WAYS & MEANS

Mr. Anthony J. Picente, Jr.
Oneida County Executive
800 Park Avenue
Utica, New York 13501

Dear Mr. Picente:

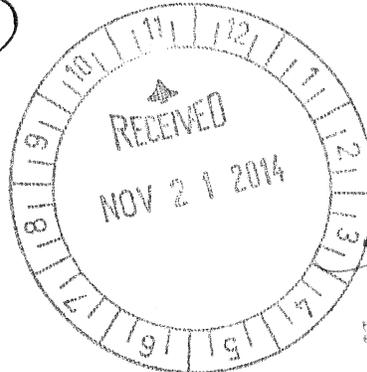

The Madison-Oneida BOCES recently performed some shared printing services with us pertaining to some of the school tax billing and roll production for the 2014/15 school year (schools paid for the service but the county coordinated). They did a good job at a savings and the schools were pleased with the timing & service.

There is the possibility to extend this service to some of the town and county tax bill and roll processing as the production is similar. This would enhance performance, productivity and efficiency for the towns we serve. Toward that objective this agreement will serve in that endeavor.

We have asked BOCES to process this through their Board as they have a deadline of November 24th to get it on their calendar. The County Attorney's Office has advised that this should go to our Board; as such please consider sending this for full Oneida County Board review and approval at the November 26th meeting, if possible. This contract will be signed by BOCES once we have Oneida County Board and your approval.

Sincerely,

Anthony Carvelli
Commissioner of Finance
