## 2018 Permit / Operation Fee Schedule

In accordance with State of New York Public Health Law, Article 6, Part 40-4, a fee is required for services conducted by this department with respect to oversight of the following operations. Article 6, Part 40-4 states that "...each municipality must charge a fee for the granting of a permit, inspections, and other services prerequisite to the issuance of a permit, or for rendition of clinical or other services..." The following is the current fee schedule for the given operations in Oneida County.

Please make checks payable to **Oneida County** or you may pay online at: <https://paylocalgov.com/Payment/SelectEntity/223>

**PLEASE NOTE** - You must include fees for each facility for which an application is being submitted. For example, if there are three temporary food service facilities operated by the same owner/operator, fees may be combined into one payment for a total of \$375.00. However, separate permit applications should be completed for each facility.
