another executive order, Governor Cuomo announced that he would unilaterally raise the minimum wage for all **state workers** (impacting approximately 10,000 workers) to $15 per hour; and on January 4, 2016, he did the same for **SUNY employees** (impacting approximately 28,000 workers); and

WHEREAS, in his budget address on January 13, 2016, Governor Andrew Cuomo proposed to raise the minimum wage for *all* New York workers to $15 an hour through an incremental plan.
WHEREAS, the federal minimum wage is currently $7.25 an hour; and

WHEREAS, by the administration's own projections, once fully implemented in 2021, this proposal would result in a $15.7 billion annual, recurring increase in employer's labor costs; and

WHEREAS, increasing pay could be passed on to consumers in the form of increased price of goods; and

WHEREAS, according to the Empire Center, hiking the minimum wage to $15-an-hour in New York – a 67% increase, when fully phased in – would cause a loss of as many as 200,000 jobs; and

WHEREAS, the budget proposal included a wage hike without a corresponding funding increase for nonprofit health providers; and

WHEREAS, providers, including nursing homes, will be forced to close if the higher wage passes and the State does not help fund the increased costs for providers; and

WHEREAS, the Healthcare Association of New York State, a trade group whose members include hospitals and nursing homes, estimated that raising the wage to $15 an hour will cost the health industry $2.9 billion in higher annual direct and indirect costs; and

WHEREAS, the New York State Area Resource Center (NYSARC), Inc. President Laura Kennedy noted, "Pushing for an across the board minimum wage increase without offering any funding for developmental disability providers that are Medicaid reliant will amount to the **largest unfunded mandate in the history of these programs**"; and

WHEREAS, the Oneida-Lewis ARC Chapter's estimated cost projections, if the State budget does not increase Medicaid payments to cover the wage hike, are $1.3 million; and

WHEREAS, Farm Credit East, an agriculture lender, estimated that passage of this proposal would increase farm labor costs in New York anywhere from $387 million to $622 million; and

WHEREAS, Governor Cuomo's offer of $350 million in small businesses tax cuts will be a drop in the bucket when compared to the debilitating costs businesses will be faced with; and

WHEREAS, passage of this legislation will force businesses, particularly small businesses to lay off workers, reduce hours or raise prices to cover their higher labor costs; and

NOW THEREFORE BE IT HEREBY RESOLVED, that the Oneida County Board of Legislators recognizes that increasing the minimum wage, with no further breaks for small business is reckless; and

BE IT FURTHER RESOLVED, that the Oneida County Board of Legislators hereby opposes Governor Cuomo's proposal to incrementally increase the State's minimum wage to $15 a hour; and

BE IT FURTHER RESOLVED, that a copy of this Petition shall be forwarded by mail or email to the following: New York State Governor Andrew Cuomo, New York State Senator Joseph A. Griffo, New York State Assembly Representative Anthony Brindisi, New York State Assembly Representative Claudia R. Tenney, New York State Assembly Representative Ken Blankenbush, New York State Assemblyman Marc Butler, New York State Senator David Valesky, New York State Assembly Representative William Magee, County Executive Anthony Picente, Jr., Oneida County Personnel Commissioner John P. A MEMORIALIZING PETITION SUPPORTING NEW YORK STATE SENATE BILL NO.6071, RELATING TO ELGIBILITY FOR SNAP (FOOD STAMP) BENEFITS

FN 20 16 - 162
READ & FILED

SPONSORS: Messrs. Porter, Paparella Idz

WHEREAS, the Oneida County Board of Legislators recognizes that many people in our community need public assistance and food stamp benefits to help support themselves and their families, but these funds are most effective when fraud, waste and abuse are eliminated from the system; and

WHEREAS, Senator Griffo's bill will help ensure that families are getting access to public assistance to purchase food, while also maintaining dignity in the program; and

WHEREAS, the New York State Office of Temporary and Disability Assistance, which oversees the Supplemental Nutrition Assistance Program (SNAP or food stamps) in New York, describes the program on its website as, "SNAP can help you put healthy food on the table. SNAP monthly benefits can be used to purchase food at authorized retail food stores. SNAP benefits help low-income working people, seniors, the disabled and others feed their families"; and

WHEREAS, in Oneida County, there are currently 17,388 SNAP cases serving 33,832 individuals; and

WHEREAS, the federal government funds SNAP or food stamps based on gross income (based on family size); typically as follows:

- family size 1, annual gross income $15,312, benefits equate to a monthly benefit of $194;
- family size 2, annual gross income $20,712, benefits equate to a monthly benefit of $357;
- family size 3, annual gross income $26,124, benefits equate to a monthly benefit of $511;
- family size 4, annual gross income $31,536, benefits equate to a monthly benefit of $649; and
- for each additional person, benefits equate to an additional $146 per person; and

WHEREAS, internal legislative estimates demonstrate that the federal government spends close to $60 million* annually on Food Stamps in Oneida County and $78 billion nationwide; and

WHEREAS, Senator Griffo's bill would clarify unauthorized spending of SNAP EBT cards on the following products or at the following establishments: liquor stores, gaming or gambling facilities, strip clubs, tobacco specialty stores; and

WHEREAS, it's important to ensure these funds are being used without fraud, waste and abuse; and

*Equation: $146 monthly per person payment x 33,832 individuals=$4,939,472 per month x 12 months = $60 million.

WHEREAS, Oneida County SNAP work requirements currently follow the federal eligibility requirements which include registering for work, not voluntarily quitting a job or reducing hours, taking a job if offered, and participating in employment and training programs assigned by the State; and

WHEREAS, Senator Griffo's bill would enhance SNAP work requirements by ensuring that applicants apply in writing for *three* separate jobs; and

WHEREAS, Senator Griffo's bill would add penalties for non-compliance which includes terminating benefits for the adult recipient for the first violation and for the entire family for the second violation; and

WHEREAS, passage of this legislation will prevent waste, fraud and abuse; and

NOW THEREFORE BE IT HEREBY RESOLVED, that the Oneida County Board of Legislators recognizes that saving taxpayers money and creating greater checks and balances of the SNAP program will benefit all; and

BE IT FURTHER RESOLVED, that the Oneida County Board of Legislators hereby offers their support for the passage of Senate Bill No. 6071; and

BE IT FURTHER RESOLVED, that a copy of this Petition shall be forwarded by mail or email to the following:
New York State Governor Andrew Cuomo, New York State Senator Joseph A. Griffo, New York State Assembly Representative Anthony Brindisi, New York State Assembly Representative Claudia R. WHEREAS, the Oneida County Board of Legislators deems rail service as a critical component to the preservation and rehabilitation of all surviving infrastructure from Utica to Lake Placid in the Adirondacks; and the Board recognizes that this asset is listed as a national historic treasure on the National Register of Historic Places; and

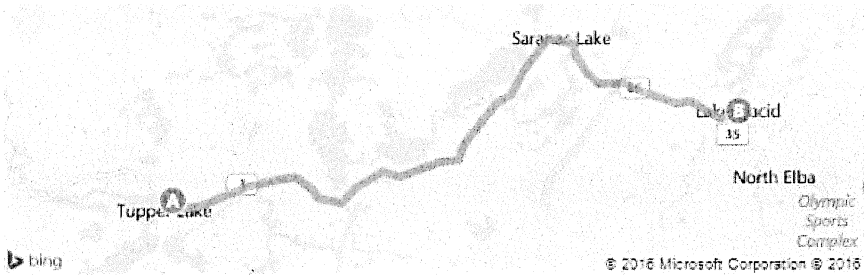
WHEREAS, the decision made by the Adirondack Agency to support a plan that would destroy a portion (34 miles from Tupper Lake to Lake Placid) of the Remsen to Lake Placid Corridor's rail infrastructure and which threatens the existence of the entire Adirondack Scenic Railroad and could put them out of business; and



WHEREAS, the Adirondack Scenic Railroad is the second largest tourist attraction in Oneida County and grew to a record 75,000 passengers in 2015; and

WHEREAS, the Adirondack Railroad privately maintains the corridor and supports economic development in local communities and the cost of enhancing and maintaining the railway is not significantly more than the cost of destroying it and building an alternative trail for recreational purposes; and

WHEREAS, Oneida County Tourism, the County Board of Legislators as well as neighboring Franklin County have all formally expressed support for the retention and restoration of the railroad infrastructure, from Remsen to Lake Placid, and further support the exploration of options to create and expand safe snowmobile access throughout the corridor in conjunction with the original 1996 Unit Management Plan; and

WHEREAS, the DEC's Alternative 7 plan is a poorly conceived amendment to the carefully planned but largely unimplemented 1996 Unit Management Plan and is therefore not in the best interest of the communities along the line; and

WHEREAS, the Remsen to Lake Placid Travel Corridor is the only State Land Unit, where the success of a Unit Management Plan depends largely on the success of a private business entity; and

WHEREAS, Alternative 7 is not consistent with the State Land Master Plan (SLMP) and the SLMP therefore should have been amended before the Park Agency approved the Unit Management; and

WHEREAS, the Adirondack Railroad is a unique transportation asset, providing rail access from the Mohawk Valley to the Adirondack High Peaks; and

WHEREAS, the rehabilitation of the remainder of this infrastructure from Remsen to Lake Placid for spring, summer and fall rail service would support economic development through increased tourism, while preserving usage of the rail corridor for winter sports; and

WHEREAS, on March 2, 2016, the Preservation League of New York State, an organization which highlights New York's most endangered places through its "Seven to Save" list, has designated the Adirondack Railroad as one of the "Seven to Save" for 2016-2017.

NOW THEREFORE BE IT HEREBY RESOLVED, that the Oneida County Board of Legislators is opposed to the Adirondack Park Agency's decision and any proposal that destroys instead of rebuilds critical rail infrastructure that accommodates the Adirondack Scenic Railroad ; and

BE IT FURTHER RESOLVED, that the Oneida County Board of Legislators would like to reiterate its support for the existing plan to restore the rail corridor from Remsen to Lake Placid while also providing access and infrastructure to winter sports enthusiasts, thus expanding upon an invaluable and growing tourist attraction and resource to the area; and

BE IT FURTHER RESOLVED, that a copy of this Petition shall be forwarded by mail or email to the following:
New York State Governor Andrew Cuomo, New York State Department of Environment Conservation Acting Commissioner Basil Seggos, Adirondack Park Agency Chairwoman Leilani Ulrich, New York State Department of Transportation Commissioner Matthew J. Dear Mr. Picente:

The New York State Office of Indigent Legal Services (ILS) has recommended that the new Directors of the Regional Immigration Assistance Center obtain the following memberships:

1. American Immigration Lawyers Association (AILA)
   Director Sharon L. Ames, $455 annually and $75 Upstate New York Chapter
   Director Robert R. Reittinger, $320 annually and $75 Upstate New York Chapter
   Director Sharon L. Ames currently has a paid membership for this year. Director Robert R. Reittinger will need to apply for membership and $395 appropriated this year for his dues to our A1170.4951 account.
2. New York State Defenders Association, Inc. (NYSDA)
   Dues are $75 annually per Director and $150 needs to appropriated to our A1170.4951 account.

Under the grant funding the Regional Immigration Assistance Center, funds are available to pay these membership dues. At the present time, these associations are the only ones I am aware of that the Directors should obtain memberships in.

Therefore, I am requesting that the Oneida County Board of Legislators approve these memberships and the amount of $545 be appropriated to our A1170.4951 account.

Draft Resolution
Oneida County Sewer District
North Utica Interceptor Sewer Upgrades
Phase II – NYS Barge Canal Crossing
State Environmental Quality Review
Determination of Significance
April X, 2016

WHEREAS, Oneida County is undertaking a project to upgrade its existing North Utica Interceptor Sewer; and

WHEREAS, the upgrades to the North Utica Interceptor Sewer will accommodate future increased flows from the Marcy Nanocenter and Quad C projects, as well as other discharges that would occur from future development in the North Utica, Marcy, and Deerfield service areas; and

WHEREAS, Phase I of the upgrades to the North Utica Interceptor Sewer are nearly complete; and

WHEREAS, Phase II of the upgrades to the North Utica Interceptor Sewer include a new crossing under the NYS Barge Canal which will supplement the existing (vintage 1930) crossing; and

WHEREAS, these required Phase II upgrades are to be funded, in part, through Empire State Development (ESD), and New York State Office of Community Renewal (NYS OCR); and

WHEREAS, discretionary actions approved or undertaken by local and State agencies require review under the State Environmental Quality Review Act (SEQRA) (6 NYCRR § 617.3) and

WHEREAS, under SEQRA regulations, this project is classified as an Unlisted Action having not met the thresholds for a Type I Action; and

WHEREAS, Unlisted Actions require completion of a Short Environmental Assessment Form (EAF); and

WHEREAS, ESD, in its role of partially funding the project requested a coordinated review; and

WHEREAS, the County prepared and disseminated Part 1 of a Short EAF with the objective of initiating a coordinated review with other Involved Agencies; and

WHEREAS, other Involved Agencies concurred with the County acting as SEQRA Lead Agency; and

WHEREAS, the County did not receive any substantive comments indicating the potential for environmental impacts; and

WHEREAS, the County, as SEQRA Lead Agency, prepared Parts 2 and 3 of a Short EAF; and

WHEREAS, the County, as SEQRA Lead Agency, has considered the information contained in the Short EAF, which included an assessment of potential environmental and socio-economic impacts, as well as mitigation to reduce or eliminate those impacts, now therefore

BE IT RESOLVED THAT, Oneida County, in its capacity as SEQRA Lead Agency, as determined in a Coordinated Review process, has concluded that the project will result in no significant adverse impacts on the environment and, therefore, an environmental impact statement need not be prepared. Accordingly, the County of Oneida hereby issues a Negative Declaration with regard to proposed Phase II upgrades to the County owned and operated North Utica Interceptor Sewer.
