Oneida County
Board of Legislators

Dear Honorable Members:

As a result of the last bidding process for construction projects to be done at Griffiss International Airport it has become apparent that additional funding will be needed. This additional funding is a direct result of the bids coming in higher than originally expected and a result of additional cost of the project due to the finding of contaminated soil at the projects original location. In order to complete the project our bond counsel has recommended Oneida County amend two of the capital projects. One amendment to reduce the appropriations and anticipated revenues of capital project H-408 Griffiss Airfield – Building 100 Renovations Phase II and increasing the appropriations and revenue H-369 Griffiss Airfield – Corporate Hangars.

I therefore request your Board approval for an amendment to Capital Project H-408 – Griffiss Airfield – Building 100 Renovations Phase II, as follows:

Amendment:

	<u>CURRENT</u>		<u>CHANGE</u>		<u>PROPOSED</u>
Bonding	\$ 7,600,000.	-\$	780,000		\$ 6,820,000.

Budgetary Adjustments:

TO:					
AA# A9902.9	Transfer to Debt Service Fund		\$ 780,000.		
FROM:					
AA# A9950.9	Transfer to Capital		\$ 780,000.		

I also request your Board approval for an amendment to Capital Project H-369 – Griffiss Airfield – Corporate Hangars, as follows:

Amendment:

	<u>CURRENT</u>		<u>CHANGE</u>		<u>PROPOSED</u>
Bonding	\$ 6,450,000.	\$	0		\$ 6,450,000.
State Aid	\$ 1,000,000.	\$	0		\$ 1,000,000.
Transfer from General	\$ 0.	+\$	780,000		\$ 780,000.
TOTAL.....	\$ 7,450,000.		\$ 780,000.		\$ 8,230,000.
