WAYS & MEANS

Dear Chairman Fiorini:

Please find attached a draft of an early retirement incentive proposal I want to offer to eligible employees of the County.

As you and I have discussed, the pandemic has had, and continues to have, catastrophic effects on our businesses, our citizens and our government. This plan will result in significant savings for the County during this critical time.

The Taylor Law requires that this be negotiated with our unions and approved by them. As such, I am requesting that the Board authorize me to present this to our union representatives for consideration and approval. Upon approval by the unions, I would return to the Board for approval of the plan by the Board.

As the timing on this is critical, I am requesting that a resolution authorizing me to present this plan to the unions be considered by the Board of Legislators on an expedited basis at the July 8, 2020 meeting. I will be present at the meeting to answer any questions the legislators may have.

Thank you for your consideration.

Very truly yours,

WAYS & MEANS

Dear County Executive Picente,

The Department of Emergency Services would like to enter into an agreement with Motorola Solutions, Inc. for equipment to add three additional simulcast sites to the County's emergency communications public safety radio system. This agreement will provide radio communications equipment for the Turning Stone, Annsville, and Floyd tower sites. This will enable us to continue to upgrade the County's emergency communications interoperable radio communications system.

This agreement will be a municipal lease-purchase agreement, payable in three (3) installments. The total cost of this agreement is \$1,349,000.00, which will be paid over three (3) years. The first payment is not due until March of 2021. This will allow us to budget appropriately for the coming years. Motorola has offered us a discount of \$162,000.00 if we issue a PO for the equipment by the end of July 2020.

If this agreement meets your approval, I respectfully request that you forward the same to the Board of Legislators for their approval.

If I can be of further assistance please contact me.

Sincerely,

WAYS & MEANS

Dear County Executive Picente:

Attached for your review and approval is correspondence from Colleen Fahy-Box, Commissioner of Social Services, requesting the reallocation of the title Assistant Director of Income Maintenance from grade 29W to grade 32W starting at \$48,497.

Commissioner Fahy-Box has made this request in order to align the organizational structure of the Income Maintenance Division. Titles in the Income Maintenance Division supervised by Assistant Director of Income Maintenance have been upgraded recently and because this position was vacant at the time, it did not follow suite. Consequently, Chief Social Welfare Examiner positions supervised by this title are currently at a higher grade of 30W.

If you concur with her request, please forward this letter to the Board of Legislators and ask that they reallocate the grade of Assistant Director of Income Maintenance from 29W to 32W starting at \$48,497.

**RE: Assistant Director of Income Maintenance
Request for Grade 32 Classification**

Dear Commissioner Johnson,

In January of this year a position within the Department was reclassified to the Assistant Director of Income Maintenance (Grade 29 W) and approved by the Board of Legislators. Mary Ellen Chainey was placed in this position on March 12, 2020. This title oversees the Social Welfare Examiner Civil Service series / positions which have been previously upgraded. As this position was vacant at the time of the upgrades it was inadvertently not approved for a higher pay grade. The Assistant Director of Income Maintenance directly supervises the positions of "Chief Social Welfare Examiner", currently a Grade 30 W. The Assistant Director reports to the Director of Income Maintenance which is currently a Grade 35 M. I am requesting this position be classified as a Grade 32 W to be in line with the organizational structure of the Income Maintenance division.

The Assistant Director is a critical administrative position within Income Maintenance that supervises the work of approximately 150 people with responsibility to manage public benefits to many vulnerable households. I respectfully request your consideration of this request and if in agreement forward to the Board of Legislators for approval. This will not require additional County Funds.

Please contact me if you have any questions or would like to discuss further.

PUBLIC WORKS

WAYS & MEANS

Dear County Executive Picente,

In connection with the operation of the former Broadacres campus, a gravity sewer line was installed and maintained by the County on its property, which was connected to sewers maintained within the Town of Deerfield as part of the Town's Sewer District. Two homes initially constructed as part of the Broadacres facility, located at 5769 and 5775 Broadacres Road (the properties"), are serviced by the aforementioned sewer line. The sewer line is now in a state of disrepair and has otherwise failed requiring immediate repair and remediation.

To address the emergency imposed by the failing sewer line, the Town has obtained an estimate to make repairs to the sewer line which includes a quote for the labor to install a force-main and approximately 200 feet of sewer line, and the installation of a Environmental One Duplex Station pump to be acquired using the State's bidding procedures, which construction will redirect the sewage to the Town's Sewer District's existing line on Walker Road. Total estimate cost of said repairs is \$25,000.00.

Recognizing the damaged line is located on County property but provides service to Town Sewer District residents, I recommend mutually sharing in the expense associated with the emergency repair and request approval of the enclosed agreement that will authorize Oneida County to reimburse the Town of Deerfield a total not-to-exceed \$12,500.00.

If you concur, please forward the enclosed agreement to the Oneida County Board of Legislators for consideration. Upon completion of the work, the County will draft an easement requiring the Town to maintain the sewer lines and pump, which will also be presented to the Board for its consideration.

Thank you for your continued support.

The SPONSOR shall indemnify the CONSULTANT, its subconsultants, subcontractors, and vendors against, and hold them harmless from, all claims, damages, losses, and expenses (including reasonable expert and attorneys' fees) arising out of or resulting from such reuse.

- G. As the CONSULTANT has no control over the cost of labor, materials, equipment or services furnished by others, or over the Project Contractor's method of determining prices, or over competitive bidding or market conditions, the CONSULTANT's opinions of probable Project Costs and Construction Costs, if required as part of the Scope of Services for the Project, are to be made on the basis of experience and qualifications and represent the CONSULTANT's best judgment as an experienced and qualified professional engineer, familiar with the construction industry; but the CONSULTANT cannot and does not guarantee that proposals, bids, or actual Project Costs or Construction Costs will not vary from opinions of probable cost prepared by the CONSULTANT.

For purposes of this schedule the term "Contractor" or "Consultant" shall refer to "Consultant" as that term is defined in the Agreement to which this schedule is attached.

ACCESS TO RECORDS AND REPORTS

The Contractor must maintain an acceptable cost accounting system. The Contractor agrees to provide the Sponsor, the Federal Aviation Administration, and the Comptroller General of the United States or any of their duly authorized representatives access to any books, documents, papers, and records of the contractor which are directly pertinent to the specific contract for the purpose of making audit, examination, excerpts and transcriptions. The Contractor agrees to maintain all books, records and reports required under this contract for a period of not less than three years after final payment is made and all pending matters are closed.

BREACH OF CONTRACT TERMS

Any violation or breach of terms of this contract on the part of the contractor or its subcontractors may result in the suspension or termination of this contract or such other action that may be necessary to enforce the rights of the parties of this agreement. Sponsor will provide Contractor written notice that describes the nature of the breach and corrective actions the Contractor must undertake in order to avoid termination of the contract. Sponsor reserves the right to withhold payments to Contractor until such time which the Contractor corrects the breach or the Sponsor elects to terminate the contract. The Sponsor's notice will identify a specific date by which the Contractor must correct the breach. Sponsor may proceed with termination of the contract if the Contractor fails to correct the breach by deadline indicated in the Sponsor's notice. The duties and obligations imposed by the Contract Documents and the rights and remedies available thereunder are in addition to, and not a limitation of, any duties, obligations, rights and remedies otherwise imposed or available by law.

GENERAL CIVIL RIGHTS PROVISIONS

This provision binds the contractors and sub-tier contractors from the bid solicitation period through the completion of the contract. This provision is in addition to that required of Title VI of the Civil Rights Act of 1964.

CIVIL RIGHTS - TITLE VI ASSURANCES,

The Sponsor in accordance with the provisions of Title VI of the Civil Rights Act of 1964 (78 Stat. 252, 42 U.S.C. §§ 2000d to 2000d-4) and the Regulations, hereby notifies all bidders that it will affirmatively ensure that any contract entered into pursuant to this advertisement, disadvantaged business enterprises will be afforded full and fair opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of race, color, or national origin in consideration for an award.

Compliance with Nondiscrimination Requirements

During the performance of this contract, the contractor, for itself, its assignees, and successors in interest (hereinafter referred to as the "contractor") agrees as follows:

1. **Compliance with Regulations:** The contractor (hereinafter includes consultants) will comply with the Title VI List of Pertinent Nondiscrimination Statutes and Authorities, as they may be amended from time to time, which are herein incorporated by reference and made a part of this contract.

The contractor will not participate directly or indirectly in the discrimination prohibited by the Acts and the Regulations, including employment practices when the contract covers any activity, project, or program set forth in Appendix B of 49 CFR part 21.

3. **Solicitations for Subcontracts, Including Procurements of Materials and Equipment:** In all solicitations, either by competitive bidding, or negotiation made by the contractor for work to be performed under a subcontract, including procurements of materials, or leases of equipment, each potential subcontractor or supplier will be notified by the contractor of the contractor's obligations under this contract and the Acts and the Regulations relative to Non-discrimination on the grounds of race, color, or national origin.
4. **Information and Reports:** The contractor will provide all information and reports required by the Acts, the Regulations, and directives issued pursuant thereto and will permit access to its books, records, accounts, other sources of information, and its facilities as may be determined by the sponsor or the Federal Aviation Administration to be pertinent to ascertain compliance with such Nondiscrimination Acts, and authorities and instructions. Where any information required of a contractor is in the exclusive possession of another who fails or refuses to furnish the information, the contractor will so certify to the sponsor or the Federal Aviation Administration, as appropriate, and will set forth what efforts it has made to obtain the information.
5. **Sanctions for Noncompliance:** In the event of a contractor's noncompliance with the Non-discrimination provisions of this contract, the sponsor will impose such contract sanctions as it or the Federal Aviation Administration may determine to be appropriate, including, but not limited to:
 - a. Withholding payments to the contractor under the contract until the contractor complies; and/or
 - b. Cancelling, terminating, or suspending a contract, in whole or in part.

CONTRACT WORKHOURS AND SAFETY STANDARDS ACT REQUIREMENTS

1. **Overtime Requirements.**
No contractor or subcontractor contracting for any part of the contract work which may require or involve the employment of laborers or mechanics shall require or permit any such laborer or mechanic, including watchmen and guards, in any workweek in which he or she is employed on such work to work in excess of forty hours in such workweek unless such laborer or mechanic receives compensation at a rate not less than one and one-half times the basic rate of pay for all hours worked in excess of forty hours in such workweek.
2. **Violation; Liability for Unpaid Wages; Liquidated Damages.**
In the event of any violation of the clause set forth in paragraph (1) above, the contractor and any subcontractor responsible therefor shall be liable for the unpaid wages. In addition, such contractor and subcontractor shall be liable to the United States (in the case of work done under contract for the District of Columbia or a territory, to such District or to such territory), for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of the clause set forth in paragraph 1 above, in the sum of \$10 for each calendar day on which such individual was required or permitted to work in excess of the standard workweek of forty hours without payment of the overtime wages required by the clause set forth in paragraph (1) above.
3. **Withholding for Unpaid Wages and Liquidated Damages.**
The Federal Aviation Administration or the Sponsor shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld, from any monies payable on account of work performed by the contractor or subcontractor under any such contract or any other Federal contract with the same prime contractor, or any other Federally-assisted contract subject to the Contract Work Hours and Safety Standards Act, which is held by the same prime contractor, such sums as may be determined to be necessary to satisfy any liabilities of such contractor or subcontractor for unpaid wages and liquidated damages as provided in the clause set forth in paragraph (2) above.
4. **Subcontractors.**
The contractor or subcontractor shall insert in any subcontracts the clauses set forth in paragraphs (1) through (4) and also a clause requiring the subcontractor to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for compliance by any subcontractor or lower tier subcontractor with the clauses set forth in paragraphs (1) through (4) of this section.

CERTIFICATION OF OFFERER/BIDDER REGARDING DEBARMENT

By submitting a bid/proposal under this solicitation, the bidder or offeror certifies that neither it nor its principals are presently debarred or suspended by any Federal department or agency from participation in this transaction.

CERTIFICATION OF LOWER TIER CONTRACTORS REGARDING DEBARMENT

The successful bidder, by administering each lower tier subcontract that exceeds \$25,000 as a "covered transaction", must verify each lower tier participant of a "covered transaction" under the project is not presently debarred or otherwise disqualified from participation in this federally assisted project. The successful bidder will accomplish this by:

1. Checking the System for Award Management at website: <http://www.sam.gov>
2. Collecting a certification statement similar to the Certificate Regarding Debarment and Suspension (Bidder or Offeror), above.

3. Inserting a clause or condition in the covered transaction with the lower tier contract

If the FAA later determines that a lower tier participant failed to disclose to a higher tier participant that it was excluded or disqualified at the time it entered the covered transaction, the FAA may pursue any available remedies, including suspension and debarment of the non-compliant participant.

DISADVANTAGED BUSINESS ENTERPRISES

Contract Assurance (§ 26.13) - The contractor or subcontractor shall not discriminate on the basis of race, color, national origin, or sex in the performance of this contract. The contractor shall carry out applicable requirements of 49 CFR Part 26 in the award and administration of DOT assisted contracts. Failure by the contractor to carry out these requirements is a material breach of this contract, which may result in the termination of this contract or such other remedy, as the recipient deems appropriate, which may include, but is not limited to:

- 1) Withholding monthly progress payments;
- 2) Assessing sanctions
- 3) Liquidated damages; and/or
- 4) Disqualifying the Contractor from future bidding as non-responsible.

Prompt Payment (§26.29) - The prime contractor agrees to pay each subcontractor under this prime contract for satisfactory performance of its contract no later than ten days from the receipt of each payment the prime contractor receives from Sponsor. The prime contractor agrees further to return retainage payments to each subcontractor within 10 days after the subcontractor's work is satisfactorily completed. Any delay or postponement of payment from the above referenced time frame may occur only for good cause following written approval of the Sponsor. This clause applies to both DBB and non-DBE subcontractors.

The requirements of 49 CFR part 26 apply to this contract. It is the policy of the Sponsor to practice nondiscrimination based on race, color, sex or national origin in the award or performance of this contract. Also, the Tenant hereby agrees that the rent to be

unusable by such damage. If the Demised Premises are rendered unusable as determined by Rome City Fire or Codes personnel and Landlord elects to repair the same, the Rent shall abate for the period during which such repairs are being made, provided the damage was not caused by the acts or omissions of Tenant or Tenant's employees, agents or invitees. If Tenant or Tenant's employees, agents, or invitees caused such damage, the Rent shall not abate. Furthermore, Tenant shall notify Landlord, in writing, of any incident or occurrence which results in environmental damage within twenty-four (24) hours after such incident or occurrence or following the discovery of same.

b. The environmental indemnification provisions of this paragraph shall survive the expiration or termination of the Lease.

10. Obligations of Landlord. Landlord will maintain the structural components of the Demised Premises, including hangar doors and hangar door mechanisms, and Landlord will provide normal building maintenance without additional cost to Tenant. Tenant shall have at all times the reasonable right of ingress to and egress from the Demised Premises over and across the Landlord's adjoining premises, in common with others. To ensure this right, Landlord shall make all reasonable efforts to keep areas adjacent to the Demised Premises free and clear of all hazards and obstructions, natural or man-made.

Tenant shall be responsible for all damage to property, real or personal, located on or about the Demised Premises caused by the use or negligence of Tenant, or Tenant's agents, employees, or invitees. Landlord reserves the right to make such repairs, at Tenant's expense, which shall be deemed "additional rent" and shall become due and payable as part of Tenant's next monthly Rent payment. Tenant shall make no structural, electrical, or other modification to the Demised Premises without first obtaining Landlord's written permission and obtaining any permits, if required.

d. **Tenant's Personal Property.** All personal property placed or moved into the Demised Premises shall be at the risk of Tenant or owner thereof, and Landlord shall not be liable for any damage to personal property, or to Tenant, arising from any act of negligence of any other tenant or occupant at the Airport. If Tenant fails to remove such items from the Demised Premises and to repair such damage upon vacating the premises, then Landlord may remove the items and repair the damages, and Tenant shall promptly pay the costs and expenses of such removal and repairs upon proper demand by Landlord.

h. **Compliance with All Resolutions, Rules, Regulations, and Standards.** Tenant acknowledges that Landlord operates an airport, and resolutions, rules, regulations, and standards must be adopted by Landlord and modified from time to time in order to promote the orderly operation and development of the Airport. Therefore, Tenant agrees to be bound by all terms and provisions of any resolutions, rules, regulations, and standards that may from time to time be adopted by Landlord, provided that such resolutions, rules, regulations, and standards do not increase the Rent to be paid by Tenant. The parties agree that Tenant's use of the Demised Premises and any rights conferred to Tenant in this Lease Agreement shall be subject to Landlord's minimum standards, as amended from time to time, Tenant shall be given advance notice of any proposed change or addition to such rules, regulations, and standards, and Tenant shall be given an opportunity to be heard thereon. All the terms, conditions, and covenants of this Lease Agreement shall inure to the benefit of and shall be binding upon the successors and assigns of the parties.

i. **Signs.** Tenant shall not erect or post any signs without the Landlord's written permission.

j. **Covenant of Continuous Operations and Not to Abandon or Vacate.** Tenant hereby covenants that during the Term, the Tenant will continue its operations for the entire length of the Lease and not cease operations, and further covenants not to abandon, to continuously occupy, and not to vacate the Demised Premises prior to the expiration of the Term without a Surrender Agreement with the Landlord in place. Abandonment and/or vacation of the Demised Premises shall be defined to include but not be limited to the cessation of operations, or abandonment of Tenant-owned or third party-owned property at the Demised Premises unattended, or removal of substantial portions of Tenant's property from the Demised Premises, other than in the normal course of Tenant's business. The Tenant acknowledges that any failure to so continuously operate, and/or any abandonment or vacation of the Demised Premises will entitle the Landlord to obtain an injunction or order compelling the Tenant to continuously operate its business in the Demised Premises and/or return to its business in the Demised Premises, and the Tenant hereby consents to such injunction or order, in addition to any other remedies to which the Landlord may be entitled at law or in equity, including monetary damages related to any premature cessation of operations which causes expense to the Landlord, including but not limited to such matters as environmental remediation, cleaning of premises or removal of debris left by the Tenant prior to completion of the Term.

k. **Personnel Badging Requirement.** Tenant acknowledges that any personnel employed, contracted, visiting or conducting business with the Tenant that require airport movement area access require the appropriate badging or badged escort for entry onto the movement area. Badging of personnel must be coordinated through the Oneida County Department of Aviation Administrative offices. There is a fee for the badging process, and payment of said fee is the sole responsibility of the Tenant separate and apart from payment under this Lease Agreement.

12. **Nondiscrimination.** Notwithstanding any other provision of this Lease Agreement, during the Term of this Lease Agreement, Tenant for itself, its heirs, personal representatives, successors in interest, and/or assigns, as the case may be, as part of the consideration for this Lease Agreement, does hereby covenant and agree that:

a. No person shall be excluded from participation in, denied the benefits of, or otherwise be subjected to discrimination in the use of the Demised Premises on the grounds of race, color, religion, sex, disability, age, national origin or other protected class.

b. In the construction of any improvements on, over, or under the Demised Premises, and the furnishing of services therein or thereon, no person shall be excluded from participation in, denied the benefits of, or otherwise be subjected to discrimination on the grounds of race, color, religion, sex, disability, age, national origin or other protected class.

c. Tenant shall use the Demised Premises in compliance with all other requirements imposed by or pursuant to Title 49, Code of Federal Regulations, Department of Transportation, Subtitle A, Office of the Secretary, Part 21, Nondiscrimination in Federally-Assisted Programs of the Department of Transportation - Effectuation of Title VI of the Civil Rights Act of 1964, and as such regulations may be amended.

d. In the event of breach of any of the above nondiscrimination covenants, Landlord shall have the right to terminate this Lease Agreement and to reenter and repossess the Demised Premises and hold the premises as if this Lease Agreement had never been made or issued. The provision does not become effective until the procedures of Title 49, Code of Federal Regulations, Part 21, have been followed and completed, including the exercise or expiration of appeal rights.

13. Reservation of Rights by Landlord.

a. **Development.** Landlord reserves the right to further develop and improve the Airport as Landlord sees fit, without interference or hindrance, but taking into consideration the desires and views of Tenant, and for purposes of developing and improving the Airport, Landlord reserves the right upon reasonable notice to enter upon the Demised Premises and make improvements to same. Landlord shall make every effort to minimize the disruption of normal Airport usage during periods of repair or further development of the Airport.

b. **Relocation.** Landlord reserves the right upon thirty (30) days written notice to relocate Tenant to a similar size facility in other areas of the Airport at Landlord's sole expense.

c. **National Emergency.** Landlord further reserves the right, during time of war or national emergency, to lease the landing area or common areas of the Airport to the United States Government or the State of New York for military use or for natural disaster relief operations, and if such a lease is executed with the federal or state government, the terms of this Lease Agreement which are inconsistent with the lease to the government shall be temporarily suspended and rent shall be abated accordingly during the tenancy by the government.

14. Right of Access and Inspection.

a. Landlord will retain a key for access to the Demised Premises. Tenant will not change locks without prior notice and agreement of Landlord.

b. Landlord shall have the right to make reasonable inspections of the Demised Premises between the hours of 8:00 a.m. and 5:00 p.m. on weekdays, exclusive of federal holidays. Landlord shall have the right at any other time to enter the Demised Premises for security, fire, other emergencies, or making repairs.

15. **Assurance Agreements.** This Lease Agreement is subordinate to the provisions of any and all existing and future agreements between the Landlord and the State of New York or the United States of America relative to the operation, maintenance, or development of the Airport, the execution of which may be required as a condition precedent to the expenditure of funds for the development of the Airport, or any part thereof.

16. **Federal Aviation Administration Requirements.** In the event that the Federal Aviation Administration (FAA) or its successors require modification or change in this Lease Agreement as a condition precedent to (1) the granting of funds for the improvement of the Airport, or (2) as a condition precedent to compliance with FAA regulations or standards, Tenant agrees to consent to such amendments, modifications, or changes to this Lease Agreement as may be reasonably required to either obtain such funds or comply with such regulations or standards. However, in no event shall Tenant be required pursuant to this paragraph to agree to a reduction in size of the Demised Premises, or a change in the authorized use to which Tenant has put the Demised Premises without an adjustment in Rent.

17. **Airspace.** As a condition of this Lease Agreement, Landlord reserves unto itself, its successors, and assigns, for use and benefit of the public, a right of flight for the passage of aircraft in the airspace above the surface of the Demised Premises, together with the right to cause in the airspace such noise as may be inherent in the operation of aircraft, now known or hereafter used, for navigation of or flight in the airspace, and for use of the airspace for landing on, taking off from, or operating on the Airport. Tenant expressly agrees for itself, its successors and assigns, to restrict the height of structures, objects of natural growth and other obstructions on the Demised Premises to such a height in compliance with Federal Aviation Regulations, Part 77. Tenant agrees for itself, its successors and assigns, to prevent any use of the Demised Premises which would interfere with or adversely affect the operation or maintenance of the Airport, or otherwise constitute an airport hazard.

18. **No Grant of Exclusive Right or Privilege.** Notwithstanding anything contained in this Lease Agreement that may be, or may appear to be, to the contrary, it is expressly understood and agreed that the rights granted under this Lease Agreement are non-exclusive, and Landlord reserves the right to grant similar privileges to another tenant or other tenants on other parts of the Airport. Nothing in this Lease Agreement shall be construed as granting an exclusive right or privilege other than the right of Tenant to possess and to peacefully enjoy the use of the Demised Premises in accordance with this Lease Agreement.

19. Sublease.

a. Tenant shall not enter into any sub-agreement or sub-lease of the Demised Premises or assign its rights under this Lease Agreement without prior written approval of Landlord. Tenant shall not either voluntarily, or by operation of law, assign, or transfer the leasehold interest granted by this Lease Agreement or any interest therein, and shall not sublet the Demised Premises or any part thereof, or any right or privilege appurtenant thereto, nor allow the sale or transfer of a majority interest or majority ownership of Tenant, without first obtaining the written consent of the Landlord. The consent to one assignment or subletting shall not be deemed to be consent to any subsequent assignment, subletting, or encumbrance. Any such subsequent assignment or subletting shall be void, and shall, at the option of Landlord, constitute a default of this Lease Agreement.

b. Regardless of Landlord's consent, no subletting or assignment shall release Tenant or Guarantor, if any, from any obligations and/or liabilities of Tenant or Guarantor, if any, to pay the Rent and to perform all other obligations required of Tenant by this Lease Agreement. The acceptance of the Rent by Landlord from any other person shall not be deemed to be a waiver by Landlord of any provision of this Lease Agreement. In the event of a default by any assignee or subtenant of Tenant in the performance of any of the terms of this Lease Agreement, Landlord may proceed directly against Tenant without the necessity of exhausting remedies against an assignee or subtenant.

20. **Condition of Premises.** Tenant shall accept, and has accepted, the Demised Premises in its present condition, AS IS, without any liability or obligation on the part of either Landlord or Tenant to make any alterations, improvements or repairs of any kind on or about the Demised Premises.

21. **Disclaimer of Warranty and Responsibility for Securing Aircraft.** Tenant accepts all facilities on the Premises on an "as is" basis. Landlord hereby disclaims, and Tenant accepts such disclaimer, of any warranty, either express or implied of the condition, use, or fitness of the tie-down rings, ropes, chains, or other apparatus used to secure airplanes, and Tenant assumes full responsibility to furnish any equipment necessary to properly secure Tenant's aircraft. Tenant agrees and understands that Tenant is responsible for the proper tie down or securing of aircraft inside or outside of the Demised Premises and shall further indemnify and hold harmless the Landlord for any damage or liability caused by improper tie down or securing. Landlord shall not be liable for any loss from theft, vandalism or act of God, and all aircraft are stored or parked on the Demised Premises or Airport at Tenant's sole risk.

22. Alterations; Liens.

a. Tenant covenants and agrees not to install any fixtures or make any alterations, additions or improvements to the Demised Premises without the prior written approval of Landlord. All fixtures installed or additions and improvements made to the Demised Premises shall become Landlord's property and shall, at the election of the Landlord, remain in the Demised Premises at the expiration or termination of this Lease Agreement without compensation or payment to Tenant. Tenant shall not suffer or permit any lien to be filed against the Demised Premises or any part of Landlord's interest, by reason of work, labor, services or materials performed or supplied to Tenant or anyone holding the Demised Premises or any part thereof under Tenant. If any such lien is filed against the Demised Premises or Landlord's interest, Tenant shall cause the same to be discharged of record within thirty (30) days after the date of filing the same, and shall incur all charges in procuring the release of such lien.

b. Tenant agrees to pay all lawful and valid liens affecting Landlord's fee title to the Leasehold Premises placed against Tenant by its contractors, subcontractors, mechanics, laborers, material men, and other items of like character, and indemnify Landlord against all expenses, costs and charges, including bond premiums for release of liens and reasonable attorneys' fees incurred in the defense of any suit in discharging the Demised Premises or any part thereof from any such liens, or lawful and valid judgments, or encumbrances caused by Tenant.

c. Tenant shall not have any authority to create any liens for labor or material in the Rent interest owned by Landlord or Landlord's interest in the Demised Premises by any persons contracting with Tenant for the

destruction or removal of any facilities or other improvements or for the construction, erection, installation, alteration, or repair of any facilities or other improvements on or about the Demised Premises. All materialmen, contractors, subcontractors, mechanics, and laborers, are hereby charged with notice that they must look only to Tenant and to Tenant's interests in the property in the Demised Premises to secure the payment of any bill for work done or materials furnished at the request or instruction of Tenant.

23. Events of Default by Tenant. The occurrence of any of the following shall constitute an event of default under this Lease Agreement:

a. Tenant fails to pay any part or all the money due Landlord under this Lease Agreement, and such non-payment continues for a period of thirty (30) days after written notice;

b. Tenant fails to perform or breaches any term, covenant, or provision of this Lease Agreement, and such non-performance or breach is not cured within thirty (30) days after written notice of the default from Landlord is delivered to Tenant;

c. Tenant is the subject a voluntary or involuntary petition for bankruptcy protection (including a petition for reorganization or an agreement), Tenant makes a general or other assignment for the benefit of creditors, or Tenant's assets or operations become subject to the control of a court-appointed receiver;

d. Landlord determines that Tenant is not in compliance with the terms of this Lease Agreement on a routine or consistent basis.

e. The failure of Tenant to comply with any terms or conditions of the Lease or to the General Terms and Conditions set forth herein shall be considered a material breach and default of this Lease Agreement.

24. Remedies on Default by Tenant. In the event of any default of this Lease Agreement by Tenant, Landlord shall have the right, at its earliest option, to pursue any one or more of the following remedies, in addition or in place of the remedies otherwise provided herein or by statute, without notice and demand whatsoever to Tenant or Guarantor, if any:

a. Landlord shall have the right to terminate this Lease Agreement and to enter upon and take possession of the Demised Premises and to remove the aircraft and any other property of Tenant from the Demised Premises without being deemed guilty of trespass, breach of peace or forcible entry and detainer and without prejudice to any other remedy for possession or arrearage in Rent, and Tenant expressly waives the service of any notice. Tenant agrees to pay Landlord on demand the amount of all loss or damage which Landlord may suffer by reason of such termination, including the expenses of retaking, re-renting the Demised Premises, and loss of Rent through the inability to re-let the Demised Premises.

b. Landlord shall have the right to enter upon and take possession of the Demised Premises, and re-let the Demised Premises and receive the Rents therefore without thereby terminating or avoiding this Lease Agreement. Tenant agrees to pay Landlord on the due date of each month thereafter sums equivalent to the monthly Rent payable under this Lease Agreement, less the avails of re-letting, if any.

c. Exercise by Landlord of either or both of the rights specified above shall not prejudice Landlord's right to pursue any other legal remedy available to Landlord in law or equity, including, but not limited to, court costs and attorneys' fees for bringing legal action against Tenant. All of the foregoing rights, remedies, powers, and elections of Landlord are cumulative, and pursuit of any of the foregoing shall not preclude other remedies provided by law, nor shall such pursuit constitute a forfeiture or waiver of any rent due to Landlord or of any damages occurring to Landlord by reason of the violation of any of the provisions of this Lease Agreement. Forbearance by Landlord to enforce one or more of the remedies upon an event of default shall not be deemed or construed to constitute a waiver of such default.

d. Tenant agrees that no assent, express or implied, by Landlord to any breach of this Lease Agreement by Tenant shall be deemed to be a waiver of any succeeding breach by Tenant.

e. All sums due under this Lease Agreement shall be paid by Tenant to Landlord without any setoff or counterclaim whatsoever and all past due sums shall bear interest at the maximum legal rate per annum. The subsequent acceptance of Rents under this Lease Agreement by Landlord shall not be deemed to be a waiver of any preceding default by Tenant of any term, covenant or condition of this Lease Agreement, other than the failure to pay the particular Rents so accepted, regardless of Landlord's knowledge of such preceding default at the time of accepting the Rents.

25. Landlord's Lien. Tenant hereby gives and grants to Landlord a lien upon, and pledges as collateral to the Landlord in case of default, all fixtures, chattels and personal property of every kind and description now or hereafter to be placed, installed, or stored by Tenant at the Airport, and Tenant agrees that in the event of any failure

on the part of Tenant to comply with each and every one of the covenants and obligations hereof, or in the event of any default continuing for sixty (60) days of any specified rent, Landlord may take possession of and sell the same in any manner provided by law and may credit the net proceeds upon an indebtedness due, or damage sustained by Landlord without prejudice to further claims thereafter to arise under the terms of this Lease Agreement.

26. **Notices.** All notices to the parties shall be sent or delivered to that party at the address first written for that party in this Lease Agreement, or at such other address as may, from time to time, be designated by such party. All notices shall be in writing and shall be either personally to the other party in hand with proof of delivery or by certified mail, return receipt requested, and postage prepaid. Notices sent or delivered by mail in accordance with this paragraph shall be deemed to have been given five (5) business days after the date of mailing, and all other notices delivered by any other means with proof of delivery, such as hand delivery or express delivery, shall be deemed to have been given when received.

27. **Miscellaneous Provisions.**

a. **Successors Bound.** This Lease Agreement shall not be effective or binding on any party until fully executed. All of the covenants, conditions and obligations of this Lease Agreement shall be binding upon and inure to the benefit of the respective heirs, administrators, successors, and assigns of the parties, as the case may be.

b. **Joinder by Guarantor; Personal Guarantee.** By joining in the execution of this Lease Agreement, Guarantor, if any, hereby unconditionally guarantees performance of each and every obligation of Tenant created in this Lease Agreement. Guarantor waives any requirement of notice of non-payment or non-performance, proof, or demand, as a condition for liability by Guarantor. Guarantor expressly agrees that the validity of this Lease Agreement and the obligations of this personal guarantee shall in no way be terminated, affected, or impaired by reason of assertion by Landlord against Tenant of any of the rights or remedies reserved to Landlord pursuant to the provisions of this Lease Agreement, or by Landlord granting any indulgence or giving of additional time to Tenant for the performance of any of the obligations of this Lease Agreement. This personal guarantee shall remain in full force and effect as to any amendment, modification, renewal, extension, or otherwise, of this Lease Agreement. Landlord need not pursue any remedies against Tenant before enforcing this personal guarantee against Guarantor. If there is more than one person or entity signing this Lease Agreement as Guarantor, the obligations imposed by this Lease Agreement on Guarantor shall be joint and several.

c. **Construction of Agreement.** Words of any gender used in this Lease Agreement shall be construed to include any other gender, and words in singular number shall be held to include the plural, and vice versa, when the sense requires. The headings or captions for paragraphs or subparagraphs in this Lease Agreement are for convenience only and are not a part of this Lease Agreement and do not in any way limit or expand the terms and provisions of this Lease Agreement.

d. **Judicial Interpretation.** If any provision of this Lease Agreement becomes subject to judicial interpretation, it is agreed that the court interpreting or considering such provision will not apply the presumption or rule of construction that the terms of this Lease Agreement be more strictly construed against the party which itself or through its counsel prepared the same, because all parties have participated in the preparation of the final form of this Lease Agreement through review and negotiation of terms, and therefore, the application of such presumption or rule of construction would be inappropriate and contrary to the intent of the parties.

e. **Severability.** In the event that any provision of this Lease Agreement is determined to be invalid, illegal, or unenforceable for any reason, then the parties shall negotiate in good faith and agree on such amendments or modifications to this Lease Agreement, or such other appropriate actions, that will to the maximum extent practicable in light of such determination, give effect to the intentions of the parties as reflected in this Lease Agreement, and all other provisions of this Lease Agreement, as amended, modified, or otherwise, shall remain in full force and effect, but if, after good faith negotiations, the parties fail to reach an agreement regarding the invalid, illegal, or unenforceable provisions, then the parties agree that such provisions shall be severed from this Lease Agreement and such severance shall not invalidate any other provision of this Lease Agreement or this Lease Agreement itself.

f. **Joint Obligations.** If there is more than one person or entity signing this Lease Agreement as Tenant, the obligations imposed by this Lease Agreement on Tenant shall be joint and several.

g. **Entire Agreement.** This Lease Agreement contains the entire agreement between the parties, and no prior or independent agreements or understandings between the parties pertaining to the renting of the Demised Premises shall be effective for any purpose. Tenant acknowledges that any representations, statements, or negotiations made by Landlord or by any of Landlord's staff, employees, counsel, or any other agent, do not suffice

to legally bind Landlord, unless such representations have been reduced to writing and fully executed by all of the parties.

h. **Written Modifications.** No provision of this Lease Agreement may be changed or modified except by an agreement in writing executed by all of the parties or their successors in interest with the same formality as the original agreement.

i. **Venue; Law.** Venue for all court proceedings to enforce or interpret this Lease Agreement or determine the liabilities and obligations of the parties shall be in Oneida County, New York, and such proceedings shall be governed by the laws of the State of New York.

j. **Subordination.** Upon request of Landlord, Tenant will in writing subordinate Tenant's rights under this Lease Agreement to the lien of any mortgage or deed of trust, to any lender, bank, insurance company or lending institution, or the requirements of any grant for funding that may be sought by Landlord.

k. **Relationship of Parties.** Tenant shall never at any time during the term of this Lease Agreement become the agent of Landlord, and Landlord shall not be responsible for the acts or omissions of Tenant or Tenant's agents. Nothing in this Lease Agreement shall be deemed or construed to create the relationship of principal and agent or of partnership or of joint venture or of any association between the parties other than the relationship of landlord and tenant.

l. **Attorneys' Fees.** It is understood and agreed between the parties hereto that in the event of any litigation between the parties, the prevailing party shall be entitled to recover reasonable attorneys' fees and court costs from the losing party.

m. **Recording.** This Lease Agreement shall not be recorded in the public records.

SPECIAL CONDITIONS

1. Requirements of the award; remedies for non-compliance or for materially false statements

The conditions of this award are material requirements of the award. Compliance with any assurances or certifications submitted by or on behalf of the recipient that relate to conduct during the period of performance also is a material requirement of this award.

Limited Exceptions. In certain special circumstances, the U.S. Department of Justice ("DOJ") may determine that it will not enforce, or enforce only in part, one or more requirements otherwise applicable to the award. Any such exceptions regarding enforcement, including any such exceptions made during the period of performance, are (or will be during the period of performance) set out through the Office of Justice Programs ("OJP") webpage entitled "Legal Notices: Special circumstances as to particular award conditions" (ojp.gov/funding/Explore/LegalNotices-AwardReqs.htm), and incorporated by reference into the award.

By signing and accepting this award on behalf of the recipient, the authorized recipient official accepts all material requirements of the award, and specifically adopts, as if personally executed by the authorized recipient official, all assurances or certifications submitted by or on behalf of the recipient that relate to conduct during the period of performance.

Failure to comply with one or more award requirements -- whether a condition set out in full below, a condition incorporated by reference below, or an assurance or certification related to conduct during the award period -- may result in OJP taking appropriate action with respect to the recipient and the award. Among other things, the OJP may withhold award funds, disallow costs, or suspend or terminate the award. DOJ, including OJP, also may take other legal action as appropriate.

Any materially false, fictitious, or fraudulent statement to the federal government related to this award (or concealment or omission of a material fact) may be the subject of criminal prosecution (including under 18 U.S.C. 1001 and/or 1621, and/or 34 U.S.C. 10271-10273), and also may lead to imposition of civil penalties and administrative remedies for false claims or otherwise (including under 31 U.S.C. 3729-3730 and 3801-3812).

Should any provision of a requirement of this award be held to be invalid or unenforceable by its terms, that provision shall first be applied with a limited construction so as to give it the maximum effect permitted by law. Should it be held, instead, that the provision is utterly invalid or -unenforceable, such provision shall be deemed severable from this award.

SPECIAL CONDITIONS

2. Applicability of Part 200 Uniform Requirements

The Uniform Administrative Requirements, Cost Principles, and Audit Requirements in 2 C.F.R. Part 200, as adopted and supplemented by DOJ in 2 C.F.R. Part 2800 (together, the "Part 200 Uniform Requirements") apply to this FY 2020 award from OJP.

The Part 200 Uniform Requirements were first adopted by DOJ on December 26, 2014. If this FY 2020 award supplements funds previously awarded by OJP under the same award number (e.g., funds awarded during or before December 2014), the Part 200 Uniform Requirements apply with respect to all funds under that award number (regardless of the award date, and regardless of whether derived from the initial award or a supplemental award) that are obligated on or after the acceptance date of this FY 2020 award.

For more information and resources on the Part 200 Uniform Requirements as they relate to OJP awards and subawards ("subgrants"), see the OJP website at <https://ojp.gov/funding/Part200UniformRequirements.htm>.

Record retention and access: Records pertinent to the award that the recipient (and any subrecipient ("subgrantee") at any tier) must retain -- typically for a period of 3 years from the date of submission of the final expenditure report (SF 425), unless a different retention period applies -- and to which the recipient (and any subrecipient ("subgrantee") at any tier) must provide access, include performance measurement information, in addition to the financial records, supporting documents, statistical records, and other pertinent records indicated at 2 C.F.R. 200.333.

In the event that an award-related question arises from documents or other materials prepared or distributed by OJP that may appear to conflict with, or differ in some way from, the provisions of the Part 200 Uniform Requirements, the recipient is to contact OJP promptly for clarification.

3. Compliance with DOJ Grants Financial Guide

References to the DOJ Grants Financial Guide are to the DOJ Grants Financial Guide as posted on the OJP website (currently, the "DOJ Grants Financial Guide" available at <https://ojp.gov/financialguide/DOJ/index.htm>), including any updated version that may be posted during the period of performance. The recipient agrees to comply with the DOJ Grants Financial Guide.

4. Reclassification of various statutory provisions to a new Title 34 of the United States Code

On September 1, 2017, various statutory provisions previously codified elsewhere in the U.S. Code were editorially reclassified (that is, moved and renumbered) to a new Title 34, entitled "Crime Control and Law Enforcement." The reclassification encompassed a number of statutory provisions pertinent to OJP awards (that is, OJP grants and cooperative agreements), including many provisions previously codified in Title 42 of the U.S. Code.

Effective as of September 1, 2017, any reference in this award document to a statutory provision that has been reclassified to the new Title 34 of the U.S. Code is to be read as a reference to that statutory provision as reclassified to Title 34. This rule of construction specifically includes references set out in award conditions, references set out in material incorporated by reference through award conditions, and references set out in other award requirements.

5. Required training for Point of Contact and all Financial Points of Contact

Both the Point of Contact (POC) and all Financial Points of Contact (FPOCs) for this award must have successfully completed an "OJP financial management and grant administration training" by 120 days after the date of the recipient's acceptance of the award. Successful completion of such a training on or after January 1, 2018, will satisfy this condition.

In the event that either the POC or an FPOC for this award changes during the period of performance, the new POC or FPOC must have successfully completed an "OJP financial management and grant administration training" by 120 calendar days after -- (1) the date of OJP's approval of the "Change Grantee Contact" GAN (in the case of a new POC), or (2) the date the POC enters information on the new FPOC in GMS (in the case of a new FPOC). Successful completion of such a training on or after January 1, 2018, will satisfy this condition.

A list of OJP trainings that OJP will consider "OJP financial management and grant administration training" for purposes of this condition is available at <https://www.ojp.gov/training/fmts.htm>. All trainings that satisfy this condition include a session on grant fraud prevention and detection.

The recipient should anticipate that OJP will immediately withhold ("freeze") award funds if the recipient fails to comply with this condition. The recipient's failure to comply also may lead OJP to impose additional appropriate conditions on this award.

6. Requirements related to "de minimis" indirect cost rate

A recipient that is eligible under the Part 200 Uniform Requirements and other applicable law to use the "de minimis" indirect cost rate described in 2 C.F.R. 200.414(f), and that elects to use the "de minimis" indirect cost rate, must advise OJP in writing of both its eligibility and its election, and must comply with all associated requirements in the Part 200 Uniform Requirements. The "de minimis" rate may be applied only to modified total direct costs (MTDC) as defined by the Part 200 Uniform Requirements.

7. Requirement to report potentially duplicative funding

If the recipient currently has other active awards of federal funds, or if the recipient receives any other award of federal funds during the period of performance for this award, the recipient promptly must determine whether funds from any of those other federal awards have been, are being, or are to be used (in whole or in part) for one or more of the identical cost items for which funds are provided under this award. If so, the recipient must promptly notify the DOJ awarding agency (OJP or OVW, as appropriate) in writing of the potential duplication, and, if so requested by the DOJ awarding agency, must seek a budget-modification or change-of-project-scope grant adjustment notice (GAN) to eliminate any inappropriate duplication of funding.

The recipient must comply with applicable requirements regarding the System for Award Management (SAM), currently accessible at <https://www.sam.gov/>. This includes applicable requirements regarding registration with SAM, as well as maintaining the currency of information in SAM.

The recipient also must comply with applicable restrictions on subawards ("subgrants") to first-tier subrecipients (first-tier "subgrantees"), including restrictions on subawards to entities that do not acquire and provide (to the recipient) the unique entity identifier required for SAM registration.

The details of the recipient's obligations related to SAM and to unique entity identifiers are posted on the OJP web site at <https://ojp.gov/funding/Explore/SAM.htm> (Award condition: System for Award Management (SAM) and Universal Identifier Requirements), and are incorporated by reference here.

9. Employment eligibility verification for hiring under the award

1. The recipient (and any subrecipient at any tier) must--

A. Ensure that, as part of the hiring process for any position within the United States that is or will be funded (in whole or in part) with award funds, the recipient (or any subrecipient) properly verifies the employment eligibility of the individual who is being hired, consistent with the provisions of 8 U.S.C. 1324a(a)(1) and (2).

B. Notify all persons associated with the recipient (or any subrecipient) who are or will be involved in activities under this award of both--

(1) this award requirement for verification of employment eligibility, and

(2) the associated provisions in 8 U.S.C. 1324a(a)(1) and (2) that, generally speaking, make it unlawful, in the United States, to hire (or recruit for employment) certain aliens.

C. Provide training (to the extent necessary) to those persons required by this condition to be notified of the award requirement for employment eligibility verification and of the associated provisions of 8 U.S.C. 1324a(a)(1) and (2).

D. As part of the recordkeeping for the award (including pursuant to the Part 200 Uniform Requirements), maintain records of all employment eligibility verifications pertinent to compliance with this award condition in accordance with Form I-9 record retention requirements, as well as records of all pertinent notifications and trainings.

2. Monitoring

The recipient's monitoring responsibilities include monitoring of subrecipient compliance with this condition.

3. Allowable costs

To the extent that such costs are not reimbursed under any other federal program, award funds may be obligated for the reasonable, necessary, and allocable costs (if any) of actions designed to ensure compliance with this condition.

4. Rules of construction

A. Staff involved in the hiring process

For purposes of this condition, persons "who are or will be involved in activities under this award" specifically includes (without limitation) any and all recipient (or any subrecipient) officials or other staff who are or will be involved in the hiring process with respect to a position that is or will be funded (in whole or in part) with award funds.

B. Employment eligibility confirmation with E-Verify

For purposes of satisfying the requirement of this condition regarding verification of employment eligibility, the recipient (or any subrecipient) may choose to participate in, and use, E-Verify (www.e-verify.gov), provided an appropriate person authorized to act on behalf of the recipient (or subrecipient) uses E-Verify (and follows the proper E-Verify procedures, including in the event of a "Tentative Nonconfirmation" or a "Final Nonconfirmation") to confirm employment eligibility for each hiring for a position in the United States that is or will be funded (in whole or in part) with award funds.

C. "United States" specifically includes the District of Columbia, Puerto Rico, Guam, the Virgin Islands of the United States, and the Commonwealth of the Northern Mariana Islands.

E. Nothing in this condition, including in paragraph 4.B., shall be understood to relieve any recipient, any subrecipient at any tier, or any person or other entity, of any obligation otherwise imposed by law, including 8 U.S.C. 1324a(a)(1) and (2).

Questions about E-Verify should be directed to DHS. For more information about E-Verify visit the E-Verify website (<https://www.e-verify.gov/>) or email E-Verify at E-Verify@dhs.gov. E-Verify employer agents can email E-Verify at E-VerifyEmployerAgent@dhs.gov.

Questions about the meaning or scope of this condition should be directed to OJP, before award acceptance.

10. Requirement to report actual or imminent breach of personally identifiable information (PII)

The recipient (and any "subrecipient" at any tier) must have written procedures in place to respond in the event of an actual or imminent "breach" (OMB M-17-12) if it (or a subrecipient) -- (1) creates, collects, uses, processes, stores, maintains, disseminates, discloses, or disposes of "personally identifiable information (PII)" (2 CFR 200.79) within the scope of an OJP grant-funded program or activity, or (2) uses or operates a "Federal information system" (OMB Circular A-130). The recipient's breach procedures must include a requirement to report actual or imminent breach of PII to an OJP Program Manager no later than 24 hours after an occurrence of an actual breach, or the detection of an imminent breach.

11. All subawards ("subgrants") must have specific federal authorization

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements for authorization of any subaward. This condition applies to agreements that -- for purposes of federal grants administrative requirements -- OJP considers a "subaward" (and therefore does not consider a procurement "contract").

The details of the requirement for authorization of any subaward are posted on the OJP web site at <https://ojp.gov/funding/Explore/SubawardAuthorization.htm> (Award condition: All subawards ("subgrants") must have specific federal authorization), and are incorporated by reference here.

12. Specific post-award approval required to use a noncompetitive approach in any procurement contract that would exceed \$250,000

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements to obtain specific advance approval to use a noncompetitive approach in any procurement contract that would exceed the Simplified Acquisition Threshold (currently, \$250,000). 2. Monitoring

The recipient's monitoring responsibilities include monitoring of subrecipient compliance with this condition.

3. Allowable costs

To the extent that such costs are not reimbursed under any other federal program, award funds may be obligated for the reasonable, necessary, and allocable costs (if any) of actions designed to ensure compliance with this condition.

4. Rules of construction

A. The term "associate of the federal government" means any person or entity engaged or employed (in the past or at present) by or on behalf of the federal government -- as an employee, contractor or subcontractor (at any tier), grant recipient or subrecipient (at any tier), agent, or otherwise -- in undertaking any work, project, or activity for or on behalf of (or in providing goods or services to or on behalf of) the federal government, and includes any applicant for such employment or engagement, and any person or entity committed by legal instrument to undertake any such work, project, or activity (or to provide such goods or services) in future.

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements (including requirements to report allegations) pertaining to prohibited conduct related to the trafficking of persons, whether on the part of recipients, subrecipients ("subgrantees"), or individuals defined (for purposes of this condition) as "employees" of the recipient or of any subrecipient.

24. Restrictions on "lobbying"

In general, as a matter of federal law, federal funds awarded by OJP may not be used by the recipient, or any subrecipient ("subgrantee") at any tier, either directly or indirectly, to support or oppose the enactment, repeal, modification, or adoption of any law, regulation, or policy, at any level of government. See 18 U.S.C. 1913. (There may be exceptions if an applicable federal statute specifically authorizes certain activities that otherwise would be barred by law.)

Another federal law generally prohibits federal funds awarded by OJP from being used by the recipient, or any subrecipient at any tier, to pay any person to influence (or attempt to influence) a federal agency, a Member of Congress, or Congress (or an official or employee of any of them) with respect to the awarding of a federal grant or cooperative agreement, subgrant, contract, subcontract, or loan, or with respect to actions such as renewing, extending, or modifying any such award. See 31 U.S.C. 1352. Certain exceptions to this law apply, including an exception that applies to Indian tribes and tribal organizations.

Should any question arise as to whether a particular use of federal funds by a recipient (or subrecipient) would or might fall within the scope of these prohibitions, the recipient is to contact OJP for guidance, and may not proceed without the express prior written approval of OJP.

25. Compliance with general appropriations-law restrictions on the use of federal funds (FY 2020) The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable restrictions on the use of federal funds set out in federal appropriations statutes. 26. Reporting potential fraud, waste, and abuse, and similar misconduct

The recipient, and any subrecipients ("subgrantees") at any tier, must promptly refer to the DOJ Office of the Inspector General (OIG) any credible evidence that a principal, employee, agent, subrecipient, contractor, subcontractor, or other person has, in connection with funds under this award-- (1) submitted a claim that violates the False Claims Act; or (2) committed a criminal or civil violation of laws pertaining to fraud, conflict of interest, bribery, gratuity, or similar misconduct.

Potential fraud, waste, abuse, or misconduct involving or relating to funds under this award should be reported to the OIG by--(1) online submission accessible via the OIG webpage at <https://oig.justice.gov/hotline/contact-grants.htm> (select "Submit Report Online"); (2) mail directed to: U.S. Department of Justice, Office of the Inspector General, Investigations Division, ATTN: Grantee Reporting, 950 Pennsylvania Ave., NW, Washington, DC 20530; and/or (3) by facsimile directed to the DOJ OIG Investigations Division (Attn: Grantee Reporting) at (202) 616-9881 (fax).

The recipient (and any subrecipient at any tier) must comply with, and is subject to, all applicable provisions of 41 U.S.C. 4712, including all applicable provisions that prohibit, under specified circumstances, discrimination against an employee as reprisal for the employee's disclosure of information related to gross mismanagement of a federal grant, a gross waste of federal funds, an abuse of authority relating to a federal grant, a substantial and specific danger to public health or safety, or a violation of law, rule, or regulation related to a federal grant.

29. Encouragement of policies to ban text messaging while driving

Pursuant to Executive Order 13513, "Federal Leadership on Reducing Text Messaging While Driving," 74 Fed. Reg. 51225 (October 1, 2009), DOJ encourages recipients and subrecipients ("subgrantees") to adopt and enforce policies banning employees from text messaging while driving any vehicle during the course of performing work funded by this award, and to establish workplace safety policies and conduct education, awareness, and other outreach to decrease crashes caused by distracted drivers.

30. Requirement to disclose whether recipient is designated "high risk" by a federal grant-making agency outside of DOJ

If the recipient is designated "high risk" by a federal grant-making agency outside of DOJ, currently or at any time during the course of the period of performance under this award, the recipient must disclose that fact and certain related information to OJP by email at OJP.ComplianceReporting@ojp.usdoj.gov. For purposes of this disclosure, high risk includes any status under which a federal awarding agency provides additional oversight due to the recipient's past performance, or other programmatic or financial concerns with the recipient. The recipient's disclosure must include the following: 1. The federal awarding agency that currently designates the recipient high risk, 2. The date the recipient was designated high risk, 3. The high-risk point of contact at that federal awarding agency (name, phone number, and email address), and 4. The reasons for the high-risk status, as set out by the federal awarding agency.

31. Signing Authority

This award must be signed by an authorized official of the applicant State, local, or tribal government, on behalf of that applicant State, unit of local government, or Tribe, unless the applicant designates an organizational unit to apply on its behalf. For example, if designated by a unit of local government, a Police Department or Sheriff's Office (or similar agency) may apply on behalf of the applicant jurisdiction, as long as the department, office, or agency is listed as the organizational unit on the SF-424. In that case, the head of the designated organizational unit (such as a Police Chief or Sheriff) may sign the award. Documentation of the designation by the appropriate governing body must be retained by the grant recipient.

32. The "Emergency Appropriations for Coronavirus Health Response and Agency Operations" law (Public Law 116-136) includes definitions, reporting requirements, and certain other provisions that apply (whether in whole or in part) to this award. In addition, consistent with the CESF Program's purposes, which involve preparing for, preventing, and responding to the coronavirus national emergency, OJP will provide notice of any additional CESF program-specific grants administrative requirements on an award page, accessible at <https://www.ojp.gov/funding/explore/CESF-program-specific-condition>, that is incorporated by reference here.

Further, the recipient agrees to abide by reasonable deadlines set by BJA and OCFO for providing the requested documents. The details of recipient obligations, which derive from the Federal Funding Accountability and Transparency Act of 2006 (FFATA), are posted on the OJP web site at <https://ojp.gov/funding/Explore/FFATA.htm> (Award condition: Reporting Subawards and Executive Compensation), and are incorporated by reference here.

39. Compliance with National Environmental Policy Act and related statutes

Upon request, the recipient (and any subrecipient at any tier) must assist BJA in complying with the National Environmental Policy Act (NEPA), the National Historic Preservation Act, and other related federal environmental impact analyses requirements in the use of these award funds, either directly by the recipient or by a subrecipient. Accordingly, the recipient agrees to first determine if any of the following activities will be funded by the grant, prior to obligating funds for any of these purposes. If it is determined that any of the following activities will be funded by the award, the recipient agrees to contact BJA. The recipient understands that this condition applies to new activities as set out below, whether or not they are being specifically funded with these award funds. That is, as long as the activity is being conducted by the recipient, a subrecipient, or any third party, and the activity needs to be undertaken in order to use these award funds, this condition must first be met. The activities covered by this condition are: a. New construction; b. Minor renovation or remodeling of a property located in an environmentally or historically sensitive area, including properties located within a 100-year flood plain, a wetland, or habitat for endangered species, or a property listed on or eligible for listing on the National Register of Historic Places; c. A renovation, lease, or any proposed use of a building or facility that will either (a) result in a change in its basic prior use or (b) significantly change its size; d. Implementation of a new program involving the use of chemicals other than chemicals that are (a) purchased as an incidental component of a funded activity and (b) traditionally used, for example, in office, household, recreational, or education environments; and e. Implementation of a program relating to clandestine methamphetamine laboratory operations, including the identification, seizure, or closure of clandestine methamphetamine laboratories. The recipient understands and agrees that complying with NEPA may require the preparation of an Environmental Assessment and/ or an Environmental Impact Statement, as directed by BJA. The recipient further understands and agrees to the requirements for implementation of a Mitigation Plan, as detailed at <https://bj.gov/Funding/nepa.html>, for programs relating to methamphetamine laboratory operations. Application of This Condition to Recipient's Existing Programs or Activities: For any of the recipient's or its subrecipients' existing programs or activities that will be funded by these award funds, the recipient, upon specific request from BJA, agrees to cooperate with BJA in any preparation by BJA of a national or program environmental assessment of that funded program or activity.

40. Establishment of interest-bearing account

If award funds are being drawn down in advance, the recipient (or a subrecipient, with respect to a subaward) is required to establish an interest-bearing account dedicated specifically to this award. Recipients (and subrecipients) must maintain advance payments of federal awards in interest-bearing accounts, unless regulatory exclusions apply (2 C.F.R. 200.305(b)(8)). The award funds, including any interest, may not be used to pay debts or expenses incurred by other activities beyond the scope of the Coronavirus Emergency Supplemental Funding (CESF) program. The recipient also agrees to obligate the award funds in the account (including any interest earned) during the period of performance for the award and expend within 90 days thereafter. Any unobligated or unexpended funds, including interest earned, must be returned to OJP at the time of closeout.

41. Expenditures requiring prior approval

No funds under this award may be expended on individual items costing \$500,000 or more, or to purchase Unmanned Aerial Systems (UAS), Unmanned Aircraft (UA), and/or Unmanned Aerial Vehicles (UAV) without prior written approval from BJA. Prior approval must be obtained post-award, through the submission and approval of a Grant Adjustment Notice (GAN) through OJP's Grant Management System (GMS).

42. Authorization to obligate (federal) award funds to reimburse certain project costs incurred on or after January 20, 2020

The recipient may obligate (federal) award funds only after the recipient makes a valid acceptance of the award. As of the first day of the period of performance for the award (January 20, 2020), however, the recipient may choose to incur project costs using non-federal funds, but any such project costs are incurred at the recipient's risk until, at a minimum-- (1) the recipient makes a valid acceptance of the award, and (2) all applicable withholding conditions are removed by OJP (via a Grant Adjustment Notice). (A withholding condition is a condition in the award document that precludes the recipient from obligating, expending, or drawing down all or a portion of the award funds until the condition is removed.)

Nothing in this condition shall be understood to authorize the recipient (or any subrecipient at any tier) to use award funds to "supplant" State or local funds.

43. Use of funds for DNA testing; upload of DNA profiles

If award funds are used for DNA testing of evidentiary materials, any resulting eligible DNA profiles must be uploaded to the Combined DNA Index System ("CODIS," the DNA database operated by the FBI) by a government DNA laboratory with access to CODIS. No profiles generated under this award may be entered or uploaded into any non-governmental DNA database without prior express written approval from BJA. Award funds may not be used for the purchase of DNA equipment and supplies unless the resulting DNA profiles may be accepted for entry into CODIS.

44. Body armor - compliance with NIJ standards and other requirements

Ballistic-resistant and stab-resistant body armor purchased with award funds may be purchased at any threat level, make or model, from any distributor or manufacturer, as long as the body armor has been tested and found to comply with applicable National Institute of Justice ballistic or stab standards and is listed on the NIJ Compliant Body Armor Model List (<https://nij.gov/topics/technology/body-armor/Pages/compliant-ballistic-armor.aspx>). In addition, ballistic-resistant and stab-resistant body armor purchased must be made in the United States and must be uniquely fitted, as set forth in 34 U.S.C. 10202(e)(1)(A). Memorandum To: Official Grant File
From: Orbin Terry, NEPA Coordinator
Subject: Categorical Exclusion for Oneida County

The Coronavirus Emergency Supplemental Funding (CESF) Program allows eligible states, local units of government, and tribes to support a broad range of activities including preventing, preparing for, and responding to the coronavirus.

All recipients of CESF funding must assist BJA in complying with NEPA and other related federal environmental impact analyses requirements in the use of grant funds, whether the funds are used directly by the grantee or by a sub-grantee or third party.

BJA's expectation is that none of the following activities will be conducted whether under this federal award or a related third party action:

- (1) New construction
- (2) Any renovation or remodeling of a property located in an environmentally or historically sensitive area, including property (a) listed on or eligible for listing on the National Register of Historic Places, or (b) located within a 100-year flood plain, a wetland, or habitat for an endangered species
- (3) A renovation that will change the basic prior use of a facility or significantly change its size
- (4) Research and technology whose anticipated and future application could be expected to have an effect on the environment
- (5) Implementation of a program involving the use of chemicals (including the identification, seizure, or closure of clandestine methamphetamine laboratories) other than chemicals that are (a) purchased as an incidental component of a funded activity and (b) traditionally used, for example, in office, household, recreational, or education environments.

Consequently, the subject federal action meets the Office of Justice Programs' criteria for a categorical exclusion as contained in paragraph 4(b) of Appendix D to Part 61 of Title 28 of the Code of Federal Regulations.

If, however, award funds are proposed to be used for any of the enumerated projects or activities above, grant recipients must contact their grant manager, and receive written approval prior to commencing that project or activity.

Questions about this determination may be directed to your grant manager or Orbin Terry, Environmental Coordinator for BJA.

Sheriff Robert Maciol

Utica, NY 13501

Dear Sheriff Maciol:

On behalf of Attorney General William P. Barr, it is my pleasure to inform you that the Office of Justice Programs (OJP), U.S. Department of Justice (DOJ), has approved the application by Oneida County for an award under the OJP funding opportunity entitled "BJA FY 20 Coronavirus Emergency Supplemental Funding Program." The approved award amount is \$58,008. These funds are for the project entitled COVID Response Funding.

The award document, including award conditions, is enclosed. The entire document is to be reviewed carefully before any decision to accept the award. Also, the webpage entitled "Legal Notices: Special circumstances as to particular award conditions" (ojp.gov/funding/Explore/LegalNotices-AwardReqs.htm) is to be consulted prior to an acceptance. Through that "Legal Notices" webpage, OJP sets out -- by funding opportunity -- certain special circumstances that may or will affect the applicability of one or more award requirements. Any such legal notice pertaining to award requirements that is posted through that webpage is incorporated by reference into the award.

Please note that award requirements include not only award conditions, but also compliance with assurances and certifications that relate to conduct during the period of performance for the award. Because these requirements encompass financial, administrative, and programmatic matters, as well as other important matters (e.g., specific restrictions on use of funds), it is vital that all key staff know the award requirements, and receive the award conditions and the assurances and certifications, as well as the application as approved by OJP. (Information on all pertinent award requirements also must be provided to any subrecipient of the award.)

Should Oneida County accept the award and then fail to comply with an award requirement, DOJ will pursue appropriate remedies for non-compliance, which may include termination of the award and/or a requirement to repay award funds.

Please direct questions regarding this award as follows:

- For program questions, contact Ania M. Dobrzanska, Program Manager at (202) 598-7476; and
- For financial questions, contact the Customer Service Center of OJP's Office of the Chief Financial Officer at (800) 458-0786, or at ask.ocfo@usdoj.gov.

Sheriff Robert Maciol
Oneida County
800 Park Avenue

Utica, NY 13501

Dear Sheriff Maciol:

Congratulations on your recent award. The Office for Civil Rights (OCR), Office of Justice Programs (OJP), U.S. Department of Justice (DOJ) has been delegated the responsibility for ensuring that recipients of federal financial assistance from the OJP, the Office of Community Oriented Policing Services (COPS), and the Office on Violence Against Women (OVW) are not engaged in discrimination prohibited by law. Several federal civil rights laws, such as Title VI of the Civil Rights Act of 1964 and Title IX of the Education Amendments of 1972, require recipients of federal financial assistance to give assurances that they will comply with those laws. In addition to those civil rights laws, many grant program statutes contain nondiscrimination provisions that require compliance with them as a condition of receiving federal financial assistance. For a complete review of these civil rights laws and nondiscrimination requirements, in connection with OJP and other DOJ awards, see <https://ojp.gov/funding/Explore/LegalOverview/CivilRightsRequirements.htm>

Under the delegation of authority, the OCR investigates allegations of discrimination against recipients from individuals, entities, or groups. In addition, the OCR conducts limited compliance reviews and audits based on regulatory criteria. These reviews and audits permit the OCR to evaluate whether recipients of financial assistance from the Department are providing services in a non-discriminatory manner to their service population or have employment practices that meet equal-opportunity standards.

If you are a recipient of grant awards under the Omnibus Crime Control and Safe Streets Act or the Juvenile Justice and Delinquency Prevention Act and your agency is part of a criminal justice system, there are two additional obligations that may apply in connection with the awards: (1) complying with the regulation relating to Equal Employment Opportunity Programs (EEOs); and (2) submitting findings of discrimination to OCR. For additional information regarding the EEO requirement, see 28 CFR Part 42, subpart E, and for additional information regarding requirements when there is an adverse finding, see 28 C.F.R. §§ 42.204(c), .205(e)(5). Please submit information about any adverse finding to the OCR at the above address.

We at the OCR are available to help you and your organization meet the civil rights requirements that are associated with OJP and other DOJ grant funding. If you would like the OCR to assist you in fulfilling your organization's civil rights or nondiscrimination responsibilities as a recipient of federal financial assistance, please do not hesitate to let us know.

Re: Clinton Central School/IRT Program
(2020-2021)

WAYS & MEANS

Dear Mr. Picente:

Enclosed is an agreement between the Probation Department and the Clinton Central School District wherein the school district reimburses the County \$12,000.00 for the services of one Probation Officer, one day a week.

This Officer provides Initial Response Team (IRT) services and other supportive efforts in the school buildings. This successful partnership is designed to identify students with attendance and behavior problems, work with them and their families, and coordinate service delivery. In turn, many students are deferred from more formal PINS and JD services.

I strongly feel this mutually beneficial program is a cost effective, preventive, and well-received effort worthy of continuing. If you are in agreement, please forward this contract to the Board of Legislators for their approval.

Your support of our programming continues to be most appreciated.

Very truly yours,

ADDENDA A-1

PARENTS' BILL OF RIGHTS FOR DATA PRIVACY AND SECURITY

To satisfy their responsibilities regarding the provision of education to students in prekindergarten through grade twelve, "educational agencies" (as defined below) in the State of New York collect and maintain certain personally identifiable information from the education records of their students. As part of the Common Core Implementation Reform Act, Education Law §2-d requires that each educational agency in the State of New York must develop a Parents' Bill of Rights for Data Privacy and Security (Parents' Bill of Rights). The Parents' Bill of Rights must be published on the website of each educational agency, and must be included with every contract the educational agency enters into with a "third party contractor" (as defined below) where the third party contractor receives student data, or certain protected teacher/principal data related to Annual Professional Performance Reviews that is designated as confidential pursuant to Education Law §3012-c ("APPR data").

The purpose of the Parents' Bill of Rights is to inform parents (which also include legal guardians or persons in parental relation to a student, but generally not the parents of a student who is age eighteen or over) of the legal requirements regarding privacy, security and use of student data. In addition to the federal Family Educational Rights and Privacy Act (FERPA), Education Law §2-d provides important new protections for student data, and new remedies for breaches of the responsibility to maintain the security and confidentiality of such data.

A. What are the essential parents' rights under the Family Educational Rights and Privacy Act (FERPA) relating to personally identifiable information in their child's student records?

The rights of parents under FERPA are summarized in the Model Notification of Rights prepared by the United States Department of Education for use by schools in providing annual notification of rights to parents. It can be accessed at <http://www2.ed.gov/policy/gen/guid/fpco/ferpa/lea-officials.html>, and a copy is attached to this Parents' Bill of Rights. Complete student records are maintained by schools and school districts, and not at the New York State Education Department (NYSED). Further, NYSED would need to establish and implement a means to verify a parent's identity and right of access to records before processing a request for records to the school or school district. Therefore, requests to access student records will be most efficiently managed at the school or school district level.

Parents' rights under FERPA include:

1. The right to inspect and review the student's education records within 45 days after the day the school or school district receives a request for access.
2. The right to request amendment of the student's education records that the parent or eligible student believes are inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA. Complete student records are maintained by schools and school districts and not at NYSED, which is the secondary repository of

data, and NYSED make amendments to school or school district records. Schools and school districts are in the best position to make corrections to students' education records.

3. The right to provide written consent before the school discloses personally identifiable information (PII) from the student's education records, except to the extent that FERPA authorizes disclosure without consent (including but not limited to disclosure under specified conditions to: (i) school officials within the school or school district with legitimate educational interests; (ii) officials of another school for purposes of enrollment or transfer; (iii) third party contractors providing services to, or performing functions for an educational agency; (iv) authorized representatives of the U. S. Comptroller General, the U. S. Attorney General, the U.S. Secretary of Education, or State and local educational authorities, such as NYSED; (v) organizations conducting studies for or on behalf of educational agencies) and (vi) the public where the school or school district has designated certain student data as "directory information" (described below). The attached FERPA Model Notification of Rights more fully describes the exceptions to the consent requirement under FERPA).
4. Where a school or school district has a policy of releasing "directory information" from student records, the parent has a right to refuse to let the school or school district designate any all of such information as directory information. Directory information, as defined in federal regulations, includes: the student's name, address, telephone number, email address, photograph, date and place of birth, major field of study, grade level, enrollment status, dates of attendance, participation in officially recognized activities and sports, weight and height of members of athletic teams, degrees, honors and awards received and the most recent educational agency or institution attended. Where disclosure without consent is otherwise authorized under FERPA, however, a parent's refusal to permit disclosure of directory information does not prevent disclosure pursuant to such separate authorization.
5. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the School to comply with the requirements of FERPA.

B. What are parents' rights under the Personal Privacy Protection Law (PPPL), Article 6-A of the Public Officers Law relating to records held by State agencies?

The PPPL (Public Officers Law §§91-99) applies to all records of State agencies and is not specific to student records or to parents. It does not apply to school districts or other local educational agencies. It imposes duties on State agencies to have procedures in place to protect from disclosure of "personal information," defined as information which because of a name, number, symbol, mark or other identifier, can be used to identify a "data subject" (in this case the student or the student's parent). Like FERPA, the PPPL confers a right on the data subject (student or the student's parent) to access to State agency records relating to them and requires State agencies to have procedures for correction or amendment of records.

A more detailed description of the PPPL is available from the Committee on Open Government of the New York Department of State. Guidance on what you should know about the PPPL can be accessed at <http://www.dos.ny.gov/ccog/shldno1.html>. The Committee on Open Government's address is Committee on Open Government, Department of State, One Commerce Plaza, 99 Washington Avenue, suite 650, Albany, NY 12231, their email address is coog@dos.ny.gov, and their telephone number is (518) 474-2518.

C. Parents' Rights Under Education Law §2-d relating to Unauthorized Release of Personally Identifiable Information

1. What "educational agencies" are included in the requirements of Education Law §2-d?

- The New York State Education Department ("NYSED");
- Each public school district;
- Each Board of Cooperative Educational Services or BOCES; and
- All schools that are:
 - a public elementary or secondary school;
 - a universal pre-kindergarten program authorized pursuant to Education Law §3602-e;
 - an approved provider of preschool special education services;
 - any other publicly funded pre-kindergarten program;
 - a school serving children in a special act school district as defined in Education Law 4001; or
 - certain schools for the education of students with disabilities - an approved private school, a state-supported school subject to the provisions of Education Law Article 85, or a state-operated school subject to Education Law Article 87 or 88.

2. What kind of student data is subject to the confidentiality and security requirements of Education Law §2-d?

The law applies to personally identifiable information contained in student records of an educational agency listed above. The term "student" refers to any person attending or seeking to enroll in an educational agency, and the term "personally identifiable information" ("PII") uses the definition provided in FERPA. Under FERPA, personally identifiable information or PII includes, but is not limited to:

- (a) The student's name;
- (b) The name of the student's parent or other family members;
- (c) The address of the student or student's family;
- (d) A personal identifier, such as the student's social security number, student number, or biometric record;
- (e) Other indirect identifiers, such as the student's date of birth, place of birth, and Mother's Maiden Name¹;

¹ Please note that NYSED does not collect certain information defined in FERPA, such as students' social security numbers, biometric records, mother's maiden name (unless used as the mother's legal name).

(f) Other information that, alone or in combination, is linked or linkable to a specific student that would allow a reasonable person in the school community, who does not have personal knowledge of the relevant circumstances, to identify the student with reasonable certainty; or

(g) Information requested by a person who the educational agency or institution reasonably believes knows the identity of the student to whom the education record relates.

3. What kind of student data is *not* subject to the confidentiality and security requirements of Education Law §2-d?

The confidentiality and privacy provisions of Education Law §2-d and FERPA extend only to PII, and not to student data that is not personally identifiable. Therefore, de-identified data (e.g., data regarding students that uses random identifiers), aggregated data (e.g., data reported at the school district level) or anonymized data that could not be used to identify a particular student is not considered to be PII and is not within the purview of Education Law §2-d or within the scope of this Parents' Bill of Rights.

4. What are my rights under Education Law § 2-d as a parent regarding my student's PII?

Education Law §2-d ensures that, in addition to all of the protections and rights of parents under the federal FERPA law, certain rights will also be provided under the Education Law. These rights include, but are not limited to, the following elements:

(A) A student's PII cannot be sold or released by the educational agency for any commercial or marketing purposes.

o PII may be used for purposes of a contract that provides payment to a vendor for providing services to an educational agency as permitted by law.

o However, sale of PII to a third party solely for commercial purposes or receipt of payment by an educational agency, or disclosure of PII that is not related to a service being provided to the educational agency, is strictly prohibited.

(B) Parents have the right to inspect and review the complete contents of their child's education record including any student data stored or maintained by an educational agency.

o This right of inspection is consistent with the requirements of FERPA. In addition to the right of inspection of the educational record, Education Law §2-d provides a specific right for parents to inspect or receive copies of any data in the student's educational record.

o NYSED will develop policies for annual notification by educational agencies to parents regarding the right to request student data. Such policies will specify a reasonable time for the educational agency to comply with such requests.

- o The policies will also require security measures when providing student data to parents, to ensure that only authorized individuals receive such data. A parent may be asked for information or verifications reasonably necessary to ensure that he or she is in fact the student's parent and is authorized to receive such information pursuant to law.
- (C) State and federal laws protect the confidentiality of PII, and safeguards associated with industry standards and best practices, including, but not limited to, encryption, firewalls, and password protection, must be in place when data is stored or transferred.

Education Law §2-d also specifically provides certain limitations on the collection of data by educational agencies, including, but not limited to:

- (A) A mandate that, except as otherwise specifically authorized by law, NYSED shall only collect PII relating to an educational purpose;
- (B) NYSED may only require districts to submit PII, including data on disability status and student suspensions, where such release is required by law or otherwise authorized under FERPA and/or the New York State Personal Privacy Law; and
- (C) Except as required by law or in the case of educational enrollment data, school districts shall not report to NYSED student data regarding juvenile delinquency records, criminal records, medical and health records or student biometric information.
- (D) Parents may access a complete list of all student data elements collected by NYSED, at NYSED Student Data Elements, or may obtain a copy of this list by writing to the Office of Information & Reporting Services, New York State Education Department, Room 863 EBA, 89 Washington Avenue, Albany, NY 12234; and
- (E) Parents have the right to file complaints with an educational agency about possible breaches of student data by that educational agency's third party contractors or their employees, officers, or assignees, or with NYSED. Complaints to NYSED should be directed in writing to the Chief Privacy Officer, New York State Education Department, 89 Washington Avenue, Albany NY 12234, email to CPO@mail.nysed.gov. The complaint process is under development and will be established through regulations to be proposed by NYSED's Chief Privacy Officer, who has not yet been appointed.
 - o Specifically, the Commissioner of Education, after consultation with the Chief Privacy Officer, will promulgate regulations establishing procedures for the submission of complaints from parents, classroom teachers or building principals, or other staff of an educational agency, making allegations of improper disclosure of student data and/or teacher or principal APPR data by a third party contractor or its officers, employees or assignees.
 - o When appointed, the Chief Privacy Officer of NYSED will also provide a procedure within NYSED whereby parents, students, teachers,

superintendents, school board members, principals, and other persons or entities may request information pertaining to student data or teacher or principal APPR data in a timely and efficient manner.

5. Must additional elements be included in the Parents' Bill of Rights.?

Yes. For purposes of further ensuring confidentiality and security of student data, as an appendix to the Parents' Bill of Rights each contract an educational agency enters into with a third party contractor shall include the following supplemental information:

- (A) the exclusive purposes for which the student data, or teacher or principal data, will be used;
- (B) how the third party contractor will ensure that the subcontractors, persons or entities that the third party contractor will share the student data or teacher or principal data with, if any, will abide by data protection and security requirements;
- (C) when the agreement with the third party contractor expires and what happens to the student data or teacher or principal data upon expiration of the agreement;
- (D) if and how a parent, student, eligible student, teacher or principal may challenge the accuracy of the student data or teacher or principal data that is collected; and
- (E) where the student data or teacher or principal data will be stored (described in such a manner as to protect data security), and the security protections taken to ensure such data will be protected, including whether such data will be encrypted.
 - a. In addition, the Chief Privacy Officer, with input from parents and other education and expert stakeholders, is required to develop additional elements of the Parents' Bill of Rights to be prescribed in Regulations of the Commissioner.

6. What protections are required to be in place if an educational agency contracts with a third party contractor to provide services, and the contract requires the disclosure of PII to the third party contractor?

Education Law §2-d provides very specific protections for contracts with "third party contractors", defined as any person or entity, other than an educational agency, that receives student data or teacher or principal data from an educational agency pursuant to a contract or other written agreement for purposes of providing services to such educational agency. The term "third party contractor" also includes an educational partnership organization that receives student and/or teacher or principal APPR data from a school district to carry out its responsibilities pursuant to Education Law §211-e, and a not-for-profit corporation or other non-profit organization, which are not themselves covered by the definition of an "educational agency."

Services of a third party contractor covered under Education Law §2-d include, but not limited to, data management or storage services, conducting studies for or on behalf of the educational agency, or audit or evaluation of publicly funded programs.

When an educational agency enters into a contract with a third party contractor, under which the third party contractor will receive student data, the contract or agreement must include a data security and privacy plan that outlines how all state, federal, and local data security and privacy contract requirements will be implemented over the life of the contract, consistent with the educational agency's policy on data security and privacy. However, the standards for an educational agency's policy on data security and privacy must be prescribed in Regulations of the Commissioner that have not yet been promulgated. A signed copy of the Parents' Bill of Rights must be included, as well as a requirement that any officers or employees of the third party contractor and its assignees who have access to student data or teacher or principal data have received or will receive training on the federal and state law governing confidentiality of such data prior to receiving access.

Each third party contractor that enters into a contract or other written agreement with an educational agency under which the third party contractor will receive student data or teacher or principal data shall:

- o limit internal access to education records to those individuals that are determined to have legitimate educational interests
- o not use the education records for any other purposes than those explicitly authorized in its contract;
- o except for authorized representatives of the third party contractor to the extent they are carrying out the contract, not disclose any PII to any other party (i) without the prior written consent of the parent or eligible student; or (ii) unless required by statute or court order and the party provides a notice of the disclosure to NYSED, district board of education, or institution that provided the information no later than the time the information is disclosed, unless providing notice of the disclosure is expressly prohibited by the statute or court order;
- o maintain reasonable administrative, technical and physical safeguards to protect the security, confidentiality and integrity of PII in its custody; and
- o use encryption technology to protect data while in motion or in its custody from unauthorized disclosure.

7. What steps can and must be taken in the event of a breach of confidentiality or security?

Upon receipt of a complaint or other information indicating that a third party contractor may have improperly disclosed student data, or teacher or principal APPR data, NYSED's Chief Privacy Officer is authorized to investigate, visit, examine and inspect the third party contractor's facilities and records and obtain documentation from, or require the testimony of, any party relating to the alleged improper disclosure of student data or teacher or principal APPR data.

Where there is a breach and unauthorized release of PII by a by a third party contractor or its assignees (e.g., a subcontractor): (i) the third party contractor must notify the educational

agency of the breach in the most expedient way possible and without unreasonable delay; (ii) the educational agency must notify the parent in the most expedient way possible and without unreasonable delay; and (iii) the third party contractor may be subject to certain penalties including, but not limited to, a monetary fine; mandatory training regarding federal and state law governing the confidentiality of student data, or teacher or principal APPR data; and preclusion from accessing any student data, or teacher or principal APPR data, from an educational agency for a fixed period up to five years.

8. Data Security and Privacy Standards

Upon appointment, NYSED's Chief Privacy Officer will be required to develop, with input from experts, standards for educational agency data security and privacy policies. The Commissioner will then promulgate regulations implementing these data security and privacy standards.

9. No Private Right of Action

Please note that Education Law §2-d explicitly states that it does not create a private right of action against NYSED or any other educational agency, such as a school, school district or BOCES.

ADDENDA A-2

Model Notification of Rights under FERPA for Elementary and Secondary Schools

The Family Educational Rights and Privacy Act (FERPA) affords parents and students who are 18 years of age or older ("eligible students") certain rights with respect to the student's education records. These rights are:

1. The right to inspect and review the student's education records within 45 days after the day the [Name of school ("School")] receives a request for access.

Parents or eligible students who wish to inspect their child's or their education records should submit to the school principal [or appropriate school official] a written request that identifies the records they wish to inspect. The school official will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.

2. The right to request the amendment of the student's education records that the parent or eligible student believes are inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA.

Parents or eligible students who wish to ask the [School] to amend their child's or their education record should write the school principal [or appropriate school official], clearly identify the part of the record they want changed, and specify why it should be changed. If the school decides not to amend the record as requested by the parent or eligible student, the school will notify the parent or eligible student of the decision and of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

3. The right to provide written consent before the school discloses personally identifiable information (PII) from the student's education records, except to the extent that FERPA authorizes disclosure without consent.

One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. The criteria for determining who constitutes a school official and what constitutes a legitimate educational interest must be set forth in the school's or school district's annual notification for FERPA rights. A school official typically includes a person employed by the school or school district as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel) or a person serving on the school board. A school official also may include a volunteer, contractor, or consultant who, while not employed by the school, performs an institutional service or function for which the school would otherwise use its own employees and who is under the direct control of the school with respect to the use and maintenance of PII

from education records, such as an attorney, auditor, medical consultant, or therapist; a parent or student volunteering to serve on an official committee, such as a disciplinary or grievance committee; or a parent, student, or other volunteer assisting another school official in performing his or her tasks. A school official typically has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

[Optional] Upon request, the school discloses education records without consent to officials of another school or school district in which a student seeks or intends to enroll, or is already enrolled if the disclosure is for purposes of the student's enrollment or transfer. [NOTE: FERPA requires a school or school district to make a reasonable attempt to notify the parent or student of the records request unless it states in its annual notification that it intends to forward records on request or the disclosure is initiated by the parent or eligible student.]

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the [School] to comply with the requirements of FERPA. The name and address of the Office that administers FERPA are:

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW
Washington, DC 20202

[NOTE: In addition, a school may want to include its directory information public notice, as required by § 99.37 of the regulations, with its annual notification of rights under FERPA.]

[Optional] See the list below of the disclosures that elementary and secondary schools may make without consent.

FERPA permits the disclosure of PII from students' education records, without consent of the parent or eligible student, if the disclosure meets certain conditions found in § 99.31 of the FERPA regulations. Except for disclosures to school officials, disclosures related to some judicial orders or lawfully issued subpoenas, disclosures of directory information, and disclosures to the parent or eligible student, § 99.32 of the FERPA regulations requires the school to record the disclosure. Parents and eligible students have a right to inspect and review the record of disclosures. A school may disclose PII from the education records of a student without obtaining prior written consent of the parents or the eligible student –

- To other school officials, including teachers, within the educational agency or institution whom the school has determined to have legitimate educational interests. This includes contractors, consultants, volunteers, or other parties to whom the school has outsourced institutional services or functions, provided that the conditions listed in § 99.31(a)(1)(i)(B)(1) - (a)(1)(i)(B)(3) are met. (§ 99.31(a)(1))
- To officials of another school, school system, or institution of postsecondary education where the student seeks or intends to enroll, or where the student is already

enrolled if the disclosure is for purposes related to the student's enrollment or transfer, subject to the requirements of § 99.34. (§ 99.31(a)(2))

- To authorized representatives of the U. S. Comptroller General, the U. S. Attorney General, the U.S. Secretary of Education, or State and local educational authorities, such as the State educational agency (SEA) in the parent or eligible student's State. Disclosures under this provision may be made, subject to the requirements of § 99.35, in connection with an audit or evaluation of Federal- or State-supported education programs, or for the enforcement of or compliance with Federal legal requirements that relate to those programs. These entities may make further disclosures of PII to outside entities that are designated by them as their authorized representatives to conduct any audit, evaluation, or enforcement or compliance activity on their behalf, if applicable requirements are met. (§§ 99.31(a)(3) and 99.35)
- In connection with financial aid for which the student has applied or which the student has received, if the information is necessary for such purposes as to determine eligibility for the aid, determine the amount of the aid, determine the conditions of the aid, or enforce the terms and conditions of the aid. (§ 99.31(a)(4))
- To State and local officials or authorities to whom information is specifically allowed to be reported or disclosed by a State statute that concerns the juvenile justice system and the system's ability to effectively serve, prior to adjudication, the student whose records were released, subject to § 99.38. (§ 99.31(a)(5))
- To organizations conducting studies for, or on behalf of, the school, in order to: (a) develop, validate, or administer predictive tests; (b) administer student aid programs; or (c) improve instruction, if applicable requirements are met. (§ 99.31(a)(6))
- To accrediting organizations to carry out their accrediting functions. (§ 99.31(a)(7))
- To parents of an eligible student if the student is a dependent for IRS tax purposes. (§ 99.31(a)(8))
- To comply with a judicial order or lawfully issued subpoena if applicable requirements are met. (§ 99.31(a)(9))
- To appropriate officials in connection with a health or safety emergency, subject to § 99.36. (§ 99.31(a)(10))
- Information the school has designated as "directory information" if applicable requirements under § 99.37 are met. (§ 99.31(a)(11))
- To an agency caseworker or other representative of a State or local child welfare agency or tribal organization who is authorized to access a student's case plan when such agency or organization is legally responsible, in accordance with State or tribal law, for the care and protection of the student in foster care placement. (20 U.S.C. § 1232g(b)(1)(L))

(2020-2021)

Dear Mr. Picente:

Enclosed is an agreement between the Probation Department and the Waterville Central School District wherein the school district reimburses the County for 50% of salary, fringe benefits, and travel expenses for one full-time Probation Officer. Waterville Central School District will reimburse the County \$45,646.00 for the services of the Probation Officer.

This Officer provides Initial Response Team services and other supportive efforts in the school buildings. This successful partnership is designed to identify students with attendance and behavior problems, work with them and their families, and coordinate service delivery. In turn, many students are deferred from more formal PINS and JD services.

I strongly feel this mutually beneficial program is a cost effective, preventive, and well-received effort worthy of continuing. If you are in agreement, please forward this contract to the Board of Legislators for their approval.

Your support of our programming continues to be most appreciated.

Very truly yours,

ADDENDA A-1

PARENTS' BILL OF RIGHTS FOR DATA PRIVACY AND SECURITY

To satisfy their responsibilities regarding the provision of education to students in prekindergarten through grade twelve, "educational agencies" (as defined below) in the State of New York collect and maintain certain personally identifiable information from the education records of their students. As part of the Common Core Implementation Reform Act, Education Law §2-d requires that each educational agency in the State of New York must develop a Parents' Bill of Rights for Data Privacy and Security (Parents' Bill of Rights). The Parents' Bill of Rights must be published on the website of each educational agency, and must be included with every contract the educational agency enters into with a "third party contractor" (as defined below) where the third party contractor receives student data, or certain protected teacher/principal data related to Annual Professional Performance Reviews that is designated as confidential pursuant to Education Law §3012-c ("APPR data").

The purpose of the Parents' Bill of Rights is to inform parents (which also include legal guardians or persons in parental relation to a student, but generally not the parents of a student who is age eighteen or over) of the legal requirements regarding privacy, security and use of student data. In addition to the federal Family Educational Rights and Privacy Act (FERPA), Education Law §2-d provides important new protections for student data, and new remedies for breaches of the responsibility to maintain the security and confidentiality of such data.

A. What are the essential parents' rights under the Family Educational Rights and Privacy Act (FERPA) relating to personally identifiable information in their child's student records?

The rights of parents under FERPA are summarized in the Model Notification of Rights prepared by the United States Department of Education for use by schools in providing annual notification of rights to parents. It can be accessed at <http://www2.ed.gov/policy/gen/guid/fpco/ferpa/lea-officials.html>, and a copy is attached to this Parents' Bill of Rights. Complete student records are maintained by schools and school districts, and not at the New York State Education Department (NYSED). Further, NYSED would need to establish and implement a means to verify a parent's identity and right of access to records before processing a request for records to the school or school district. Therefore, requests to access student records will be most efficiently managed at the school or school district level.

Parents' rights under FERPA include:

1. The right to inspect and review the student's education records within 45 days after the day the school or school district receives a request for access.
2. The right to request amendment of the student's education records that the parent or eligible student believes are inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA. Complete student records are maintained by schools and school districts and not at NYSED, which is the secondary repository of

data, and NYSED make amendments to school or school district records. Schools and school districts are in the best position to make corrections to students' education records.

3. The right to provide written consent before the school discloses personally identifiable information (PII) from the student's education records, except to the extent that FERPA authorizes disclosure without consent (including but not limited to disclosure under specified conditions to: (i) school officials within the school or school district with legitimate educational interests; (ii) officials of another school for purposes of enrollment or transfer; (iii) third party contractors providing services to, or performing functions for an educational agency; (iv) authorized representatives of the U. S. Comptroller General, the U. S. Attorney General, the U.S. Secretary of Education, or State and local educational authorities, such as NYSED; (iv) (v) organizations conducting studies for or on behalf of educational agencies) and (vi) the public where the school or school district has designated certain student data as "directory information" (described below). The attached FERPA Model Notification of Rights more fully describes the exceptions to the consent requirement under FERPA).
4. Where a school or school district has a policy of releasing "directory information" from student records, the parent has a right to refuse to let the school or school district designate any all of such information as directory information. Directory information, as defined in federal regulations, includes: the student's name, address, telephone number, email address, photograph, date and place of birth, major field of study, grade level, enrollment status, dates of attendance, participation in officially recognized activities and sports, weight and height of members of athletic teams, degrees, honors and awards received and the most recent educational agency or institution attended. Where disclosure without consent is otherwise authorized under FERPA, however, a parent's refusal to permit disclosure of directory information does not prevent disclosure pursuant to such separate authorization.
5. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the School to comply with the requirements of FERPA.

B. What are parents' rights under the Personal Privacy Protection Law (PPPL), Article 6-A of the Public Officers Law relating to records held by State agencies?

The PPPL (Public Officers Law §§91-99) applies to all records of State agencies and is not specific to student records or to parents. It does not apply to school districts or other local educational agencies. It imposes duties on State agencies to have procedures in place to protect from disclosure of "personal information," defined as information which because of a name, number, symbol, mark or other identifier, can be used to identify a "data subject" (in this case the student or the student's parent). Like FERPA, the PPPL confers a right on the data subject (student or the student's parent) to access to State agency records relating to them and requires State agencies to have procedures for correction or amendment of records.

A more detailed description of the PPPL is available from the Committee on Open Government of the New York Department of State. Guidance on what you should know about the PPPL can be accessed at <http://www.dos.ny.gov/coog/shldno1.html>. The Committee on Open Government's address is Committee on Open Government, Department of State, One Commerce Plaza, 99 Washington Avenue, suite 650, Albany, NY 12231, their email address is coog@dos.ny.gov, and their telephone number is (518) 474-2518.

C. Parents' Rights Under Education Law §2-d relating to Unauthorized Release of Personally Identifiable Information

1. What "educational agencies" are included in the requirements of Education Law §2-d?

- The New York State Education Department ("NYSED");
- Each public school district;
- Each Board of Cooperative Educational Services or BOCES; and
- All schools that are:
 - a public elementary or secondary school;
 - a universal pre-kindergarten program authorized pursuant to Education Law §3602-e;
 - an approved provider of preschool special education services;
 - any other publicly funded pre-kindergarten program;
 - a school serving children in a special act school district as defined in Education Law 4001; or
 - certain schools for the education of students with disabilities - an approved private school, a state-supported school subject to the provisions of Education Law Article 85, or a state-operated school subject to Education Law Article 87 or 88.

2. What kind of student data is subject to the confidentiality and security requirements of Education Law §2-d?

The law applies to personally identifiable information contained in student records of an educational agency listed above. The term "student" refers to any person attending or seeking to enroll in an educational agency, and the term "personally identifiable information" ("PII") uses the definition provided in FERPA. Under FERPA, personally identifiable information or PII includes, but is not limited to:

- (a) The student's name;
- (b) The name of the student's parent or other family members;
- (c) The address of the student or student's family;
- (d) A personal identifier, such as the student's social security number, student number, or biometric record;
- (e) Other indirect identifiers, such as the student's date of birth, place of birth, and Mother's Maiden Name¹;

¹ Please note that NYSED does not collect certain information defined in FERPA, such as students' social security numbers, biometric records, mother's maiden name (unless used as the mother's legal name).

(f) Other information that, alone or in combination, is linked or linkable to a specific student that would allow a reasonable person in the school community, who does not have personal knowledge of the relevant circumstances, to identify the student with reasonable certainty; or

(g) Information requested by a person who the educational agency or institution reasonably believes knows the identity of the student to whom the education record relates.

3. What kind of student data is *not* subject to the confidentiality and security requirements of Education Law §2-d?

The confidentiality and privacy provisions of Education Law §2-d and FERPA extend only to PII, and not to student data that is not personally identifiable. Therefore, de-identified data (e.g., data regarding students that uses random identifiers), aggregated data (e.g., data reported at the school district level) or anonymized data that could not be used to identify a particular student is not considered to be PII and is not within the purview of Education Law §2-d or within the scope of this Parents' Bill of Rights.

4. What are my rights under Education Law § 2-d as a parent regarding my student's PII?

Education Law §2-d ensures that, in addition to all of the protections and rights of parents under the federal FERPA law, certain rights will also be provided under the Education Law. These rights include, but are not limited to, the following elements:

(A) A student's PII cannot be sold or released by the educational agency for any commercial or marketing purposes.

○ PII may be used for purposes of a contract that provides payment to a vendor for providing services to an educational agency as permitted by law.

○ However, sale of PII to a third party solely for commercial purposes or receipt of payment by an educational agency, or disclosure of PII that is not related to a service being provided to the educational agency, is strictly prohibited.

(B) Parents have the right to inspect and review the complete contents of their child's education record including any student data stored or maintained by an educational agency.

○ This right of inspection is consistent with the requirements of FERPA. In addition to the right of inspection of the educational record, Education Law §2-d provides a specific right for parents to inspect or receive copies of any data in the student's educational record.

○ NYSED will develop policies for annual notification by educational agencies to parents regarding the right to request student data. Such policies will specify a reasonable time for the educational agency to comply with such requests.

- The policies will also require security measures when providing student data to parents, to ensure that only authorized individuals receive such data. A parent may be asked for information or verifications reasonably necessary to ensure that he or she is in fact the student's parent and is authorized to receive such information pursuant to law.

(C) State and federal laws protect the confidentiality of PII, and safeguards associated with industry standards and best practices, including, but not limited to, encryption, firewalls, and password protection, must be in place when data is stored or transferred.

Education Law §2-d also specifically provides certain limitations on the collection of data by educational agencies, including, but not limited to:

- (A) A mandate that, except as otherwise specifically authorized by law, NYSED shall only collect PII relating to an educational purpose;
- (B) NYSED may only require districts to submit PII, including data on disability status and student suspensions, where such release is required by law or otherwise authorized under FERPA and/or the New York State Personal Privacy Law; and
- (C) Except as required by law or in the case of educational enrollment data, school districts shall not report to NYSED student data regarding juvenile delinquency records, criminal records, medical and health records or student biometric information.
- (D) Parents may access a complete list of all student data elements collected by NYSED, at [NYSED Student Data Elements](#), or may obtain a copy of this list by writing to the Office of Information & Reporting Services, New York State Education Department, Room 863 EBA, 89 Washington Avenue, Albany, NY 12234; and
- (E) Parents have the right to file complaints with an educational agency about possible breaches of student data by that educational agency's third party contractors or their employees, officers, or assignees, or with NYSED. Complaints to NYSED should be directed in writing to the Chief Privacy Officer, New York State Education Department, 89 Washington Avenue, Albany NY 12234, email to CPO@mail.nysed.gov. The complaint process is under development and will be established through regulations to be proposed by NYSED's Chief Privacy Officer, who has not yet been appointed.
 - Specifically, the Commissioner of Education, after consultation with the Chief Privacy Officer, will promulgate regulations establishing procedures for the submission of complaints from parents, classroom teachers or building principals, or other staff of an educational agency, making allegations of improper disclosure of student data and/or teacher or principal APPR data by a third party contractor or its officers, employees or assignees.
 - When appointed, the Chief Privacy Officer of NYSED will also provide a procedure within NYSED whereby parents, students, teachers,

superintendents, school board members, principals, and other persons or entities may request information pertaining to student data or teacher or principal APPR data in a timely and efficient manner.

5. Must additional elements be included in the Parents' Bill of Rights.?

Yes. For purposes of further ensuring confidentiality and security of student data, as an appendix to the Parents' Bill of Rights each contract an educational agency enters into with a third party contractor shall include the following supplemental information:

- (A) the exclusive purposes for which the student data, or teacher or principal data, will be used;
- (B) how the third party contractor will ensure that the subcontractors, persons or entities that the third party contractor will share the student data or teacher or principal data with, if any, will abide by data protection and security requirements;
- (C) when the agreement with the third party contractor expires and what happens to the student data or teacher or principal data upon expiration of the agreement;
- (D) if and how a parent, student, eligible student, teacher or principal may challenge the accuracy of the student data or teacher or principal data that is collected; and
- (E) where the student data or teacher or principal data will be stored (described in such a manner as to protect data security), and the security protections taken to ensure such data will be protected, including whether such data will be encrypted.
 - a. In addition, the Chief Privacy Officer, with input from parents and other education and expert stakeholders, is required to develop additional elements of the Parents' Bill of Rights to be prescribed in Regulations of the Commissioner.

6. What protections are required to be in place if an educational agency contracts with a third party contractor to provide services, and the contract requires the disclosure of PII to the third party contractor?

Education Law §2-d provides very specific protections for contracts with "third party contractors", defined as any person or entity, other than an educational agency, that receives student data or teacher or principal data from an educational agency pursuant to a contract or other written agreement for purposes of providing services to such educational agency. The term "third party contractor" also includes an educational partnership organization that receives student and/or teacher or principal APPR data from a school district to carry out its responsibilities pursuant to Education Law §211-e, and a not-for-profit corporation or other non-profit organization, which are not themselves covered by the definition of an "educational agency."

Services of a third party contractor covered under Education Law §2-d include, but not limited to, data management or storage services, conducting studies for or on behalf of the educational agency, or audit or evaluation of publicly funded programs.

When an educational agency enters into a contract with a third party contractor, under which the third party contractor will receive student data, the contract or agreement must include a data security and privacy plan that outlines how all state, federal, and local data security and privacy contract requirements will be implemented over the life of the contract, consistent with the educational agency's policy on data security and privacy. However, the standards for an educational agency's policy on data security and privacy must be prescribed in Regulations of the Commissioner that have not yet been promulgated. A signed copy of the Parents' Bill of Rights must be included, as well as a requirement that any officers or employees of the third party contractor and its assignees who have access to student data or teacher or principal data have received or will receive training on the federal and state law governing confidentiality of such data prior to receiving access.

Each third party contractor that enters into a contract or other written agreement with an educational agency under which the third party contractor will receive student data or teacher or principal data shall:

- limit internal access to education records to those individuals that are determined to have legitimate educational interests
- not use the education records for any other purposes than those explicitly authorized in its contract;
- except for authorized representatives of the third party contractor to the extent they are carrying out the contract, not disclose any PII to any other party (i) without the prior written consent of the parent or eligible student; or (ii) unless required by statute or court order and the party provides a notice of the disclosure to NYSED, district board of education, or institution that provided the information no later than the time the information is disclosed, unless providing notice of the disclosure is expressly prohibited by the statute or court order;
- maintain reasonable administrative, technical and physical safeguards to protect the security, confidentiality and integrity of PII in its custody; and
- use encryption technology to protect data while in motion or in its custody from unauthorized disclosure.

7. What steps can and must be taken in the event of a breach of confidentiality or security?

Upon receipt of a complaint or other information indicating that a third party contractor may have improperly disclosed student data, or teacher or principal APPR data, NYSED's Chief Privacy Officer is authorized to investigate, visit, examine and inspect the third party contractor's facilities and records and obtain documentation from, or require the testimony of, any party relating to the alleged improper disclosure of student data or teacher or principal APPR data.

Where there is a breach and unauthorized release of PII by a third party contractor or its assignees (e.g., a subcontractor): (i) the third party contractor must notify the educational

agency of the breach in the most expedient way possible and without unreasonable delay; (ii) the educational agency must notify the parent in the most expedient way possible and without unreasonable delay; and (iii) the third party contractor may be subject to certain penalties including, but not limited to, a monetary fine; mandatory training regarding federal and state law governing the confidentiality of student data, or teacher or principal APPR data; and preclusion from accessing any student data, or teacher or principal APPR data, from an educational agency for a fixed period up to five years.

8. Data Security and Privacy Standards

Upon appointment, NYSED's Chief Privacy Officer will be required to develop, with input from experts, standards for educational agency data security and privacy policies. The Commissioner will then promulgate regulations implementing these data security and privacy standards.

9. No Private Right of Action

Please note that Education Law §2-d explicitly states that it does not create a private right of action against NYSED or any other educational agency, such as a school, school district or BOCES.

ADDENDA A-2

Model Notification of Rights under FERPA for Elementary and Secondary Schools

The Family Educational Rights and Privacy Act (FERPA) affords parents and students who are 18 years of age or older ("eligible students") certain rights with respect to the student's education records. These rights are:

1. The right to inspect and review the student's education records within 45 days after the day the [Name of school ("School")] receives a request for access.

Parents or eligible students who wish to inspect their child's or their education records should submit to the school principal [or appropriate school official] a written request that identifies the records they wish to inspect. The school official will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.

2. The right to request the amendment of the student's education records that the parent or eligible student believes are inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA.

Parents or eligible students who wish to ask the [School] to amend their child's or their education record should write the school principal [or appropriate school official], clearly identify the part of the record they want changed, and specify why it should be changed. If the school decides not to amend the record as requested by the parent or eligible student, the school will notify the parent or eligible student of the decision and of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

3. The right to provide written consent before the school discloses personally identifiable information (PII) from the student's education records, except to the extent that FERPA authorizes disclosure without consent.

One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. The criteria for determining who constitutes a school official and what constitutes a legitimate educational interest must be set forth in the school's or school district's annual notification for FERPA rights. A school official typically includes a person employed by the school or school district as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel) or a person serving on the school board. A school official also may include a volunteer, contractor, or consultant who, while not employed by the school, performs an institutional service or function for which the school would otherwise use its own employees and who is under the direct control of the school with respect to the use and maintenance of PII

from education records, such as an attorney, auditor, medical consultant, or therapist; a parent or student volunteering to serve on an official committee, such as a disciplinary or grievance committee; or a parent, student, or other volunteer assisting another school official in performing his or her tasks. A school official typically has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

[Optional] Upon request, the school discloses education records without consent to officials of another school or school district in which a student seeks or intends to enroll, or is already enrolled if the disclosure is for purposes of the student's enrollment or transfer. [NOTE: FERPA requires a school or school district to make a reasonable attempt to notify the parent or student of the records request unless it states in its annual notification that it intends to forward records on request or the disclosure is initiated by the parent or eligible student.]

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the [School] to comply with the requirements of FERPA. The name and address of the Office that administers FERPA are:

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW
Washington, DC 20202

[NOTE: In addition, a school may want to include its directory information public notice, as required by § 99.37 of the regulations, with its annual notification of rights under FERPA.]

[Optional] See the list below of the disclosures that elementary and secondary schools may make without consent.
