Re: Capital Account H – 274 Transit Modernization Phase III
Amendment

RECEIVED
ONEIDA COUNTY LEGISLATURE
APR 15 PM 3:50

Dear Mr. Picente:

Capital Account H-274 (Transit Modernization, Phase III) was established for various federal and state funded transit capital projects. This account facilitates the purchase of different kinds of vehicles as well as the purchase of various equipment related to public transportation in Oneida County.

Recently, Oneida County received notification from the New York State Department of Transportation, that its application for additional capital investment assistance under Federal Transit Administration Section 5311 was awarded. The approved grant includes the purchase of four (4) buses for Oneida County Rural Transit service, provided by the Birnie Bus Tours. An amendment resolution to the capital account is now necessary to accommodate the additional allocation of \$300,000 (Federal 80% - \$240,000; NYS DOT 10% -\$30,000 and local 10% - \$30,000) for the capital items. It is important to note, that the purchase of the new capital items will be at no cost to the County, because the required local match will be provided by Birnie Bus Tours Inc. as it's stated in their letter from 12/14/2006.

I request that you recommend to the Board of Legislators for its consideration and approval the attached amendment to Capital Project H-274 – Transit Modernization Phase III in the amount of \$300,000 additional dollars.

I would be pleased to discuss this matter with you and/or the Board at your convenience.

Sincerely,

John R. Kent Jr.

Re: NYSDOT Mass Transportation Capital Project
Agreement - Authorizing Resolution

Dear Mr. Picente:

The New York State Department of Transportation (NYSDOT) recently approved the Oneida County Section 5311 Capital Investment Grant application for a rural and non-urbanized transit capital project. The approved project is for the purchase of four (4) buses and bus related equipment, to replace two 2000 and two 2002 buses, which are approaching their expected service life.

The total amount approved for this project is \$300,000 (80% Federal, 10% NYS Department of Transportation and 10% local share) total costs. The required local match, which is up to \$30,000, will be paid by the Birnie Bus Tours Inc, the public transportation services provider in the rural areas of Oneida County. There will be no cost to Oneida County in this project.

The Oneida County Board of Legislators, approved filing of the application with its Resolution No. 91 from 03/28/2007.

I request that you recommend to the Board the attached resolution, authorizing the Oneida County Executive to sign the Mass Transportation Capital Project Agreement for the Section 5311 capital project. I would be pleased to discuss this proposed Agreement with you and/or the Board at your convenience.

Sincerely,

PUBLIC SAFETY

WAYS & MEANS

Honorable Members:

As explained in the attached letter from the Oneida County Sheriff, he is requesting a new Deputy Sheriff position (Grade 1S Step 4) at a starting salary of \$33,555. It is anticipated this new hire will start on June 1, 2008 and will attend the police academy for the first three months. In September, after the cadets graduation, the cadet will be used to replace an officer that will be reassigned to a new assignment.

The Holland Patent School District has requested the Sheriffs Department to provide a full time School Resource Officer beginning in September 2008 as a result of an unfortunate but very dangerous event that occurred in the current school year. A more seasoned officer will be assigned to the school district which will create an opening in the Sheriffs Office which will be filled by the above requested new position. The Sheriffs Department and the Holland Patent School System are entering into an agreement which the Holland Patent School System will reimburse Oneida County for cost incurred including salary and fringes.

The agreement calls for reimbursement from Holland Patent School System which will be used to offset the cost of the new deputy. The contract with Holland Patent Schools is will run on a year to year basis.

Due to the fact this new position isn't anticipated to be filled until June it is only necessary to fund the position at approximately half its salary and benefits

I therefore request that your Board approve the following 2008 supplemental appropriation:

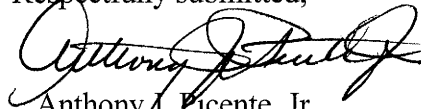

TO:	
AA# A3120.101- Sheriff - Law Enforcement/Salaries.....	\$ 14,454.
AA# A3120.810- Sheriff - Law Enforcement/Retirement	1,469.
AA# A3120.830- Sheriff - Law Enforcement/Social Security	1,106.
AA# A3120.840- Sheriff - Law Enforcement/Workers Compensation	419.
AA# A3120.860- Sheriff - Law Enforcement/Health Insurance	<u>5,146.</u>
Total:...	\$22,594.

7.

These supplemental appropriations will be fully supported by unanticipated revenue in:

RA# A2735 - Sheriff – Law Enforcement / School Resource Officer \$ 22,594.

Dear County Executive Picente:

Attached for your review and approval is correspondence from Sheriff Daniel G. Middaugh, requesting the creation of a new Deputy Sheriff position in Sheriff-Law Enforcement, Cost Center 3120.

As stated in Sheriff Middaugh's letter, he is requesting one (1) Deputy Sheriff position (Grade 1S, Step 4 \$33,555) to be assigned to the School Resource Program. An experienced Deputy Sheriff will be assigned to the Holland Patent School district per a contractual arrangement between the district and the Sheriff's Office.

Under separate cover, Sheriff Middaugh is requesting a supplemental appropriation to fund this additional Deputy Sheriff position.

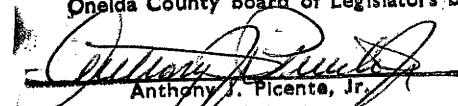

Therefore, I recommend the creation of one (1) Deputy Sheriff position (Grade 1S, Step 4 \$33,555) to Sheriff-Law Enforcement (Cost Center 3120).

If you concur, I respectfully request this recommendation be forward to the Board of Legislators for their consideration and action.

Re: New Deputy Sheriff Position for School Resource Program

Paulette

Dear Ms. Nickerson,,

I am requesting the creation of a new Deputy Sheriff position in Law Enforcement. The new Deputy would be hired in mid June and immediately be enrolled in the Police Academy. This position will replace a more seasoned Deputy to work in the School Resource Program. The Holland Patent School System has an agreement with the Sheriff's Office for Law Enforcement coverage in this program. The catalyst to this arrangement was the firing of a weapon by a student on one of their school buses. Presently, we are providing coverage with an overtime detail to accommodate the school, but the plan is for a full time Deputy to be assigned. A Supplemental Appropriation Request has gone to the County Executive to fund the position.

Please create one new Deputy Sheriff position as follows:

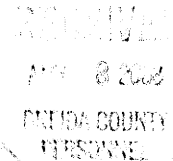

Deputy Sheriff 1S Step 4 \$33,555 (80% starting salary)

Dan

Re: Supplemental Appropriation: New School Resource Officer Deputy

Tony
Dear Mr. Picente,

I have requested the creation of a new Deputy Sheriff position (1S 4) in Law Enforcement through separate cover letter to the Commissioner of Personnel. The new Deputy, to be hired in June, will attend the Police Academy, and will replace a more seasoned officer that will be reassigned to the School Resource Officer Program. The Holland Patent School System has an agreement with this Office for the placement of a Deputy in their school district. The Holland Patent School District will reimburse the county for salary and fringe for the SRO Deputy that will be used to offset the hiring of the new officer.

A Supplemental Appropriation Request for the hiring of the Deputy is as follows:

A3120.101	Salaries	\$ 14,454
A3120.810	Retirement	1,469
A3120.830	Social Security	1,106

WAYS & MEANS

Honorable Members:

As explained in the attached letter from the Oneida County Sheriff, he is requesting a supplemental appropriation to have access to his department's Forfeiture Funds which were acquired through various assets seized during law enforcement. These funds will be used to purchase three pieces of equipment, the first piece requested is a forensic drying cabinet which is used to dry and protect forensic evidence. The second piece of equipment requested is a digital camera including various size lenses and a flash. The third piece of equipment requested is an underwater side scan unit which will be used for search and rescue of drowning victims and other objects located under water. The sheriff is also requesting additional funds to be used to subsidize a leased vehicle for the Criminal Investigations Unit which has been using leased vehicles due to the fact this unit does not put the mileage on the vehicles that the road patrol does..

I therefore request that your Board approve the following 2008 supplemental appropriation:

TO:

AA# A3120.295- Sheriff - Law Enforcement/Other Equipment.....	\$ 17,202.
AA# A3120.453- Sheriff - Law Enforcement/Lease of Vehicle	2,100.
Total:...	\$ 19,302.

These supplemental appropriations will be fully supported by unanticipated revenue in:

Dear Mr. Picente,

I am requesting a Supplemental Appropriation for the use of Forfeiture Funds. These funds are received when assets are acquired as part of a law enforcement seizure. These funds are placed in a restrictive account (A889-889/8) with sufficient funds available in the account. Within the limitations set for the use of these funds, I am requesting funding for equipment to include the purchase of a forensic evidence drying cabinet, a digital camera with lens and flash, an underwater side scan unit, and a vehicle lease for the Criminal Investigations Unit.

The Appropriation Request is as follows:

<u>Account</u>	<u>Amount</u>
A3120.413 Lease of Vehicle	\$ 2,100
A3120.295 Other Equipment	17,202
Total:	19,302

PUBLIC WORKS WAYS & MEANS

Dear County Executive Picente,

There is unanticipated revenue from D3501, Consolidated Highway Aid that will allow this department to maintain the current highway maintenance programs that would have been reduced due to increased costs. Therefore, there is a need to increase Maintenance of Highways & Bridges accounts D5110.102, Temporary Help, D5110.495, Other Expenses and D5110.491, Other Materials & Supplies for FY 2008.

I respectfully request the following 2008 supplemental appropriations be considered:

D5110.102	TEMPORARY HELP	\$ 75,000.00
D5110.495	OTHER EXPENSES	\$ 50,000.00
D5110.491	OTHER MATERIALS & SUPPLIES	<u>\$275,000.00</u>
TOTAL		\$400,000.00

Supported by unanticipated revenue in:

D3501	CONSOLIDATED HIGHWAY AID	\$400,000.00

Honorable Members:

I am in receipt of a letter from Legislator Stephen Roefaro requesting that the Board restore \$32,000 to Workforce Development for the redevelopment of the College Corp program.

The College Corp program is a successful program that can help the Mohawk Valley tackle its top workforce issue – the retention of its young people -- needs the support of the Oneida County Board of Legislators to encourage Oneida County community-based employers to partner with County Government and offer more Oneida County-based college students meaningful, rewarding summer internships.

An allocation of \$32,000 will allow the Oneida County College Internship Program to provide 37 internship slots for Oneida County-based students, with the county's funding being matched by funding from employers.

Supplemental funding to address the high interest in internships from both students and local agencies would allow for the Internship Program, which began in 1998 with funding from the Board of Legislators, to meet the needs of local community agencies that want interns and can offer challenging, valuable experiences. This project would dovetail nicely with a state grant-funded internship project that is providing staff support for a regional internship effort focused on increasing the numbers of interns hired by the private sector.

Because of this grant, Supplemental Funding, once matched by employers, would be used solely to fund the salaries and related expenses (FICA, etc.) of summer interns. There would be no College Corps staff funded through this grant. The average cost of a student's salary and expenses (FICA, etc.) for the 200-hour internship over six to eight weeks is about \$1,700. The Supplemental Funding would fund half of 37 internship slots, with the employers' money funding the other half.

Therefore, I respectfully request the Board approve the following 2008 Fund transfer:

TO:
AA# A9930.9 – Transfer to Workforce Development \$ 32,000.

FROM:
AA# A1992.9 – Budget Special Items / Contingent Salaries \$ 10,000.
AA# A1990.9 – Budget Special Items / Contingent Account 22,000.
Total: . \$ 32,000.

It is also necessary that the Board approve the following **2008** Supplemental Appropriation:

TO:
AA# J6303.102 – Oneida County College Students Corps – Temp Help \$ 32,000.

This increase in appropriation will be fully supported by the following unanticipated revenue:

RA# J6303 -J5031 – OC College Student Corps – Transfer from General..... \$ 32,000

Honorable Gerald J. Fiorini
Chairman-Board of Legislators

Dear Chairman Fiorini,

Our area is home to over 25,000 college students, many of which are from other areas of the country. In addition to these students are thousands of local high school graduates who attend college out of town. Our area has long struggled with retaining graduates in our area, and bringing back those who have left to seek other opportunities.

In 1998, you were a leader in creating a program aimed at offering internship programs for students returning home on summer break. Unfortunately, for a number of reasons this program did not reach its full potential in securing private sector participation, and funding for the College Corp Program was reduced in the 2008 budget.

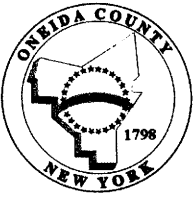

Since taking office in January, I have been working closely with a number of agencies, including the Office of Workforce Development and David Mathis attempting to resurrect the program. We have developed a plan that uses existing staff at Workforce Development to run a program similar to the former College Corp. I believe that a reformed program will flourish, especially since the private sector has showed significant interest.

Therefore, I am requesting that the Board of Legislators appropriate \$32,000 to the College Corp Program to supplement costs for the summer, and look to transition the College Corp into a year round internship program. Thank you again for your consideration.

Sincerely,

Stephen Roefaro

Dear Legislators:

As in past years, Oneida County has been asked to be a major contributor in the funding of the Utica Monday Nite program.. Utica Monday Nites is going into its twelfth year of promoting and presenting various forms of the arts in Oneida County. Although the events are scheduled in the City of Utica the participants are from all over the Oneida County.

I believe this program has had a very positive impact and the various programs are enjoyed by thousands of people on any given Monday night. The funds requested will be used to help ease the administrative and programming costs for the Utica Monday Nite 2008 summer season.

I therefore request your Board's approval for the following 2008 fund transfer:

TO:		
AA# A7452.49576 – Economic Development – Utica Monday Nites		\$ 20,000.
FROM:

Dear County Executive Picente,

An Airport Improvement Program Grant description (AIP 3-3-0119-03-04) was recently amended by the Federal Aviation Administration to provide for an Airport Layout Plan (ALP) Update. This amendment allows the County to use remaining AIP funds that would otherwise have been lost. *However, we must act quickly as the FAA requires the Grant to be closed out by May 19th.* The Department of Aviation is therefore submitting the following Planning Services Agreement with C&S Engineers, Inc. in the amount of \$79,731.00 that provides for the planning services necessary to complete an FAA approved ALP update. The last Griffiss ALP was completed in 2003 and does not include the many improvements accomplished in the past five years. The FAA has already reviewed and approved the Consultant Agreement. Also, the County Board of Acquisition and Contract approval was received April 16, 2008.

The Oneida County Board of Legislators (F.N. 2006-350, Res. No. 318) has approved C&S Engineers, Inc., as Oneida County's designated Airport Consultant.

Please review this Planning Services Agreement with C&S Engineers for \$79,731.00 to provide an ALP Update. If acceptable, and considering the rapidly approaching May 19th grant termination, the Department of Aviation is respectfully requesting the County Executive seek Board of Legislator approval no later than their May 14th meeting. This is a 95% Federal participation, 2.5% State participation reimbursement program with the County providing a 2.5% local share. (Capital Project H-339.)

Should you have any questions regarding this application please contact me. Thank you.

Sincerely,

Dear County Executive Picente:

This is a request to consider agreements between the County of Oneida and the involved city, towns and villages in Oneida County for road striping for the 2008 season.

Attached is a copy of one of the typical agreements. The language in most of the agreements is the same with the exception of those who utilize sharing of services, i.e. we will stripe certain roads, and in turn, that municipality will mow or ditch County roads. The County purchases the materials and is reimbursed by the Towns.

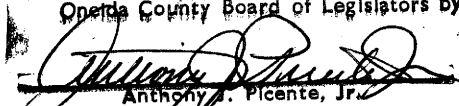

I respectfully request that the Public Works and Ways and Means Committees consider this agreement, with presentation to the Board of Legislators.

Dear Mr. Picente,

I am forwarding five (5) copies of an Amendment between the Oneida County Department of Mental Health and Knowledge Intersect, Inc. for your review and signature. This Amendment reflects an addition in the funding previously approved for Knowledge Intersect, Inc. Under this proposed Amendment, Knowledge Intersect, Inc. will:

1. Purchase and set-up three new HMIS-ready PCs for the Oneida County Department of Mental Health's Homeless Assistance Case Management Program currently managed under contract by with OCDMH by Central New York Services, Inc.
2. Configure a server for the Homeless Assistance Case Management Program office located at 1006 Park Ave. in Utica.
3. Customize and license *c-info* software to accommodate the Oneida County Department of Mental Health's Single Point of Access/Accountability (SPOA/A) process to capture and manage data necessary for SPOA/A operation while simultaneously capturing and managing data for the Oneida County Department of Mental Health's Homeless Management Information System (HMIS).

The gross amount of this agreement is \$106,383 reflecting an addition of \$10,200 to Contract #007806 which is funded entirely grant project number NY06B51-8004 from the US Department of Housing and Urban Development to Oneida County Department of Mental Health. **There are no county revenues associated with this Agreement.**

Thank you for your time and consideration of this request.

Sincerely,

Linda M. Nelson

Re: Kalil, et al v. County of Oneida
Litigation involving Oneida Street, New Hartford, NY

Dear Mr. Picente:

As you may know, the County was recently named as a defendant in a lawsuit pertaining to a parcel of land on Oneida Street in New Hartford owned by Oneida County. The lawsuit was brought by Frank Ferraro, Harold Julian and Waddie Kalil, and seeks an Order from the Court directing the County of Oneida to convey its interest in said property to the plaintiffs. The plaintiffs' claim is based on the allegations briefly summarized below:

Mr. Kalil and his partners purchased a parcel of real property from George Rider (and others) back in 1983 (Parcel 1). The County also had an interest in that same parcel as a result of unpaid county taxes. Following their purchase of the Rider parcel, Mr. Kalil and his partners paid off the outstanding county taxes due on that parcel, in light of which the County transferred its interest to them.

For some reason which Mr. Kalil has not been able to satisfactorily explain to me or to the County Finance Office, he believes that when he paid the outstanding taxes due on the Rider parcel, that he was intending to and actually did purchase an adjoining parcel that was also, coincidentally, owned by the County of Oneida. This adjoining parcel (Parcel 2), is the subject of the lawsuit.

Absolutely no documentation has been presented by Mr. Kalil, nor does any documentation exist in the County Finance Office's records, that would support his contention. At no time did the County ever offer Parcel 2 for sale. In fact, it appears that Parcel 2 was acquired back in 1939 from one William Nelson for planning purposes and from that point forward, it was always carried on the roll as tax exempt property.

2008 APR 30 AM 10:36
RECEIVED
ONEIDA COUNTY LEGISLATURE

48.

As far as I can gather, it appears that when both the Rider deed and the County deed relating to Parcel 1 were recorded in the registrar's office, the local Assessor erroneously concluded that these deeds related to two separate and distinct parcels. As a result, the Assessor placed **both** Parcel 1 and Parcel 2 in the plaintiff's names on the tax rolls, when, in fact, only Parcel 1 should have been put in their name. This problem was only recently discovered when a title examiner concluded that Mr. Kalil and his partners never obtained a deed to Parcel 2.

Mr. Kalil's primary contention is that the County must now do what it should have done then - deed its interest in Parcel 2 over to him and his partners. We previously went before the Supreme Court, and the Judge assigned to this case implied that the claim was without merit, but suggested that the matter could be resolved by allowing the plaintiffs to purchase Parcel 2 from the County for a fair price. That, now, seems to be the central issue - what is a fair price?

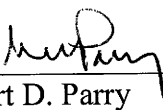

Both parties have obtained appraisals and there is a wide discrepancy between the two (they are about \$20,000 apart). Mr. Kalil believes that even if the higher appraiser were to prevail, he is of the opinion that the appraised value should be offset by all of the taxes paid by him and his partners over the past twenty five years. In all, he indicates that the amount paid exceeds the appraised value, and thus, he is proposing that the County sign over its interest for no additional consideration.

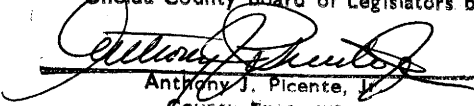

It is worth noting that both parcels have been listed for sale for the past twenty-five years and they have been unable to sell them before now. They recently received an offer to sell both parcels for a combined price of \$50,000 and, unless they are able to resolve this matter with the County, the deal will fall through.

I respectfully request that you refer this matter to the Board of Legislators for their review as any sale of Parcel 2 would have to be approved by them. Mr. Kalil and his partners are anxious for resolution, thus, your prompt attention is requested.

Thank you.

Very truly yours,

Kurt D. Parry

Dear Mr. Picente:

Re: Partnership for Youth Grant Award

Attached for your review and approval is a grant awarded to the Oneida County Youth Bureau by the NYS Office of Children and Family Services per Board Resolutions and Local Law # 3 of 1991, amending Article VIII, Section 802 of the Administration Code.

This grant totaling \$252,000.00 establishes the Oneida County Youth Bureau as the lead agency in coordinating youth education and training programs for the tri-county area including Madison and Herkimer counties. Each of the three counties will be coordinating additional new mentoring, education and training services through their individual Workforce Development offices. During the 12 month period of the grants' active period, a total of 75 youth are expected to be provided with the training and skill-building necessary to give them the tools they need to be productive and self-sufficient.

The term of this agreement is December 1, 2007 through November 30, 2008. The delay in forwarding this document for approval was due to a delay at the state level in providing us with the contract documents. *There are no county match funds required for the operation of this grant.*

I am respectfully requesting your approval of this grant awarded to the Oneida County Youth Bureau by the NYS Office of Children & Family Services. In addition, because the contract was delayed in arriving from the state, I am respectfully requesting that this be forwarded to the Board of Legislators to be reviewed at their earliest convenience.

Very truly yours,

RE: Retaining Counsel-Interest Arbitration

Dear Mr. Fiorini:

I respectfully request that FN 2008-243 be withdrawn from consideration by the Board of Legislators in anticipation of further advice from labor counsel regarding the pending interest arbitration.

Thank you.

Very truly yours,

Anthony J. Picente, Jr.
Oneida County Executive
