TO PROVIDE AN INCOME TAX CREDIT FOR CERTAIN LANDOWNERS THAT PROVIDE

SPONSORS: Messrs. Mandryck , Welsh, Waterman, Leach, Schiebel, Paparella

WHEREAS, this State proposal would provide income tax credits to those who allow snowmobile access in the form of a state-funded snowmobile trail on their property; and

WHEREAS, the Oneida County Board of Legislators recognizes that snowmobiling is a significant contributor to our economy; and

WHEREAS, the SUNY Potsdam Institute for Applied Research estimates that the snowmobile industry generates \$868 million in direct and indirect spending for the state of New York, and

WHEREAS, of the \$868 million, \$434 million accounts for total direct spending for items such as trailers, suits, helmets, restaurant sales, hotel stays and more; and

WHEREAS, \$163 million is the estimated economic impact for the Central New York region; and

WHEREAS, the snowmobile industry also generates an estimated \$16 million in State sales tax; and

WHEREAS, the snowmobile industry is overwhelmingly popular in Oneida County and the average annual household expenditure for snowmobile riders in Oneida County is estimated at approximately \$6,000; and

WHEREAS, the New York State Farm Bureau, at their most recent annual meeting, passed a policy stating, "We support a property tax credit for landowners who allow state-sanctioned snowmobile trails on their land;" and

WHEREAS, the snowmobile industry cannot rely on municipal lands alone as they are not connected and therefore the industry relies heavily on property landowners; and

WHEREAS, through the generosity of property owners, snowmobilers are able to pursue their interests; and

WHEREAS, it is time landowners are compensated fairly for allowing snowmobilers to use their property; and

NOW THEREFORE BE IT HEREBY RESOLVED, that the Oneida County Board of Legislators recognizes the importance of providing fair and equitable income tax credits to certain landowners who allow snowmobilers to use their property; and

BE IT FURTHER RESOLVED, that the Oneida County Board of Legislators hereby urges the New York State Legislature and Governor Cuomo to support this tax credit for landowners; and

BE IT FURTHER RESOLVED, that a copy of this Petition shall be forwarded by mail or email to the following:

A MEMORIALIZING PETITION SUPPORTING PASSAGE OF SENATOR CHARLES SCHUMER'S BILL TO PROVIDE GRANT FUNDING FOR TESTING OF LEAD IN DRINKING WATER FOR SCHOOL DISTRICTS AND DAY CARE CENTERS

SPONSORS: Messrs. Paparella, Welsh,

READ & FILED

WHEREAS, the Oneida County Board of Legislators believes that all residents in Oneida County, especially children, should have safe drinking water in their schools; and

WHEREAS, recent problems in other parts of the country like Flint, Michigan have brought the issue of safe drinking water to the forefront; and

WHEREAS, lead in drinking water has also been a problem in several New York schools such as Binghamton City School which found elevated levels of lead substance in more than 50 water sources, and Ithaca City School District which found excessive lead levels in tap water at their Caroline and Enfield elementary schools; and

WHEREAS, New York's Department of Education and local school districts are responsible for monitoring water quality in public school buildings based on federal lead standards established by the Environmental Protection Agency (EPA) and other agencies;

WHEREAS, in Oneida County, the Rome school district and other member districts of the Madison-Oneida BOCES are voluntarily testing drinking water in school buildings; and

WHEREAS, although there are no county Health Department requirements that schools test for lead in drinking water, the Oneida County Health Department has assisted with water sampling in schools in the past; and

WHEREAS, Senator Chuck Schumer (D-NY) and Congressman Bill Pascrell (D-NJ) have introduced companion bills in the House and Senate to fund lead testing at schools and day care centers; and

WHEREAS, Senator Schumer stated on the proposed legislation, "It's disturbing that Flint may have been just the tip of the iceberg when it comes to toxic lead in our kids' drinking water – and the lead contamination in Ithaca, New York, only underscores this concern. Right now there is a yawning gap in our lead-testing protocols. At the federal level, we do not require or support lead testing in schools"; and

WHEREAS, Senator Schumer's legislation would create a \$100 million federal grant program through the EPA to help school districts and child care centers test their drinking water for potential lead contamination; and

61

NOW THEREFORE BE IT HEREBY RESOLVED, the Oneida County Board of Legislators recognizes the importance of safe drinking water in our communities; and

BE IT FURTHER RESOLVED, that the Oneida County Board of Legislators hereby urges the passage of this pending legislation; and

WHEREAS, 52 of 62 counties, including Oneida County, are mandated by the State of New York to operate a local Department of Motor Vehicle (DMV) Office; and

WHEREAS, this local DMV operation is one of many examples of shared services in which the counties provide for the State; and

WHEREAS, under the current law, the State takes 87.3% of all DMV fees collected from the work performed by the Oneida County operated DMV, and

WHEREAS, the remaining 12.7% county share has not been increased since 1999, yet the amount of work mandated by the State has been increased for local DMV offices; and

WHEREAS, increasing the county DMV revenue sharing rate will provide counties with needed revenue to continue to provide necessary local government services and reduce pressure on property taxes without increasing fees to local residents; and

WHEREAS, an inequity is apparent when Oneida County DMV provides all of the services, including overhead and staffing needs for approximately 20 employees to fulfill these DMV services mandated by the State, yet the State takes 87.3% of the revenue generated from providing these services; and

WHEREAS, the State Senate recognized this inequity placed on counties by passing Senator Patty Ritchie's bill S.4964-A in 2015, which would raise the 12.7% county share up to 25%; and

WHEREAS, the New York State Association of Counties, at their 2016 legislative conference, passed a resolution calling for an increase in the share of revenue counties retain for providing State DMV services; and

NOW THEREFORE BE IT HEREBY RESOLVED, the Oneida County Board of Legislators recognizes the important function of the State DMV in providing support to counties and resident services; accordingly, any loss in the State DMV operational budget that occurs as a result of this bill's passage should be made whole through the State General Fund; and

Subject: Contract Recommendation – Xerox Color Printer Lease Renewal

Dear County Executive Picente:

The County's lease with Xerox for a 7530P Color Printer expires in May 2016. Our goal is to renew our lease with Xerox and replace the old 7530P with a new Xerox Work Centre 7845.

The new Xerox Work Centre 7845 is available for lease through a Pennsylvania Education Purchasing Program for Microcomputers (PEPPM) Contract which is attached for your convenience. Oneida County Purchasing has confirmed that use of this specific PEPPM is acceptable under the Oneida County Purchasing Policy.

Over the past 5 years, the Oneida County Print Shop has averaged 1,975 clicks per month for black only printing and 6,276 clicks for color on the current Xerox printer. Click charges under the new lease will be \$0.007 per click in black and \$0.053 per click in color making the average combined click charge per month a cost of \$346.46 or \$4,157.52 per year. Monthly equipment charges will be \$244.84 per month or \$2,938.08 per year. Click charges to do vary based on equipment usage and if usage does not deviate up or down under the new lease, total cost of click charges plus monthly equipment charges is expected to be \$7,095.60 annually or \$35,478.00 over a 5 year lease agreement. At the end of the lease, we will retain the hard drive from the printer in order to comply with County IT Policy for Protecting Personal Private Sensitive Information (PPSI) When Disposing of Electronic Equipment at a cost of \$175 making the value of the entire Lease \$35,653.00.

I respectfully request your approval of this lease recommendation for \$35,653.00 with Xerox Corporation with Corporate Headquarters located at 45 Glover Avenue, Norwalk, CT 06856.

Respectfully submitted,

Anne B. Hartman
Director, Central Services

Re: NYS Office of Community Renewal – 2016 Consolidated Funding Application –
Microenterprise Grant Project

Dear County Executive Picente:

In a continuing effort to assist businesses throughout Oneida County, we are proposing to apply for Community Development Block Grant (CDBG) funding made available by the New York State Office of Community Renewal (OCR) through the 2016 New York State Consolidated Funding Application.

Based on the requirements from the OCR, Oneida County will apply for an amount not to exceed \$200,000 for a Microenterprise Grant Program. This funding will assist small existing companies or start-up companies to support and foster their development or expansion. Eligible microenterprises must be or shall become a commercial enterprise with five or less employees. It is estimated that 8 new jobs will be created. Since Utica and Rome are entitlement communities under the U.S. Department of Housing and Urban Development CDBG Program, their residents are not eligible for this program.

Since the CDBG program does not require a local match, no Oneida County dollars will be expended on these projects. Upon award of the CDBG grant, Mohawk Valley EDGE will administer the program on behalf of Oneida County.

Therefore, we respectfully request that you submit to the Oneida County Board of Legislators a request to authorize you to submit an application to the New York State Office of Community Renewal for CDBG funding totaling \$200,000. Included in this resolution is the authorization to conduct the mandated public hearings on the Community Development Block Grant application, as required by the statutory requirements of the CDBG program, and, if awarded the grant, authorization to enter into an agreement with the Mohawk Valley EDGE to administer the program.

Should you have any questions regarding this matter please contact me.

Sincerely,

John R. Kent, Jr.

We need to start the process as each participating municipality needs to bring their contract before their Board. The results of their meetings determine whether or not they plan to participate and what we will need for total funding.
