ONEIDA TOBACCO ASSET SECURITIZATION CORPORATION Notes to Financial Statements

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Financial Reporting Entity

The Oneida Tobacco Asset Securitization Corporation (OTASC) is a special purpose, bankruptcy-remote local development corporation incorporated under the provisions of section 1411 of the State's Not-For-Profit Corporation Law. The Corporation was established in December 2000 for the exclusive purpose of acquiring all rights, titles and interest the County of Oneida is due under the Master Settlement Agreement (MSA), the result of tobacco industry litigation. OTASC acquired the rights to receive all future Tobacco Settlement Receipts (TSR's). The acquisition price of the County's future right, title and interest in the TSR's has been financed by the issuance of serial bonds, as part of the New York Counties Tobacco Trust I, Trust IV and Trust V, which issued Tobacco Settlement Pass-Through Bonds. TSR'S which exceed various expenses of OTASC, debt service and required reserves are transferred to a Residual Trust, under the entitlement of Residual Certificate. The County has a beneficial interest in the Trust and ultimately receives funds held by the Trust. The County has no legal obligation for any of the liabilities or debt which may exist in OTASC.

In order to meet payments on debt service and other obligations the OTASC is dependent upon the receipt of future TSR's.

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting, whereby revenues are recognized when earned, and expenses when incurred.

Cash Equivalents

Cash equivalents are funds held in various types of investment accounts. These funds are held by the Trust and are invested in money market accounts and US Treasury obligations. These investments are recorded at cost which approximates fair market value as of December 31, 2013 and 2012

Income Taxes

The Oneida Tobacco Asset Securitization Corporation is a not-for-profit organization and exempt from income taxes under section 115(1) of the Internal Revenue Code.

Management's Use of Estimates

OTASC prepares its financial statements in conformity with accounting principles generally accepted in the United States which require management to make estimates and assumptions that affect the reported amounts and disclosures. Actual results could differ from those estimates. Estimates are used when accounting for certain items such as future collections on receivables, liquidity reserves, and contingencies.
