DESCRIPTION:

To assist local municipalities and agencies in fulfilling their purchase requirements listed in TITLE above, it is the intent of this Award to provide Heavy Duty Trucks for purchase during the 2019. Commencing with the date of this Award, municipalities and agencies authorized by New York State Law may purchase per the "General Instructions to Bidders" paragraph 26, page 5, of the Specifications.

NOTE TO AUTHORIZE USERS:

When placing purchase orders under the contract, the authorized user should be familiar with and follow the terms and conditions governing its use. The authorized user is accountable and responsible for compliance with the requirements of public procurement processes. The authorized user must periodically sample the results of its procurements to determine its compliance. In sampling its procurements, an authorized user should test for reasonableness of results to ensure that such results can withstand public scrutiny.

The authorized user, when purchasing from this county contract, should hold the contractor accountable for contract compliance and the meeting of the contract terms, conditions, specifications, and other requirements. Also, in recognition of market fluctuations over time, authorized users are encouraged to seek improved pricing whenever possible.

Authorized users have the responsibility to document purchases, particularly when using this county multiple award contract for the same or similar products or services, which include;

- A statement of need and associated requirements,

- A summary of the contract alternatives considered for the purchase,
- The reason(s) supporting the resulting purchase (e.g., show the basis for the selection among multiple contracts at the time of the purchase was the most practical and economical alternative and was in the best interest of the municipality or agency).
