

ONEIDA COUNTY

Office of the Fire Coordinator

TRAINING BULLETIN

Basic Wildland Fire Suppression

Developed by New York State Department of Environmental Conservation Forest Rangers and the New York State Office of Fire Prevention and Control for firefighters involved in wild land fire suppression. The course contents include jurisdiction and responsibilities, fire behavior, wild land fire elements and size-up, use of tools and equipment, general concepts related to fire suppression, securing the control line, and standards for safety.

This course consists of 12 hours of training:

LOCATION: NYS Preparedness Training Center

DATES: April 8, 2017

Prerequisites: Basic Firefighter or Firefighting Essentials
NYS Certification Level: Firefighter

Pre-registration is required.
