Re: NYS Office of Community Renewal – 2016 Economic Development Application
– NCI Group, Inc. Project

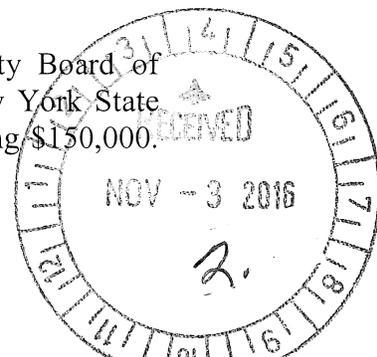

Dear County Executive Picente:

In a continuing effort to assist businesses throughout Oneida County, we are proposing to apply for Community Development Block Grant (CDBG) funding made available by the New York State Office of Community Renewal (OCR) through their 2016 Economic Development Program. The New York State Office of Community Renewal (OCR) has created a more flexible, year-round process for funding eligible economic development projects under the CDBG Program. The open funding round allows municipalities with projects that are ready to move forward to apply for funding at any time throughout the year.

Based on the requirements from the OCR, Oneida County will apply for an amount not to exceed \$150,000 for NCI Group, Inc. located in the Town of Westmoreland. This funding will assist the company with the purchase of machinery/equipment. The company is expanding their pre-engineered metal production capacity within the Northeast US, specifically within their Westmoreland facility, to produce complete building packages for the Northeast US and Canadian markets. This project will create 10 new jobs at the Westmoreland facility.

Since the CDBG program does not require a local match, no Oneida County dollars will be expended on these projects. Upon award of the CDBG grant, Mohawk Valley EDGE will administer the program on behalf of Oneida County.

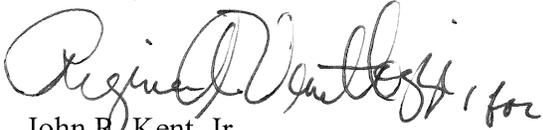

Therefore, we respectfully request that you submit to the Oneida County Board of Legislators a request to authorize you to submit an application to the New York State Office of Community Renewal for an Economic Development grant totaling \$150,000.

Included in this resolution is the schedule to conduct the mandated public hearings on the Community Development Block Grant application, as required by the statutory requirements of the CDBG program, and, if awarded the grant, authorization to enter into an agreement with the Mohawk Valley EDGE to administer the program.

Should you have any questions regarding this matter please contact me.

Sincerely,

Re: NYS Division of Criminal Justice Services – SFY 2016-17 Police Protective Equipment Program (PPEP)

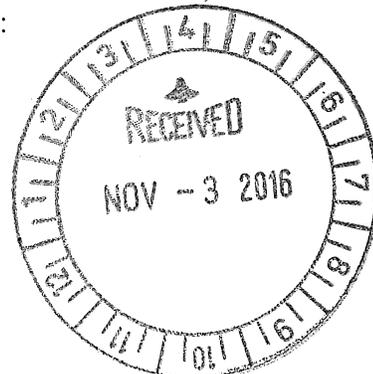

Dear County Executive Picente:

In a continuing effort to assist local police agencies throughout Oneida County, we are proposing to apply for SFY 2016-17 Police Protective Equipment Program (PPEP) funding made available by the New York State Division of Criminal Justice Services (DCJS). The New York State DCJS seeks to fund local police agencies so they may purchase advanced ballistic helmets, advanced ballistic vests and DCJS approved patrol rifles. The PPEP will equip local police agencies with the greatest level of protection and effectiveness to help local police agencies combat active shooter incidents, terrorist attacks, and other criminal events.

Based on the requirements from the DCJS, Oneida County will apply for an amount not to exceed \$100,000. The Application requires that the awarded funds be made available to the Oneida County Sherriff's Office (OCSO) and the largest police department within the county which is the City of Utica Police Department (UPD). We are also recommending that funding be made available to the New Hartford Police Department (NHPD) and the City of Rome Police Department (RPD).

The goal of these departments is to better equip themselves against criminal, terrorist and active shooter incidents within Oneida County. This equipment will give personnel quick and accessible means of protection and ballistic range to effectively address these events. The amounts listed below represent a request, not a guaranteed amount, as the amount awarded will be determined by the New York State DCJS:

- OCSO: \$30,000
- UPD: \$25,000
- NHPD: \$22,000
- RPD: \$23,000

51

Since the DCJS program does not require a local match, no Oneida County dollars will be expended on these projects.

Therefore, we respectfully request that you submit to the Oneida County Board of Legislators a request to authorize you to submit an application to the New York State Division of Criminal Justice Services grant totaling \$100,000.

Should you have any questions regarding this matter please contact me.
