RESIDENCY POLICY

Per Oneida County Rules for the Classified Service, Rule VII, Residence requirements may be suspended or reduced by the Commissioner of Personnel in cases where recruitment difficulty makes such requirements disadvantageous to the public interest.

Therefore, Oneida County examinations issued on or after May 2, 2007, will have no residence requirement at the time of examination.

When preference in certification is given to residents of a municipality pursuant to subdivision 4-a of Section 23 of the Civil Service Law, an eligible must have been a resident of such municipality for at least one month prior to the date of certification in order to be included in a certification as a resident of such municipality and must be a resident of such municipality at the time of appointment.
