Dear Mr. Fiorini:

On August 24, 2011, the Board of Legislators adopted the 2011-2013 Extension of Sales Tax Resolution. In the interim, I have been advised by Patricia Pinto, Counsel for the New York State Department of Taxation and Finance, that there were two omissions from the necessary language of the resolution.

I have amended the Sales Tax Resolution to reflect these omissions and have underscored same for the Board's review. These corrections appear in Section 3, subsection 4f (the number 1 has been added after the word December) and Section 3, subsection 4g (the addition of the language beginning with "of four percent...")

I ask that this amended version of the resolution be approved at your **September 14, 2011** regular session. I will then re-submit our paperwork to the State with an accompanying request for waiver of the time period for filing. This process will in no way affect our imposition date of December 1, 2011.

Thank you for the Board's consideration in this regard.

Very truly yours,

Linda M.H. Dillon
County Attorney

SECTION 6. Paragraphs (B) and (E) of subdivision (1) of section 11 of Resolution #202 as enacted in nineteen hundred ninety, as amended, are amended to read as follows:

(B) With respect to the additional tax at the rate of one percent imposed for the period beginning September 1, 1992, and ending November 30, 2013, in respect to the use of property used by the purchaser in this County prior to September 1, 1992.

READ & FILED

RE: MEMORIALIZING PETITION COMMENDING THE GOVERNOR AND CALLING ON THE GOVERNOR AND STATE LEGISLATURE TO COLLECT ALL SALES AND EXCISE TAXES ON TRIBAL AND INDIAN SALES TO NON-INDIANS.

WHEREAS, local governments are highly dependent on sales tax revenues to deliver and fund a wide range of critical programs and services necessary for health, welfare and safety of their citizens; and

WHEREAS, failure to collect and remit sales and excise taxes on Indian sales to non-Indian and non-tribal members have denied revenue rightly owed to state and local governments and accordingly has been detrimental to the citizens and governments of New York; and

WHEREAS, whereas sales tax revenue is the most important revenue source used to offset property taxes and the State of New York has capped property tax increases; and

WHEREAS, failure to collect and remit these taxes creates a grossly unfair business environment for non-Indian retailers across the State by giving tribal and Indian retailers an unfair competitive advantage and by diverting business to those retailers; and

WHEREAS, numerous federal court cases involving the application of state and local excise and sales taxes to sales by tribal retailers to non-tribal members have repeatedly affirmed that state have a right to the sales and excise tax revenues on such transactions; and

WHEREAS, Governor Cuomo and his administration are to be commended for his and its actions in the collection of sales and excise taxes on cigarettes; and

WHEREAS, it is crucial that the State immediately undertake collection of sales and excise taxes on the sales of other products and services, including motor fuels, to non-Indian and non-tribal members by Indian retailers.

NOW THEREFORE BE IT HEREBY RESOLVED, that the Oneida County Board of Legislators urges Governor Cuomo and the New York State Legislature to immediately take all necessary action to ensure collection of all sales and excise taxes on Indian sales of all goods and services to non-tribal members for the benefit of state and local governments; and

Griffo (R-47), Senator David Valesky (D-49), Assemblyperson Claudia Tenney, (R-115), William McGee (D-111) and all others deemed necessary and proper.

PUBLIC WORKS **WAYS & MEANS**

Honorable Members:

The Public Defenders – Civil Division needs to have some renovations done at their new Rome location. The County Engineer has determined that the actual renovations can be done by Oneida County personnel reducing the total cost to the county. In order to complete the work it is necessary to do a transfer to help cover the cost of the materials

Fortunately, the Public Defender – Civil Division has some surplus in its budget which can be used for the transfer. This estimated surplus is a result of receiving additional funds from Indigent Defense which be used to buy the originally budgeted office equipment.

I therefore request your Board approval for the following 2011 fund transfer:

TO:

AA# A9950.9 Transfer to Capital Fund \$ 4,000.

FROM:

AA# A1173.211 - Public Defender / Civil, Office Equipment..... \$ 4,000.

I also request your Board approve the following supplemental appropriation:

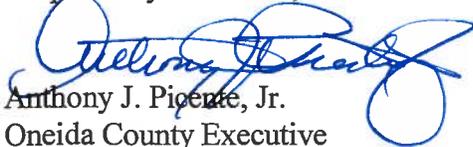

AA# H363. - Comprehensive Building Phase III \$ 4,000.

This appropriation is fully supported by:

RA# H363-5031- Comprehensive Building Phase III – Direct Appropriation..... \$ 4,000.

I also respectfully request your full Board act on this legislation at your next meeting.

WAYS & MEANS

Honorable Members:

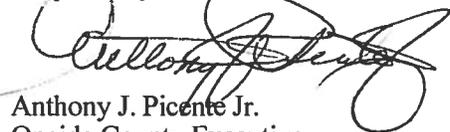

During the budget process, while setting up Capital Projects for 2011, an adjustment was made for the funding of a Capital Project. Capital Project H-313, County Owned Environmental Facilities, funding was changed from bonding to reserve funds. This adjustment was reflected in the Capital Budget but unfortunately, was never recorded in the 2011 Budget.

It is therefore necessary to make the following adjustment to the 2011 budget:

TO:		
A9950.9	Transfer to Capital Fund.....	\$ 51,000.00
FROM:		
A889-889/19	Pay as You Go Reserve.....	\$ 51,000.00

INTERNAL AFFAIRS

Honorable Members:

WAYS & MEANS

The Director of Central Services has notified me that she is anticipating a shortfall in her Other Fees and Services account. This shortfall is the direct result of the additional work needed to clean up a virus that our county network was exposed to over the period August 26 – 28, 2011. The computer virus is believed to have entered through our email system and was unfortunately undetected by Microsoft and the anti-virus programs from AVG and Symantec that are installed on county PCs and Servers. The virus resulted in a Denial of Service attack which flooded the county network and interrupted routine county internet access. Network experts were called in from ESI and worked throughout the weekend to diagnose and resolve issues associated with the attack and successfully restored normal county IT operations before 8:30am on Monday, August 29th. Charges for ESI services incurred over the three days of the attack are the driver behind the anticipated shortfall in this account.

I therefore request your Board approval for the following 2011 fund transfer:

TO:

AA# A1610.1951 Central Services, Other Fees and Services \$ 8,000.

FROM:

AA# A1610.415 - Central Services, Stockroom Supplies..... \$ 4,000.

AA# A1610.491 - Central Services, Other Materials and Supplies \$ 4,000.

I also respectfully request your full Board act on this legislation at your **September 28, 2011** meeting.

Respectfully submitted,
