1171: DSS - Legal Defense - Assigned Counsel

Appropriations in the Legal Defense Assigned Counsel cost center fund the work of private attorneys who are appointed by the court to represent indigent clients. While the Public Defender's Office usually provides legal representation for indigent persons, occasions often arise in which two or more such individuals are accused of involvement in the same crime. To avoid a conflict of interest for the Public Defender, the courts assign private counsel who receives compensation as regulated by state law. Counsel will also be assigned in instances of conflict of interest in Family Court cases. The Assigned Counsel program is administered by the Oneida County Department of Social Services.

3113: Sheriff - Special Initiatives

The Sheriff has implemented a multi-agency special initiatives plan to combat drug abuse, sexual abuse, and arson. These crimes are of serious concern in our community and threaten public safety, as well as economic growth. Resources must continue to be dedicated to conduct investigations, make arrests, and assist in prosecuting cases involving drugs, sexual abuse and arson, if Oneida County is expected to thrive.

3114: Sheriff - COPS/School Resource Program

The United States Department of Justice provided initial three-year funding for the Sheriff's plan to participate in the Community Oriented Policing Program to place deputies in local school districts. With increased concern over school safety in the community, this program offers on-site security, a direct link to law enforcement agencies, and crime prevention/substance abuse education. Participating school districts were requested to make a commitment to continue this program once federal funding ceased. Beginning in 2007, this cost center is merged into A3120.

3140: Probation - Office of Probation

The Oneida County Probation Department's mission is to advance a balanced triad of agency goals, namely that of ensuring community protection, providing clientele accountability and enabling offenders to become competent and productive citizens. The "balanced and restorative justice" approach is intended to provide quality, cost-effective services to our stakeholders within the guidelines of State and local statutes and judicial mandates. The Department embraces the philosophy that the community, victim and offender should receive balanced attention and in turn should gain tangible benefits from their interactions with the probation department and justice system as a whole.

3141: Probation - Domicile Restriction Program

The Domicile Restriction program is an alternative sentencing program that supports and encourages the use of periods of electronically monitoring of non-violent offenders in their own homes as an alternative to incarceration. It is also utilized to track sex offenders and those convicted of domestic violence offenses. The program is implemented as a "special condition" of probation or as a conditional discharge from the court, pursuant to Article 13-A of the New York State Executive Law. The Probation Department installs and monitors the electronic equipment and maintains personal contact with the offender. In turn the department reports the offenders' program compliance or violations to the court. In cases of non-compliance the court can revoke the "special condition" of domicile restriction and replace same with a period of incarceration.

3142: Probation - PINS Diversion Program

The Persons in Need of Supervision (PINS) Adjustment Services Program is an intervention and treatment initiative that is jointly coordinated by the Oneida County Department of Social Services and the Probation Department. Its intent is designed specifically to divert, from Family Court, youth under the age of eighteen that have been persistently incorrigible at home or in school (and/or) are habitually truant from school. In addition, it is intended to prevent disruption of the families served, to prevent foster care and institutional placements of adjudicated youth and to maximize the chances for troubled youth to remain with their families with an array of closely monitored community based adjustment services. The program is authorized under section 735 of the NYS Family Court Act and section 243A of the NYS Executive Law.

3144: Probation - Juvenile Int. Supv. Program

The dual intent of the JISP component is to promote effective probation supervision and enhance public safety by employing a multi-systemic approach with juvenile delinquents who, without JISP, may have been placed out of the home. This cost center will consolidate with the Office of Probation A3140 cost center due to a more favorable reimbursement rate for 2008.

3146: Probation - Intensive Supervision Program

The Intensive Supervision Program (ISP) offers a credible and cost-effective alternative to incarceration for adult felony offenders who are jail-bound, but probation eligible. Restrictive supervision, an enhanced degree of offender accountability, quick return to court for failure to comply and effective case management all serve to meet the goals of public safety and offender rehabilitation. Probationers are seen numerous times per week in the office, at home and elsewhere - (i.e. work). Caseloads are specifically designed to be small so as to closely monitor clients and enhance response time to problems and highlight accountability.

3620: Traffic Safety - Handicapped Parking Ed Program

The Handicapped Parking Education Program was established by New York State Law in April, 2000. Section 1203 (g) of the New York State Vehicle & Traffic Law calls for the imposition of a new \$30.00 surcharge that is attached to each conviction for a violation of handicapped parking laws. The law calls for the return of \$15.00 of each \$30.00 surcharge to be returned to the County of origin, while the remaining \$15.00 is returned to the municipality where the ticket was written. The mission of the Oneida County Handicapped Parking Education Program is to provide education, advocacy and increased awareness of handicapped parking laws throughout Oneida County through a coordinated community awareness & education campaign, along with coordinated enforcement, prosecution & court-related programming opportunities. The Oneida County Director of Traffic Safety has been designated by the Oneida County Executive to serve as the Coordinator of this program.

4015: Public Health - Lead Screening Program

The Lead Screening Program is grant funded by the Federal Government, through a contract administered by the New York State Bureau of Maternal Child Health. The Lead Screening Program ensures that children from birth to 6 years old are screened for lead. Developmental delays and behavior problems are major health concerns of Lead Poisoning. Affected children may not show any symptoms, which necessitates the early, accurate identification of children with elevated lead levels. Program services include home visits to clients at risk by both Nursing and Environmental Staff.

2008 Adopted Budget Report

8110: G - Water Poll Control - Administration

The Department of Water Quality and Water Pollution Control is responsible for the administration, operation, and maintenance of a 48-million gallon-a-day advanced secondary wastewater treatment facility and 35-mile interceptor system which treats all domestic and industrial wastewater for a 15 municipality part-county sewer district of approximately 125,000 people. A comprehensive pretreatment program serves our industrial customers and prevents any hazardous waste from entering the system. The Department increasingly participates in the abatement of community-wide environmental concerns such as treatment of landfill leachates, super fund sites, non-hazardous wastes, hauled septic wastes, response to oil, chemical and hazardous waste spills, groundwater remediation efforts, and response to individual community sewage problems and environmental impact studies.
