

## **Emergency Cancellation of Oneida County Examinations**

In the event of unforeseen circumstances that lead to the cancellation of scheduled examinations, the Oneida County Department of Personnel has established a list of television and radio stations to tune into for examination cancellation information.

If cancellation is due to inclement weather, a determination to cancel examinations will be made the morning of the scheduled examinations. Determination will not be made on weather forecasts.

For all other emergency circumstances, time and situation allowing, the Oneida County Department of Personnel, in addition to using television and radio stations, may also use additional forms of contact to notify candidates, such as, telephone calls and/or email addresses.
