Dear Chairman Fiorini:

Pursuant to Local Law #10 of 1991 which gave the Board of Legislators the power to enter into a contract with a third party administrator for the administration of the Oneida County Self-Insurance Plan, the Workers' Compensation Committee recently requested a proposal for the same.

The proposals we received as a result of the RFP process have been thoroughly reviewed by our designated broker, Kelly Green of Bailey, Haskell & LaLonde and by me. As a result of this review process, it is my recommendation that we retain the services of NCACOMP Inc. as our third party administrator. Attached is a contract for March 15, 2013 and ending March 14, 2016.

I respectfully request that you forward this contract to the proper committees and then to the full board for action at the February 13, 2013 meeting. Thank you for your consideration.

Sincerely yours,

Michael Lally, Director
Workers' Compensation Department

To the extent required by Article 15 of the Executive Law (also known as the Human Rights Law) and all other State and Federal statutory and constitutional non-discrimination provisions, the Contractor will not discriminate against any employee or applicant for employment because of race, creed, color, sex, national origin, sexual orientation, age, disability, genetic predisposition or carrier status, or marital status. Furthermore, in accordance with Section 220-e of the Labor Law, if this is a Contract for the construction, alteration or repair of any public building or public work or for the manufacture, sale or distribution of materials, equipment or supplies, and to the extent that this Contract shall be performed within the State of New York, the Contractor agrees that neither it nor its subcontractors shall, by reason of race, creed, color, disability, sex, or national origin: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this Contract. If this is a building service contract as defined in Section 230 of the Labor Law, then, in accordance with Section 239 thereof, the Contractor agrees that neither it nor its subcontractors shall by reason of race, creed, color, national origin, age, sex or disability: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this Contract. The Contractor is subject to fines of \$50.00 per person per day for any violation of Section 220-e or Section 239 as well as possible termination of this Contract and forfeiture of all moneys due hereunder for a second or subsequent violation.

8. **Wage and Hours Provisions.**

If this is a public work contract covered by Article 8 of the Labor Law or a building service contract covered by Article 9 thereof, neither the Contractor's employees nor the employees of its subcontractors may be required or permitted to work more than the number of hours or days stated in said statutes, except as otherwise provided in the Labor Law and as set forth in prevailing wage and supplement schedules issued by the State Labor Department. Furthermore, the Contractor and its subcontractors must pay at least the prevailing wage rate and pay or provide the prevailing supplements, including the premium rates for overtime pay, as determined by the State Labor Department in accordance with the Labor Law. Additionally, effective April 28, 2008, if this is a public work contract covered by Article 8 of the Labor Law, the Contractor understands and agrees that the filing of payrolls in a manner consistent with Subdivision 3-a of Section 220 of the Labor Law shall be a condition precedent to payment by the County of any County approved sums due and owing for work done upon the project.

9. Non-Collusive Bidding Certification.

In accordance with Section 103-d of the General Municipal Law, if this Contract is awarded based upon the submission of bids, the Contractor affirms, under penalty of perjury, that its bid was arrived at independently and without collusion aimed at restricting competition. The Contractor further affirms that, at the time the Contractor submitted its bid, an authorized and responsible person executed and delivered to the County a non-collusive bidding certification on the Contractor's behalf.

10. Records.

The Contractor shall establish and maintain complete and accurate books, records, documents, accounts and other evidence directly pertinent to performance under this Contract (hereinafter, collectively, "the Records"). The Records shall include, but not be limited to, reports, statements, examinations, letters, memoranda, opinions, folders, files, books, manuals, pamphlets, forms, papers, designs, drawings, maps, photos, letters, microfilms, computer tapes or discs, electronic files, e-mails and attachments, rules, regulations and codes. The Records must be kept for the balance of the calendar year in which they were made and for six (6) additional years thereafter. The County Comptroller, the County Attorney and any other person or entity authorized to conduct an examination, as well as the agency or agencies involved in this Contract, shall have access to the Records during normal business hours at an office of the Contractor within the County or, if no such office is available, at a mutually agreeable and reasonable venue within the County, for the term specified above for the purposes of inspection, auditing and copying. The County shall take reasonable steps to protect from public disclosure any of the Records which are exempt from disclosure under Section 87 of the Public Officers Law (the "Statute") provided that: (a) the Contractor shall timely inform an appropriate County official, in writing, that said records should not be disclosed; (b) said records shall be sufficiently identified; and (c) designation of said records as exempt under the Statute is reasonable. Nothing contained herein shall diminish, or in any way adversely affect, the County's right to discovery in any pending or future litigation. Notwithstanding any other language, the Records may be subject to disclosure under the New York Freedom of Information Law, for other applicable state or federal law, rule or regulation.

11. Identifying Information and Privacy Notification.

a. Identification Number(s). Every invoice or claim for payment submitted to a County agency by a payee, for payment for the sale of goods or service or for transactions (e.g., leases, easements, licenses, etc.) related to real or personal property must include the payee's identification number. The number is any or all of the following: (i) the payee's Federal employer identification number, (ii) the payee's Federal social security number, and/or (iii) the payee's Vendor Identification Number assigned by the Statewide Financial System. Where the payee does not have such number or numbers, the payees, on its invoice or claim for payment, must give the reason or reasons why the payee does not have such number or numbers.

b. Privacy Notification. (1) The authority to request the above personal information from a seller of goods or services or a lessor of real or personal property, and the authority to maintain such information, is found in Section 5 of the State Tax Law. Disclosure of this information by the seller or lessor to the County is mandatory. The principle purpose for which the information is collected is to enable the State to identify individuals, businesses and others who have been delinquent in filing tax returns or may have understated their liabilities and to generally identify persons affected by the taxes administered by the New York State Commissioner of Taxation and Finance. The information will be used for tax administration purposes and for any other purpose authorized by law. (2) The personal information is requested by the County's purchasing unit contracting to purchase goods or services or lease the real or personal property covered by this Contract.

12. Conflicting Terms.

In the event of a conflict between the terms of the Contract (including any and all attachments thereto and amendments thereof) and the terms of this Addendum, the terms of this Addendum shall control.

13. Governing Law.

This Contract shall be governed by the laws of the State of New York except where the Federal supremacy clause requires otherwise.

14. Prohibition on Purchase of Tropical Hardwoods.

The Contractor certifies and warrants that all wood products to be used under this Contract award will be in accordance with, but not limited to, the specifications and provisions of Section 165 of the State Finance Law (Use of Tropical Hardwoods), which prohibits purchase and use of tropical hardwoods, unless specifically exempted by the State or any governmental agency or political subdivision or public benefit corporation. Qualification for an exemption under this law will be the responsibility of the Contractor to establish to meet with the approval of the County.

In addition, when any portion of this Contract involving the use of woods, whether supply or installation, is to be performed by any subcontractor, the prime Contractor will indicate and certify in the submitted bid proposal that the subcontractor has been informed and is in compliance with specifications and provisions regarding use of tropical hardwoods as detailed in Section 165 of the State Finance Law. Any such use must meet with approval of the County; otherwise, the bid may not be considered responsive. Under bidder certifications, proof of qualification for exemption will be the responsibility of the Contractor to meet with the approval of the County.

15. Compliance with New York State Information Security Breach and Notification Act.

The Contractor shall comply with the provisions of the New York State Information Security Breach and Notification Act (General Business Law Section 899-aa).

16. Gratuities and Kickbacks.

a. **Gratuities.** It shall be unethical for any person to offer, give, or agree to give any County employee or former County employee, or for any County employee or former County employee to solicit, demand, accept, or agree to accept from another person, a gratuity or an offer of employment in connection with any decision, approval, disapproval, recommendation, or preparation of any part of a program requirement or a purchase request, influencing the content of any specification or procurement standard, rendering of advice, investigation, auditing, or in any other advisory capacity in any proceeding or application, request for ruling, determination, claim, or controversy, or other particular matter, pertaining to any program requirement or a contract or subcontract, or to any solicitation or proposal therefor.

b. **Kickbacks.** It shall be unethical for any payment, gratuity, or offer of employment to be made by or on behalf of a subcontractor under a contract to the prime contractor or higher tier subcontractor or any person associated therewith, as an inducement for the award of a subcontract or order.

17. Audit

The County, the State of New York, and the United States shall have the right at any time during the term of this agreement and for the period limited by the applicable statute of limitations to audit the payment of monies hereunder. The Contractor shall comply with any demands made by the County to provide information with respect to the payment of monies hereunder during the period covered by this paragraph. The Contractor shall maintain its books and records in accordance with generally accepted accounting principles or such other method of account which is approved in writing by the County prior to the date of this agreement. The revenues and expenditures of the Contractor in connection with this agreement shall be separately identifiable. Each expenditure or claim for payment shall be fully documented. Expenditures or claims for payment which are not fully documented may be disallowed. The Contractor agrees to provide to or permit the County to examine or obtain copies of any documents relating to the payment of money to the Contractor or expenditures made by the Contractor for which reimbursement is made to the Contractor by the County. The Contractor shall maintain all records required by this paragraph for 7 years after the date this agreement is terminated or ends.

If the Contractor has expended, in any fiscal year, \$300,000.00 or more in funds provided by a Federal financial assistance program from a Federal agency pursuant to this agreement and all other contracts with the County, the Contractor shall provide the County with an audit prepared by an independent auditor in accordance with the Single Audit Act of 1984, 31 U.S.C. §§ 7501, et seq., as amended, and the regulations adopted pursuant to such Act.

18. Certification of compliance with the Iran Divestment Act.

Pursuant Section 103-g of the General Municipal Law, by submitting a bid in response to this solicitation or by assuming the responsibility of a Contract awarded hereunder, each Bidder/Contractor, any person signing on behalf of any Bidder/Contractor and any assignee or subcontractor and, in the case of a joint bid, each party thereto, certifies, under penalty of perjury, that once the Prohibited Entities List is posted on the Office of General Services (OGS) website, that to the best of its knowledge and belief, that each Bidder/Contractor and any subcontractor or assignee is not identified on the Prohibited Entities List created pursuant to State Finance Law § 165-a(3)(b).

Additionally, the Bidder/Contractor is advised that once the Prohibited Entities List is posted on the OGS website, any Bidder/Contractor seeking to renew or extend a Contract or assume the responsibility of a Contract awarded in response to this solicitation must certify at the time the Contract is renewed, extended or assigned that it is not included on the Prohibited Entities List.

During the term of the Contract, should the County receive information that a Bidder/Contractor is in violation of the above-referenced certification, the County will offer the person or entity an opportunity to respond. If the person or entity fails to demonstrate that he/she/it has ceased engagement in the investment which is in violation of the Iran Divestment Act of 2012 within 90 days after the determination of such violation, then the County shall take such action as may be

appropriate including, but not limited to, imposing sanctions, seeking compliance, recovering damages or declaring the Bidder/Contractor in default.

The County reserves the right to reject any bid or request for assignment for a Bidder/Contractor that appears on the Prohibited Entities List prior to the award of a Contract and to pursue a responsibility review with respect to any Bidder/Contractor that is awarded a Contract and subsequently appears on the Prohibited Entities List.

IN WITNESS WHEREOF, the parties hereto have signed this document on the day and year first above written.

Equitable Sharing Agreement

This Federal Equitable Sharing Agreement, entered into among (1) the Federal Government, (2) the above-stated law enforcement agency ("Agency"), and (3) the governing body, sets forth the requirements for participation in the federal Equitable Sharing Program and the restrictions upon the use of federally forfeited cash, property, proceeds, and any interest earned thereon, which are equitably shared with participating law enforcement agencies. By its signatures, the Agency agrees that it will be bound by the statutes and guidelines that regulate shared assets and the following requirements for participation in the federal Equitable Sharing Program. Receipt of the signed Equitable Sharing Agreement and Certification (this "Document") is a prerequisite to receiving any equitably shared cash, property, or proceeds.

1. Submission. This Document must be submitted to aca.submit@usdoj.gov within 60 days of the end of the Agency's fiscal year. This Document must be submitted electronically with the Affidavit/Signature submitted by fax. This will constitute submission to the Department of Justice and the Department of the Treasury.

2. Signatories. This agreement must be signed by the head of the Agency and the head of the governing body. Examples of Agency heads include police chief, sheriff, director, commissioner, superintendent, administrator, chairperson, secretary, city attorney, county attorney, district attorney, prosecuting attorney, state attorney, commonwealth attorney, and attorney general. The governing body's head is the person who allocates funds or approves the budget for the Agency. Examples of governing body heads include city manager, mayor, city council chairperson, county executive, county council chairperson, director, secretary, administrator, commissioner, and governor.

3. Uses. Any shared asset shall be used for law enforcement purposes in accordance with the statutes and guidelines that govern the federal Equitable Sharing Program as set forth in the current edition of the Department of Justice's *Guide to Equitable Sharing for State and Local Law Enforcement (Justice Guide)*, and the Department of the Treasury's *Guide to Equitable Sharing for Foreign Countries and Federal, State, and Local Law Enforcement Agencies (Treasury Guide)*.

4. Transfers. Before the Agency transfers cash, property, or proceeds to other state or local law enforcement agencies, it must first verify with the Department of Justice or the Department of the Treasury, depending on the source of the funds, that the receiving agency is a current and compliant Equitable Sharing Program participant.

5. Internal Controls. The Agency agrees to account separately for federal equitable sharing funds received from the Department of Justice and the Department of the Treasury. Funds from state and local forfeitures and other sources must not be commingled with federal equitable sharing funds. The Agency shall establish a separate revenue account or accounting code for state, local, Department of Justice, and Department of the Treasury forfeiture funds. Interest income generated must be accounted for in the appropriate federal equitable sharing account.

The Agency agrees that such accounting will be subject to the standard accounting requirements and practices employed for other public funds as supplemented by requirements set forth in the current edition of the *Justice Guide* and the *Treasury Guide*, including the requirement in the *Justice Guide* to maintain relevant documents and records for five years.

The misuse or misapplication of shared resources or the supplantation of existing resources with shared assets is prohibited. Failure to comply with any provision of this agreement shall subject the recipient agency to the sanctions stipulated in the current edition of the *Justice or Treasury Guides*, depending on the source of the funds/property.

6. Audit Report. Audits will be conducted as provided by the Single Audit Act Amendments of 1996 and OMB Circular A-133. The Department of Justice and Department of the Treasury reserve the right to conduct periodic random audits.

Re: Submission of the 2013/14 FTA Section 5311 Consolidated Non-Urbanized Formula Grant Application, Authorizing Resolution, and Third Party Agreement

Dear County Executive Picente:

The Federal Transit Administration provides funds to cover up to 50 percent of the operating deficits for public transportation systems providing scheduled mass transit services in the non-urbanized and rural areas of the country. The federal funds are distributed on a bi-annual basis through the Section 5311 Urbanized Areas Formula program which is administered by the New York State Department of Transportation (NYSDOT).

Oneida County is the sponsor of the rural transportation services in the County provided by Birnie Bus Tours (BBT). The New York State Department of Transportation (NYSDOT) recently announced \$141,000 for 2013 and \$145,300 for 2014 allocated to Oneida County to support these rural transit services. These amounts will be matched with New York State Operating Assistance funds and Birnie Bus Tours own funds, to cover operating expenses. There are no Oneida County funds involved in the Section 5311 application.

This is the second year of NYSDOT's new consolidated application which includes both, operating assistance and capital investment grants. Based on bus replacement schedule and the 2011-15 Transportation Improvement Program, Oneida County should purchase four (4) 30 FT medium duty mid-size replacement buses with lifts for public transportation service in rural areas. Projected total cost of this project is \$380,000. The Federal Transit Administration (FTA) share would be 80% of the total costs of capital equipment, NYS Department of Transportation share is 10% and the remaining 10 % would be paid by the local public transit operator (BBT).

I request that you recommend to the Oneida County Board of Legislators for its consideration and approval the attached resolution authorizing you, as the Oneida County Executive, to file the Fiscal Year 2013-14 Section 5311 Consolidated Non-Urbanized Formula Grant application. I also request that you sign the signature pages of the application and the third party service agreement. This application was originally due to NYSDOT by December 31, 2012. We were, unfortunately, unable to meet this deadline due to a serious medical condition of the staff member who prepared the application in previous years. Therefore, I must request this message of necessity requesting that the Board of Legislators waive the waiting time requirements as provided in Section 20(4) of the Municipal Home Rule Law so that they may approve these actions at their regular meeting on **February 13th 2013.**

34.

Dana Crisino, HOCTS Program Manager, and I would be pleased to discuss this matter with you and/or the Board at your convenience.

Sincerely,

WAYS & MEANS

Chairman Gerald J. Fiorini
Board of Legislators
800 Park Ave.
Utica, NY 13501

Dear Chairman Fiorini,

Effective August 12, 2009, the New York State Comptroller requires all elected and appointed officials who are members of the New York State Retirement System and do not participate in the County's payroll time system to maintain a "Record of Activities" for a period of three months. Following their submission, the Board of Legislators must pass a resolution stating the average days worked per month for each member of the Retirement system (**Note: non-members are not required to participate in the record keeping, nor are they required to be included in the Resolution**). Each member may submit a new "record of Activities" for a different three month period if they feel that the current "Record" is not reflective of their actual time worked.

The outcome of each members "Record of Activities" will be the major factor in the calculation to determine each member's annual service credit. That calculation is the responsibility of the New York State Comptroller's Office. The "Record of Activities" log book must be kept on file in the Clerk of the Board's Office for a period of ten (10) years following approval of the resolution. Furthermore, as newly elected officials become members of the retirement system, or if current elected officials join the system, they will be required to maintain a "Record of Activities" log for a period of three months. Once an individual completes their "Record of Activities," they will not be required to maintain a new one at the beginning of their next term of office.

This requirement also includes appointed employees. If these employees participate in the payroll time keeping system, they are not required to keep a "Record of Activities" log, but they must be included in the resolution. It may be necessary to pass an annual resolution listing these employees as new terms of employment begin, or as I receive individual time records throughout the year.

I therefore respectfully request that the Board of Legislators approve a resolution establishing the standard work day and reporting days for the New York State and Local Employees Retirement System for certain county officials whose term began January 1, 2012 at the February 13, 2012 meeting. I will provide the resolution as soon as all calculations are completed. Thank you in advance.

Sincerely,

Mikale P. Billard

PUBLIC WORKS

WAYS & MEANS

Honorable Members,

The Commissioner of Department of Public Works has notified me there is a need to establish a new Capital Project for the County Court House. This project will be used to help keep track of all the expenses being incurred at the County Court House due to the recent water damage incurred over the January 26th weekend. As you will recall, we had several days of extreme cold which resulted in some pipes breaking in the Court House upper floor. This break happened over the weekend and considerable damage was incurred as a result of the unimpeded water flow.

The establishment of the Capital Project will help streamline the reporting to the insurance company for reimbursement, unfortunately the County will sustain some cost due to the \$25,000 deductible and other costs which may not be covered by insurance.

I therefore request your Board's approval for the following:

- A.) Establishment of **Capital Project H-483 – County Court House – Water Damage**, and
- B.) Funding for Capital Project H – 483 as follows:

H – 483 - Other – Insurance Proceeds.....	\$	165,000.
H – 483 - Direct Appropriation from A – Fund	\$	35,000.

Thank you for the Board's kind attention to this request.

Very truly yours,

Honorable Members:

There is a need for additional funds in various salary and related personal services' accounts throughout the County for 2012. These transfer requirements have resulted from a variety of factors such as the settlement of the White and Blue Collar labor contracts in 2012 which resulted in the payment of retroactive wages to the employees covered by the agreements. The resulting payroll adjustments, as expected, caused budgetary shortages in many salary accounts, all of which are adequately covered by surpluses in other personal services' accounts.

Due to the need to close the 2012 accounting records, I ask that these transfers be acted upon at the **February 13th meeting**. I therefore request your Board approval for the following **2012** fund transfers:
