TRAINING BULLETIN

Swift-Water/Flood - Rescue Technician

This course provides basic to advanced level swift-water/flood rescue training including self-rescue in swift-water, go rescues, boat based rescues, and rope systems for swift-water rescue. This is a hands-on training program which requires participants to spend a significant amount of time mastering water rescue skills in fast moving water. Course also includes several scenario based water rescue exercises.

The course consists of training presented on as follows:

LOCATION: NYS Preparedness Training Center

DATES: October 14, 15, 28, 29

Class starts at 8:00 am

Pre-registration is required.
