The Oneida County Youth Bureau will be accepting Requests For Proposals (RFP) from non-profit organizations for the OCFS 2025 program year; 10/1/2024 – 9/30/2025. The Youth Bureau encourages all organizations to be innovative in addressing the needs specific to the youth they serve.

Four categories of funding are available:

- The **Youth Development Program** funding is for non-profits operating a youth development program that provides direct services to youth. **State reimbursement for qualified expenditures, subject to available appropriations and exclusive for federal funding.**
- The **Runaway and Homeless Youth Act (RHYA)** funding is for crisis and transitional living services.
- **Youth Sports and Education Opportunity Funding (YSEF)** for non-profit agencies and local organizations to provide sports programs for underserved children and youth younger than 18. Funded programs must provide a variety of sports for a broad range of youth in under-resourced communities.
- **Youth Team Sports (YTS)** for non-profit agencies or community-based organizations to support youth team sports programs for underserved children and youth younger than 18. YTS is grounded in the principles of positive youth development. It is intended to provide support to local team sports programs across New York state in communities where such programs may be scarce or under-resourced. YTS has a sole focus on team sports. For the purposes of YTS, a “team sport” is defined as an organized physical activity in which groups of two or more individuals are in competition or more opposing individuals.

Our RFP process offers your non-profit organization or community-based organizations every opportunity to present innovative proposals. The guidelines and forms necessary to prepare and submit your proposals in accordance with the requirements of the New York State Office of Children and Family Services and Oneida County can be accessed on-line at www.ocgov.net/youth

Please keep in mind that this RFP process is competitive and there is no promise of initial funding or continued funding from year to year. The Youth Bureau Advisory Board Allocations Committee will recommend proposals that have a direct impact on the target population. **Proposals that do not follow the guidelines will not be considered.** As always, our office is available for technical assistance.

Lastly, all proposals must be submitted **VIA EMAIL (original word documents only)** no later than close of business on **Friday, October 4, 2024 at 4:30 PM** to kpensero-shanley@ocgov.net. If there are any questions please contact Karen Pensero-Shanley at 798-5027 or by email.

Very truly yours,

A handwritten signature in black ink that reads "Kevin M. Green".
