Thank you for extending the above Bid Ref #2016

Please be advised that we have accepted the extension for the period of January 1, 2022 through December 31, 2022. The original specifications allows for an increase not to exceed 3%. Oneida County has agreed to the extension with a price increase of 3%. Therefore, the price for Polymer will increase from \$1.40 per gallon, to \$1.44 per gallon, in 5,000-gallon deliveries. All other terms and conditions will remain the same as described in the original bid specifications. This is the third one-year extension of four possible extensions.
