Mobile Operation Center (MOC) RFP Griffiss International Airport #2019-264

The County of Oneida seeks proposals from capable providers for the design, construction, and delivery of an Unmanned Aerial System (UAS) Mobile Operation Center (MOC). The MOC will be used to support UAS operations and testing in areas that include the NY UAS corridor between Rome and Syracuse, New York.

Proposers shall provide a system architecture and design for each of the proposed systems in accordance with the attached specification.

Qualified proposers shall describe their experience with the development of a mobile operations capability, UAS operations, systems integration, data management, communication systems, networking, and a wide array of sensors.

Specifications **MUST BE RECEIVED** from the Oneida County Department of Aviation. Interested persons or firms can receive additional information regarding this RFP, the required content of the RFP submission, from the Commissioner of Aviation at 660 Hangar Road, Suite 223, Rome, NY 13441, 315-736-4171, or via e-mail at clawrence@ocgov.net. Copies of the described RFP may be examined at no expense at the Oneida County Department of Aviation.

The deadline for RFP submissions is March 22, 2019. Sealed RFPs must be returned in the form prescribed.

Interested parties should submit one (1) original and three (3) copies of their proposal *no later than 10:00 AM on March 22, 2019* to the following:
