Dear Mr. Picente:

Attached are two (2) copies of an Agreement between Oneida County through its Health Department and Vernon Verona Sherrill Central School District. Through this Agreement, the County will provide related services rendered to eligible preschool age children with disabilities.

Under Section 4410 of the New York State Education Law and in compliance with Part 200 of the Regulations of the Commissioner of Education of the State of New York, counties are to provide payment for related services rendered to eligible preschool age children with disabilities. The term “related services” includes, but is not limited to, services such as audiology, occupational therapy, physical therapy, speech pathology, and psychological services.

The term of this agreement will commence July 1, 2018 through June 30, 2020. This is a New York State mandated program. New York State will reimburse the county 59.5% of the costs incurred. The expected total for two years is $49,000.00 and is an estimate.

If this meets with your approval, please forward to the Board of Legislators.

Sincerely,

Dear County Executive Picente,

This contract adds construction inspection and administration services to the existing engineering services contract for reconstructing Woodhull Road Bridge in Forestport.

Governor Cuomo created the BRIDGE NY program for the purpose of funding bridge and culvert reconstruction projects on local highways. Projects will receive up to 95% reimbursement via federal aid with a 5% local match. Oneida County has been awarded the following grant through this program.

Oneida County
PIN 2754.36: Woodhull Rd./Woodhull Ck. (BIN 3310660)
Budget: $470,000 ($446,500 federal/$23,500 local)
Scope: Bridge Deck Replacement

In accordance with the NYSDOT Procedures for Locally Administered Federal Aid Projects, Oneida County solicited an Expression of Interest (EOI) from each firm on the NYSDOT Region 2 LDSA County list. Each EOI was reviewed and scored on a qualifications basis. State and Federal procedures prohibit the use of consulting fees as a determining factor. It was decided that Delta Engineers, Architects, & Land Surveyors, D.P.C. (Delta) are the most qualified consultant for this project. On October 11, 2017 the Oneida County Board of Legislators approved a contract with Delta in the amount of $78,957.00 for design services.

Design services have been completed and it is necessary to secure construction inspection and administration services. The Department of Public Works has negotiated a proposed contract amendment with Delta Engineers, Architects, & Land Surveyors, D.P.C. to provide construction inspection and administration services for $87,533.00.

On May 9, 2018 the Oneida County Board of Acquisition and Contract accepted a proposal from Delta Engineers, Architects, & Land Surveyors, D.P.C. with a Lump Sum fee of $87,533.00 to provide construction inspection and administration for reconstruction of the Woodhull Road Bridge over Woodhull Creek in the Town of Forestport.

If acceptable, please forward the enclosed contract amendment for the aforementioned services to the Oneida County Board of Legislators for consideration. Thank you for your continued support.

Sincerely,

Dennis S. Davis

The Honorable Gerald J. Fiorini, Chairman
Oneida County Board of Legislatures
800 Park Avenue
Utica, NY 13501

Dear Chairman Fiorini:

In the 1940’s Oneida County acquired property located at 3622 Skyline Drive in the Town of Kirkland. This property was originally acquired for the purpose of constructing and operating an emergency services radio transmission facilities site and other municipal radio transmission facilities. In the early 1960’s all emergency services radio transmission facilities were relocated, and later all other municipal radio transmission facilities were relocated as well.

In the years following, numerous lease agreements were executed with private corporations and other organizations for the purpose of constructing transmission facilities (i.e. towers, equipment shelters, etc.), or installing transmission facilities on existing towers and in existing equipment shelters. At this time, the following organizations are operating and maintaining radio broadcast facilities or wireless communications facilities:

AT&T
Verizon Wireless
NexNav
Family Life Radio
Galaxy Communications
Roser Communications
National Grid

Annual lease revenues total approximately $66,000.00 and annual operating and maintenance costs total approximately $20,000.00. In 2019 it will be necessary to spend approximately $250,000.00 on tower repairs, site security, communication equipment shelter repairs, vegetation removal, and access road repairs.

Therefore, I request the Board declare the parcel to be Surplus, and to authorize the disposition by auction of said property, including all physical assets and lease agreements. Please note that private ownership of said property will result in property tax revenues that may meet or exceed current net lease revenues.

Sincerely,

Subj: IT Master Services Agreement Recommendation

Dear County Executive Picente:

Oneida County Central Services has utilized vendors to augment services, purchase equipment and support for all areas of County IT support. The services are critical to the function of the entire County’s computer and network infrastructure. Often, the need for equipment or services can be planned and justified yet the execution of contract procurement is a timely process. More often, the contracts cover the same legalities and are duplicated repeatedly for the same vendors. A multivendor Master Service Agreement will assist Oneida County Central Services speed the process of planning, securing resources and executing projects into production. The enclosed agreement, with ComSource, Inc., is the first of the Master Service Agreements to be prepared, after the solicitation of vendors through a Request for Proposals.

A total of three vendors responded to RFP #2018-233. The plan for Central Services is to enter into agreements with all three vendors, and then assign projects to each of them, as-needed, based (in order of priority) upon the grade they received during the review of their proposals. The three approved companies are: Annese & Associates, Inc., ComSource, Inc. and Systems Management Planning, Inc. (SMP) respectively.

The attached Master Service Agreement will help Central Services procure and support Oneida County’s infrastructure needs and to provide technical professional services as defined by Central Services management and project lists on an as-needed basis. The three vendors referenced above are currently familiar with the Oneida County infrastructure and Oneida County Central Services will continue to operate using Statement of Work that will ultimately be governed by the terms of this agreement. This agreement establishes all of the legal terms and conditions required by Oneida County, thereby providing assurance that Central Services will be safeguarded, and that contact details will be
consistent for the life of the three-year agreement. The contract will also have two one-year renewal options.

With this Master Services Agreement in place, Oneida County Central Services can better concentrate on the critical application of work that needs to be done to support Oneida County’s technical infrastructure. The three vendors referenced above also are capable of supporting the proposed CISCO Voice Over IP (VOIP) telephone system that we are in the planning stages of. I respectfully request your approval of a three-year contract with two one-year options for an estimated cost of at least one hundred thousand dollars ($100,000.00) per year with ComSource Inc. I am also requesting that this contract be approved as a template for agreements between the County and Annese & Associates, Inc. and SMP, respectively, with the same terms and conditions. If you approve, I would ask that you demonstrate your approval by endorsing this letter, and forwarding the same (with enclosures) to the Board of Legislators for approval at their next scheduled meeting.

As always, please feel free to contact me directly with any questions or concerns that you may have regarding this agreement.

Respectfully Submitted,

AnneMarie Ambrose

Dear Mr. Picente:

On Thursday, September 14, 2018, the Oneida County Finance Department received bids on various tax delinquent properties. Attached, please find a list of the highest offers received that evening. Collection efforts have resulted in collecting over $1,548,297.80 in delinquent taxes.

We would also like to personally thank the following departments: Central Services for providing staff to assist with computer/printer set-up, testing and IT support prior to and during the auction; and also the Sheriff’s Department for providing security to and from the Delta Hotels by Marriott.

We recommend full Board consideration of the attached bids for approval on the October 10, 2018 meeting and respectfully request that you forward same at your earliest opportunity.

Sincerely yours,

Anthony Carvello

RE: Memorandum of Agreement and Offer to Purchase dated September 13, 2018 by and between Carl Vogel and Oneida County for property located at NYS Route 5, Kirkland, NY ("Property")

Dear Sir or Madam:

Our firm represents Carl Vogel ("Purchaser") with regard to the above-described matter.

Purchaser hereby revokes his offer to purchase the Property. Purchaser understands that the amount he previously paid under the agreement will be forfeited to Oneida County.

I apologize for any inconvenience this causes Oneida County and hope that it will consider allowing Mr. Vogel to bid at future auctions.

Feel free to contact me if you have any questions.

Very truly yours,

Jeffrey M. Reale

Re: NYS Office of Community Renewal (OCR) Community Development Block Grant funding for Housing Activities

Dear County Executive Picente:

In a continuing effort to assist Oneida County residents, we are proposing to apply for Community Development Block Grant (CDBG) funding available through the New York State Office of Community Renewal (OCR) 2018 Competitive Round for Housing Activities.

Based on requirements from the OCR and The HomeOwnership Center’s success with several existing programs in the County, we intend to apply for $1,000,000 from the OCR to continue a Housing Rehabilitation Program. The proposed project for this year will provide housing rehabilitation services for 25-30 low income, frail elderly and/or disabled households of Oneida County.

Due to the OCR requirement that CDBG funding cannot be used in entitlement communities, the proposed funding for the Housing Rehabilitation/Manufactured Home Replacement Program will be for residents and communities outside of the Cities of Utica and Rome.

Since the OCR program does not require a local match, no Oneida County dollars will be expended on these projects. Upon award of the OCR grant, The HomeOwnership Center will administer the Community Development Block Grant program on behalf of Oneida County.

Therefore, we respectfully request that you submit to the Oneida County Board of Legislators a request to authorize you to submit an application to the New York State Office of Community Renewal for a Housing grant totaling $1,000,000. Included in this resolution is the schedule to conduct the mandated public hearings on the Community
Development Block Grant application, as required by the statutory requirements of the CDBG program, and, if awarded the grant, authorization to enter into an agreement with The HomeOwnership Center to administer the program.

Should you have any questions regarding this matter please contact me.

Sincerely,

John R. Kent, Jr.
Commissioner of Planning

RE: AUTHORIZATION FOR ONEIDA COUNTY TO MAKE APPLICATION TO THE NEW YORK STATE OFFICE OF COMMUNITY RENEWAL (OCR) FOR GRANTS TOTALING $1,000,000 TO SUPPORT HOUSING EFFORTS IN ONEIDA COUNTY

WHEREAS, Oneida County Executive Anthony J. Picente, Jr., is in receipt of correspondence from John R. Kent, Jr., Commissioner of Planning, requesting submittal of an application by Oneida County to the State of New York Office of Community Renewal (OCR) for Community Development Block Grant (CDBG) direct grants totaling $1,000,000, and

WHEREAS, The Community Development Block Grant funds will provide funding assistance to continue the Housing Rehabilitation Program in Oneida County. The program will provide housing rehabilitation/manufactured home replacement services for low income, frail elderly and/or disabled homeowners, and

WHEREAS, The CDBG program requires the holding of two public hearings by the County, a minimum of one prior to the submission of said application to obtain the views of citizens regarding the proposed application, and one following the award to report on project accomplishments, and

WHEREAS, The CDBG program requires that the Community Development Block Grant application must comply with the program requirements set forth in 2 CFR Part 200 and applicable subparts and 24 CFR Part 570, as amended, now, therefore, be it hereby

RESOLVED, That Oneida County Executive Anthony J. Picente, Jr., is authorized to submit the application and amendments thereto and all understandings and assurances contained therein, and is further authorized to act in connection with the application to provide such additional information as may be required to request and implement said funds, and it is further

RESOLVED, That the Oneida County Board of Legislators will hold the first required public hearing on November 14, 2018 at 2:00 p.m. in the Oneida County Courthouse, Ceremonial Courtroom, 5th floor, 200 Elizabeth Street, Utica, New York and the second on a date to be determined, and it is further

RESOLVED, That the County Executive is hereby authorized to execute all documents and certifications required as part of the submission of the application and to execute such documents as may be required in order to implement the program and enter into agreements as are necessary to accept the award and distribute the funds.
