# BILL PAYER PROGRAM

---

The Oneida County Office for the Aging and Continuing Care Bill Payer Program is funded by AARP and is overseen by RSVP through the Parkway Senior Center in Utica, NY. The program is in place in order to ensure are seniors are able to maintain their independence in the community by gaining control of their finances with the help of a certified accountant.

Typically seniors get overwhelmed by budgeting bills and regular expenses. This program allows for seniors to access an accounting volunteer to enter their home to assist in the process of paying bills on time, organizing billing cycles, and budgeting the clients bank accounts.

The volunteer may find on occasion were the client may have to adjust their way of spending in order to maintain their budgeting practice. The goal of the program is to result in a workable solution to ongoing bill paying practices, grocery shopping and, in some cases, be able to save money to create a savings plan for special needs or even a vacation.
