

ONEIDA COUNTY

Office of the Fire Coordinator

TRAINING BULLETIN

Traffic Incident Management System

Traffic incident management is the process of coordinating the resources of a number of different partner agencies and private sector companies to detect, respond to, and clear traffic incidents as quickly as possible to reduce the impacts of incidents on safety and congestion, while protecting the safety of on-scene responders and the traveling public.

LOCATION: Willowvale

DATES: February 7 & 12

All evening classes begin at 6:30 P.M.

Pre-registration is required.
